YEAR 6

L.E.A.V.E.R.S

Jay Wilmott

Head of Primary and ALDD

Nehal Seleit

Deputy Head of Primary

On behalf of the Primary Leadership Team, we would like to congratulate our Year 6 cohort, who will shortly transition to the next phase of their educational journey. It has been an absolute pleasure collaborating with you Year 6, and we hope that you take advantage of all the opportunities that will be presented to you and allow yourselves to succeed, achieve, and accomplish your dreams, whatever they may hold.

Wishing all our Year 6 BSEians the very best for the future!

Year 6A

6A Message

Below is a message presented by Adam Ahmed from the Year 6 Leavers Assembly:

The greatest thing about being in Year 6 is knowing you're the royalty of Primary School. We've been waiting for years for this moment, and now that it's finally here, it's time to party! We've had the time of our lives this year. Every day I've walked the gates and corridors of the Primary School feeling cared for. Everyone knows our names and we're all just one big family. I know that next year when I pass by the Primary School, I'll see familiar faces that I'll never forget. Even though they'll never admit it, Ms. Yossra and Ms. Shorouk are going to miss 6A!

6A Teacher & Co-Teacher Message

Dear kiddos,
They say all good things must come to an end. We sure did have a good thing going for us this year. I am so lucky and honoured to have been part of the 6A family. I look back at this year and I smile when I think of all the times we've had. There have been big moments, such as going on our trip to Fagnoon, our Sports Day and our Football Tournament. We can't forget the small moments too such as laughing during a lesson when Eyad decides to go off topic while I'm teaching or when Youssef signals to go to the bathroom using his sleeves. You see, it's the big and small moments that make 6A…6A. I wouldn't have it any other way or with anyone else.

I know that these past few years have been extremely challenging with the pandemic and lockdowns, but I have never seen such a group of courageous and enthusiastic pupils in my career who have handled it with such style. You all came to school this year with a smile on your face, an odd rush of energy every single morning and a sense of humour to return life back to normal. If anything, I must thank each one of you for pushing me to feel energised and enthralled with ideas to make each day better than the last. Most of all, I had hoped to make each day this year memorable before you embark on your adventure to Secondary School.

I have always struggled with saying goodbyes, but I write this message with a smile on my face knowing full well that this isn't a goodbye. I expect to see you all next year finding your way back to us and to let us know about how your day went during home time. Here's to seeing you all then! Over and out!
~Ms. Yossra Hamza

Dear 6A,
I cannot believe that this is the end of our precious year, but I wish it will be the beginning of a bright future ahead. I will never forget our memories together and all the ups and downs we have been through. Be proud of your accomplishments because I am so proud of you all!
~Ms. Shorouk Ahmed

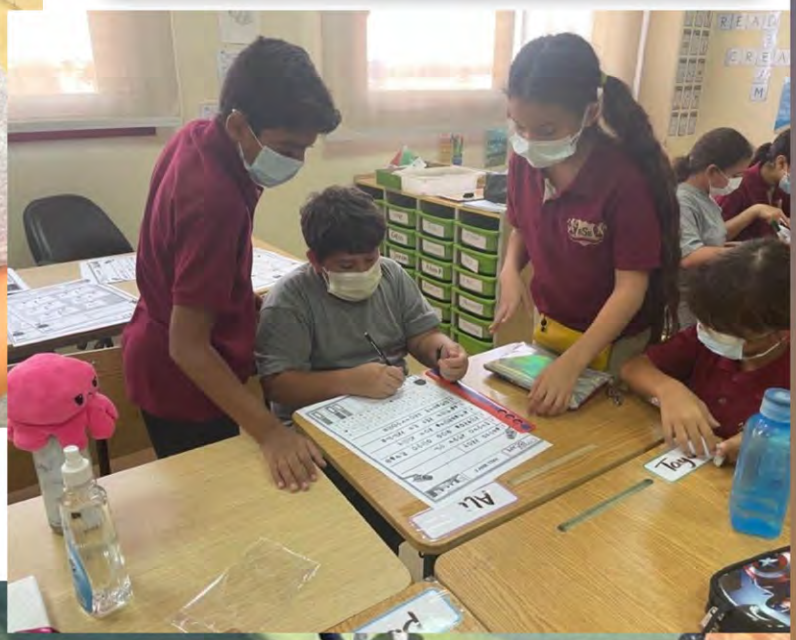
The one where we tested out mould on bread. Yuck!

Who knew creating shapes would be so tasty!

You could tell Ahmed & Adam were really focused on balancing the 3D shape and not eating it…

We created our own personalised t-shirts for Anti-Bullying week.

When we had to work together at the start of the year to complete an escape room.

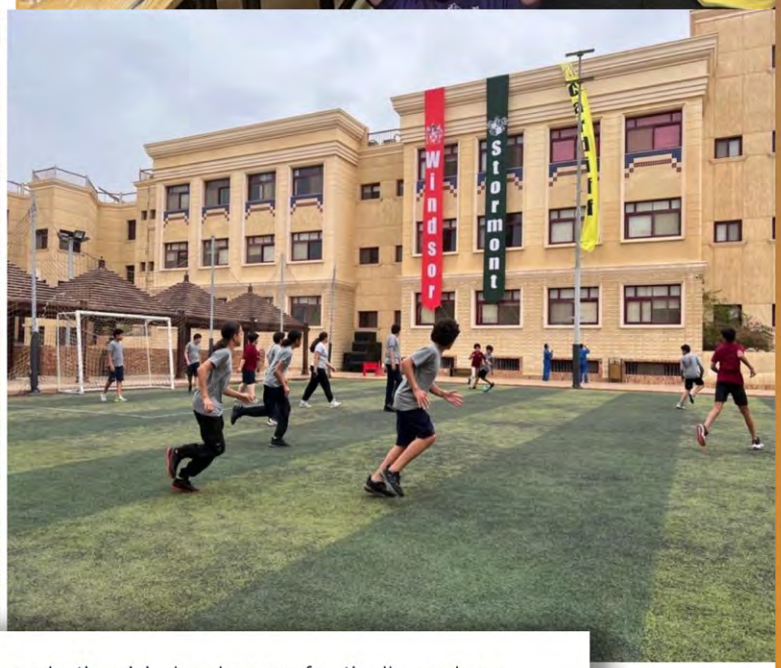


Even though we didn't win, we had the best time supporting our national team.

Halloween 2021

Celebrating our success after Sports

Even though we didn't win, we had the best time supporting our national team.

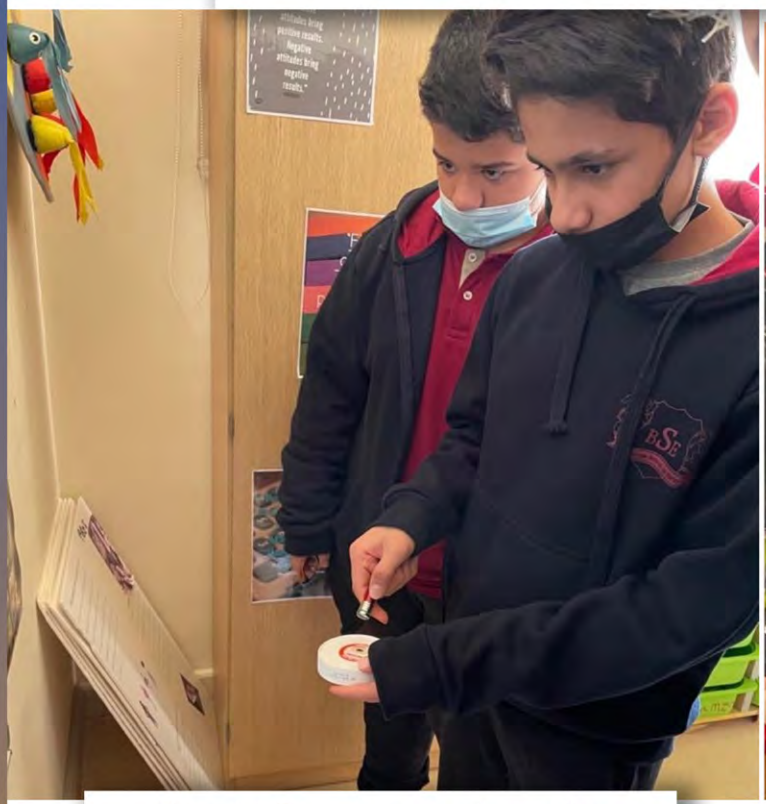


If someone were to describe 6A in two words they'd simply say: football maniacs.

We had fun during break times beating our teachers in Monopoly Deal.

Halloween 2021

During Numeracy week, we held our Times Tables competition. 6A had 5 finalists out of 10. Way to go rockstars!



Ahmed & Omar are super focused on finding out if light bounces off a Nutella lid…

We have some high hopes that some of us will become doctors after learning about the circulatory system.

6B Message

Below is a message presented by Adam Kobus from the Year 6 Leavers Assembly:

We couldn't possibly forget to give a shout-out to someone who has also played a huge role in our lives these past six years. We'd like to say thank you to our parents. We are so grateful for all you've done! Pushing us and helping us become the best versions of ourselves. You've helped us get through early mornings and the late afternoons after our ECAs. We owe all our success to you and we couldn't have made it this far without you. Of course, 6B wouldn't be 6B without the incredible Ms. Lamia and the amazing Ms. Sarah.

6B Teacher & Co-Teacher Message

Dear 6B,
I know I haven't started the year with you from the beginning, but the moments we shared were priceless. Knowing some of you for many years now and getting to know the rest was a delight. I enjoyed every single moment along the way. You are a class to remember, and I hope you keep me in your memories. I will miss each one of you, however, I only wish you all the luck and success in your new phase. Enjoy your next step SENIORS.
Love you all,
~Ms. Lamia Salah

My beloved students, I will never forget this year as we shared some ups and downs. I will not forget how you all made me feel by making me posters to celebrate my return from my maternity leave. I am so grateful for all of you! 6B, good luck and I hope we meet again soon.

6C Teacher & Co-Teacher Message

Dear Students,
I have been a teacher for more than a decade. In all of my years, I have not met a group of students as memorable as you all. There was never a dull moment for sure! We had our fair share of ups and down, yet I will always cherish these very special memories. I am also left feeling hopeful about each one of you. You'll be just fine, and I know that. Wishing you all the best in Secondary School. Good luck, and goodbye to all of you!
~Mr. Ahmed Salem

Dear Class,
You are not just my students, you are my sons and daughters. Before this year, I had two children, but now, I have 24 who will always be in my heart. You are all a very unique group of students, and I will miss you and miss every detail about you all. Wishing you all the best.
~Ms. Mariam El Badry

Our lovely students marked their house points into their house booklets.

After reaching 50 marbles, we had an amazing pajama dish party.

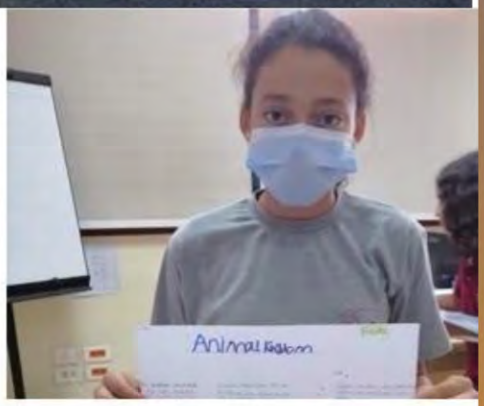
For our first trip, we had lots of fun visiting Fagnoon and participating in many activities.

As scientists, we investigated a lot of different experiments during our science week.

During anti-bullying week, we enjoyed coming up with ideas to create our own t-shirts and then we had lots of fun with coloring.

Our first PE lesson in the swimming pool was a blast.

In Literacy, we enjoyed the fresh air while brainstorming ideas to write a fantasy story.



In Science, we created our own kingdoms.

We had a lot of fun supporting our national team.

Below is a message presented by Alia Mohab from the Year 6 Leavers Assembly:

Good afternoon parents and teachers! A couple of classmates and I have prepared a short speech to celebrate our journey in Primary School. To end our journey, 6D were so delighted to have our iconic Ms. Angie and our supreme Ms. Kirsty. Primary School brought colour into my life and that is why I am very proud to be up here today achieving the goal of representing 6D and to say goodbye to my home. We are grateful for the fun we've had and most of all, we are grateful that we are 6D!

6D Teacher & Co-Teacher Message

For my first time as a Year 6 teacher, I could not have asked for a better class! I will miss each and every one of you so much, and in completely different ways! I wish you all the best of luck in Secondary School, and I know you will make me and all your previous teachers very proud. P.S. Enjoy Science and Arabic lessons! :)

~Ms. Kirsty Duffy

Dear 6D,
This class has touched my heart in a very special way. Each individual will always remain not only in my memory, but in my heart as well. We've shared many fun moments as well as difficult ones together. What mattered the most is that we got through it together. From little entrepreneurs to ambitious girls ready to take on the world, you are all very special. I will miss you all dearly. Thank you all, we will never forget you and we hope that you will always remember us with a smile on your face and a warmth in your heart.

~ Ms. Angie Hammad

Below is a message presented by Adel Ahmed from the Year 6 Leavers Assembly:

This is our last day here in the Primary School. We've definitely left our mark here and I'm sure all the teachers will always remember us – some of them might even want to forget us! Our favourite and coolest teachers of all time, Ms. Noha and Ms. Salsabil, we're going to miss you both so much! We also wanted to say thank you to Ms. Jay and Ms. Nehal who have both helped and supported us this year. We are grateful for all that you have done and wish the best of luck to the coming Year 6s next year. Thank you all for listening and we hope you enjoy the rest of the assembly.

6E Teacher & Co-Teacher Message

Dear 6E students,

We have gone through a lot this year together; laughs and tears, ups and downs and we made a lot of good memories. I will always remember when we were cheering for the Egyptian team together! Although we lost, we had so much fun cheering, dancing and analysing the game together. I will remember the fun and laughter as we worked on our in-class projects, our enthusiasm during House Games and Sports Day, and the amazing time we had at our overnight trip in WellSpring's Beit El-Wadi. It was an unforgettable year for me, and I hope that it was the same for you as well. I will always remember you all fondly!

~ Ms. Noha Safwat

Dear 6E students,

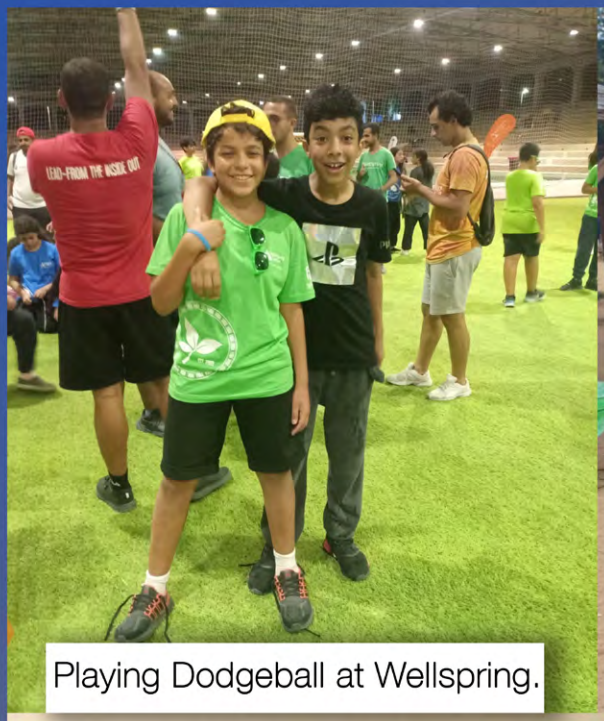
Over the last ten months we have lived, loved, laughed, cried, sang, played, studied and shared many marvellous moments together. I've learnt from you as much as you've learnt from me, especially during our PSHE lessons and all the thoughts and emotions we shared together. I see the light in you and my wish for you is that you see the light in this world, in yourselves, and in others.

~Ms. Salsabil Hossam

When we were cheering for our national team!

Having fun at Fagnoon farm.

Circuit experiment, you better watch out!



Playing Dodgeball at Wellspring.

Yumm Yumm, can't forget this tasty bread.

Learning about shapes with pasta and marshmallows.

Anti-Bullying week!

PSHE activities with Ms. Salsabil.

Learning about our hearts! I think we all loved this one!

Year 6F

6FMessage

Below is a message presented by Hosam Motaz from the Year 6 Leavers Assembly:

We've had some crazy times here in Year 6. We've battled through fractions, long division and even algebra! I mean really, why start putting letters in Maths? In all seriousness, I am so proud of how far we've come. Looking back at what we had to overcome these past few years leaves me feeling victorious. The last two years have been challenging as we shifted from learning online to being at school. Yet, somehow, we still worked together and found ways to overcome those obstacles. If anything, I think it made us stronger and closer.

Ms. Fatma and Ms. Salma, thank you so much for everything you've done! 6F for life!

6E Teach ɛr & Co-Teacher Message

Dear 6F,
I am writing to bid my dearest udents in 6F adieu. I was truly blessed to have an amazing group of children and such sup ortive parents this year and I am going to miss you.
I would like to express my gratit de towards you because you made me a better teacher. You pushed me to come up with fferent and creative ways to be able to get the permanent marker off the white board. Yo inspired me to renew my Apple TV subscription, to make friends with Amazon.com, Net : and YouTube; just to be able to keep you busy during free time!

In all seriousness though, I will r ss each and every one of you. You must know that you were not just a random class I will re ember occasionally, but in some way you all played a role in showing me kindness and gen osity that I will forever remember. The great lengths you have gone through to celebrate my irthday was unheard of. For that, I would like to extend my gratitude to your parents for ra ing such wonderful and considerate children. With a heavy heart and teary eyes, I bid you oodbye. I wish you all the best in your next adventure and I hope you always steer away f m the crowd to be better people. Trust yourselves and the values deep-rooted within you.
~ Ms. Fatma El-Haroufy

Dear students,
This message comes with both roud tears and sad tears. I am so grateful that I got to watch you grow into such amazing ar kind people. I loved creating engaging activities for us all to enjoy together and make mem ies that will last.
I have never cried as much as did this year! Not out of sorrow or regret, but out of empathy and care that continued to surp se me on numerous occasions. The 'Thank You' video you all created had left me sobbing li e a baby. I will always look forward to your future visits and stories from Secondary School Good luck!
~ Ms. Salma El-Shami
