Message from the Executive Principal

Celebrating a Remarkable School Year

As we reach the close of another vibrant and successful academic year at The British School of Egypt, I am filled with immense pride and gratitude for all that our community has accomplished together. This year has been a testament to the dedication, resilience, and spirit of our students, staff, and families.

School Year Highlights

This year has been marked by numerous achievements and memorable moments, including:

- Outstanding academic achievements and impressive exam results, reflecting our students' commitment to excellence.
- Thrilling sports day events and competitions that showcased teamwork, perseverance, and school spirit.
- Joyful cultural celebrations and International Day activities, embracing the rich diversity within our school community.
- Inspiring creative arts and music performances, where our talented students shone brightly on stage.
- Meaningful community service and charity events, demonstrating our shared values of empathy and responsibility.
- Engaging field trips and educational excursions that brought learning to life beyond the classroom.
- Active student leadership and vibrant club activities, empowering our young leaders to make a difference.
- Heartwarming graduation ceremonies and awards presentations, celebrating the achievements and growth of our students.

We are incredibly proud to celebrate our **Year 12 leavers** following a spectacular graduation ceremony. This special cohort, many of whom have been with us since Pre School, are now ready to go forth and conquer the world. Their journey marks 15 remarkable years of success at the BSE - a testament to our unwavering commitment to delivering high-quality education. As we reflect on this milestone, we eagerly anticipate the amazing achievements our graduates will accomplish in the future. With the exceptional preparation they have received, we are confident they will continue to make us proud. Here's to a bright future and many more years of excellence at BSE!

A Message for the Summer Break

As we embark on the summer holiday, I encourage all our students and families to enjoy a well-deserved rest. Please take this time to recharge, explore new interests, and create lasting memories with loved ones. Remember to prioritize safety, always wear your seat belts when traveling, look out for one another, and stay mindful in all your activities.

We look forward to welcoming everyone back, refreshed and ready for another eventful and inspiring school year ahead. Thank you for being an essential part of our vibrant school community.
Wishing you a safe, happy, and restful summer!
Warm regards,

Yasmin Tabram
Executive Principal

Message from the Principal

A Year of Notable Progress and Achievement

As the academic year draws to a close, we reflect with considerable satisfaction on a year of significant progress and notable achievements across our entire school community. This year has truly been a testament to the dedication, hard work, and collaborative spirit that underpins everything we do. From the classrooms to the sports teams and through our community initiatives, we've observed consistent development and a strong commitment to excellence in many activities.

This newsletter will highlight many school achievements including school productions, sporting team success, academic excellence and outstanding individual talents and achievements.

Our pupils have demonstrated commendable academic strides, showing a deeper understanding of their subjects and a growing curiosity in their learning. Many of our older students have achieved outstanding academic examination results which is credit to them for their hard work and to the teachers and families that have supported them on their journeys. More information on some of the outstanding individual achievements can be seen on our school social media. Beyond the curriculum, student involvement in a wide range of extracurricular activities has fostered invaluable skills, from critical thinking and problem-solving to effective teamwork and confident leadership. We've seen promising displays in our arts programmes, engaging performances in drama, and thoughtful contributions in our diverse ASA clubs, all contributing to a well-rounded and enriching educational experience for every child.

Throughout the year the extensive trips and visit programme for students has been outstanding, made possible by the work of the staff supporting the trips and the Senior Leadership Teams that have organised the opportunities. Many trips, visits and overnight stays have been provided with close cooperation with several trip companies and that ongoing relationship will serve the school community extremely well in the future.

The broad and balanced opportunities that all are able to access and experience at The BSE are a testament to the genuine British education provided at The BSE.

Community Spirit and Sporting Successes

A particular highlight for me of the year was our outstandingly successful charity week and Fayoum visit. The generosity and compassion shown by our pupils, staff, and families during this week and visit was excellent. The funds raised and the awareness generated for our supported causes demonstrated a profound sense of social responsibility and collective kindness. This initiative was a clear testament to our school's values and commitment to making a positive difference beyond our gates.In more recent events, we were immensely proud of our Year 8 students who participated in the BSE IgniteX event. This excellent initiative, which will be covered in more detail later in this newsletter, provided numerous positives for the students involved, allowing them to develop innovative ideas and present them with confidence. The benefits extended to the wider community as well, showcasing the potential of our young innovators, the quality of the guest speakers and the talents of our own students involved in the performances.

On the sporting front, a significant event this past term was the highly successful Hurghada Football Camp. It was pleasing to see so many of our aspiring footballers embrace the intensive training, refining their skills and strengthening team cohesion. The positive feedback from both participants and coaches underscored the camp's effectiveness in developing individual talent and fostering a strong team spirit, laying solid groundwork for future seasons.

On the basketball courts, our U14 Girls Basketball Team performed exceptionally well, winning the CISSA Basketball Tournament. This is a fantastic achievement and a testament to their hard work and teamwork throughout the season. Similarly, our U11 Girls Football Team showed great promise, securing a commendable 2nd place in the CISSA West U11 Football Tournament. Their efforts and performance were truly impressive and demonstrated great potential for the future.

And on the subject of aquatic success, our Sharks Swim Team deserves a truly special mention. Their dedication and diligent training have culminated in a genuinely exceptional year. We are delighted to announce that the Sharks not only secured the prestigious Cairo Schools Swim League title but also went on to win the highly competitive BSME Egypt National Schools competition. This double victory is a considerable achievement, and it formally ranks our Sharks as the top swimming team in Egypt. This remarkable success is a credit to their relentless hard work, the unwavering commitment of their coaches, and the consistent support from their families. Congratulations to all the Sharks – you've represented the school admirably and set a new benchmark for swimming excellence.

The BSE ASA programme continues to set the standard for local schools in terms of the quality of the sessions, the broad range of both academic, creative and sporting activities on offer and the offer throughout the year.

These examples are indicative of the broader progress and community engagement seen across the school this year. Every pupil, in their own way, has contributed positively to the vibrant fabric of our school. We extend our sincere thanks to our teaching staff for their unwavering commitment and inspiring guidance, to our dedicated support staff for ensuring the smooth and efficient operation of the school, and to our wonderful parents for their invaluable partnership in nurturing our students' potential.

As we look ahead to the next academic year, we aim to build upon these strong foundations, continuing to provide an environment where every pupil can thrive, learn, and achieve their full potential.

We wish everyone a restful, safe, healthy and enjoyable break.
Kind regards

Tim Hoban
Principal

The Magic of Music and Dance in Early Years

As we come to the end of another joyful and enriching school year, it's the perfect time to celebrate the role that music and movement play in our Early Years Foundation Stage. These joyful experiences are not only a source of fun, but also a key part of how young children grow, learn, and connect with the world around them.

Did you know that babies respond to music even before they are born? Research shows that from as early as 16 weeks in the womb, babies can hear and react to sounds—including music!

Throughout the year, our children have been singing, dancing, and exploring rhythm in ways that support their development in language, coordination, memory, and social interaction. Regular musical engagement has been linked to stronger early literacy and numeracy skills—and even simple activities like clapping to a beat help strengthen the brain's problem-solving and sequencing abilities.

Dance, too, plays a vital role in building confidence and self-expression. Through movement, children enhance their balance, coordination, and spatial awareness, while also developing teamwork, creativity, and resilience—skills that will support them far beyond their time in EYFS.

This term, our classes have explored musical styles and dances from around the world, bringing energy and excitement into every corner of the learning environment—from daily song times and rhymes to our CLTM lessons and performances.

So, when your child sings their favourite song on repeat or can't help but move to a catchy beat, know that they are doing far more than just having fun—they are building lifelong skills through the magic of music and dance.
As the school year draws to a close, we are so proud of all that the children have achieved. Their growing confidence, creativity, and love of learning have been a joy to watch, and music and movement have played a big part in that journey.
We wish all our families a restful and happy summer break, and we look forward to the new adventures the next school year will bring.

Warm wishes,
Clare Graham
Head of EYFS

100 DAYS OF SCHOOL

Reaching the 100th day of school was a fantastic milestone, and we celebrated in style! The children had so much fun dressing up as elderly people, bringing lots of laughter and creativity to the day. A highlight of the celebrations was when our EYFS children and staff came together to form a giant '100' in the garden outside the EYFS building—such a wonderful way to mark this special day of learning and fun!

Pre-F & F1 travel to SANE Academy

SANE Academy creates an environment where learning meets adventure, creativity, teamwork, and a love for nature. Their programme is an excellent addition to the Early Years Foundation Framework, providing children with a unique and memorable experience that goes beyond the traditional classroom setting.

F2 went to Monkey Maze 🐒

Our F2 classes embarked on a wild adventure at Monkey Maze. The day was amazing, filled with exploration and hands-on learning! It was great for climbing and swinging, developing gross motor skills, balance, and coordination. Great fun was had by all!

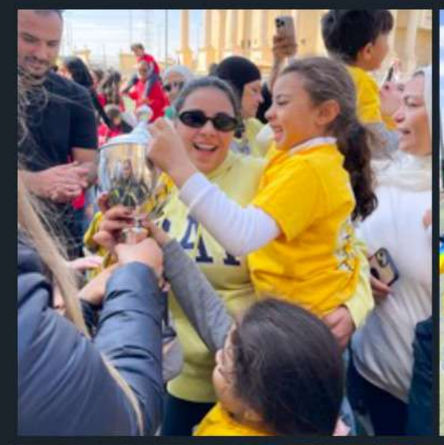

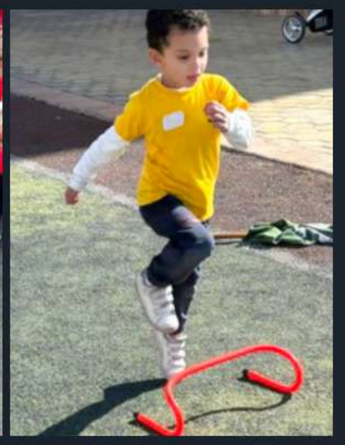

EYFS SPORTS DAY

EYFS Sports Day was a fantastic event filled with energy, excitement, and lots of fun! Parents and children took part in a range of activities, including races, dancing, and a thrilling tug-of-war. It was wonderful to see everyone cheering each other on and celebrating teamwork and perseverance. A big well done to all our little athletes!

Another Academic Year Comes to a Close!

And just like that, another academic year has flown by, bursting with celebrations, accomplishments, success stories, and plenty of lessons learned along the way.

As always, it's been an absolute joy watching our children grow, not just academically, but as confident, mature, knowledgeable individuals. While challenges are inevitable, our students never fail to amaze us with their persistence and spirit. They truly make us proud.

This term was packed with exciting events! We ventured across Cairo and beyond, testing our endurance, building teamwork, and most importantly, creating unforgettable memories and having lots of fun. I had the privilege of joining the Year 6 students on their very first overnight trip to Ain El Sokhna. From splashing in the sea and poolside fun to team games and epic colour fights, the children were incredible ambassadors for the BSE. You made us so proud!
We couldn't let the term end without shining a light on even more unforgettable moments. Our International Days were a colourful celebration of culture, as children dressed up in the traditional attire of their chosen countries. They explored the world through music, food, and dance—learning and laughing in equal measure!

Year 3's Careers Day was equally inspiring. Our young visionaries transformed into mini doctors, scientists, teachers, and artists, dreaming big and taking their first steps toward future careers. It was heart-warming to see them embracing their aspirations with such excitement and imagination.

And let's not forget the show-stopping performances that lit up our stage this term! KS1 dazzled us in Moana, as our young stars became one with the sea, bravely overcoming challenges to save Moana's village. Year 5 whisked us away on a magical carpet ride through the streets of Agrabah with their unforgettable performance of Aladdin. From vibrant dance numbers to powerful solos and truly fantastic acting, the talent on display was something to behold

To cap it all off, Year 6 marked the end of their primary school journey with a fantastic leavers' assembly. They lit up the stage one final time with songs and performances that pulled on our heartstrings and left us beaming with pride.

As our Year 6 students move on to the next exciting chapter in Year 7, we wish them every success. We can't wait to see how you continue to shine and grow—you've got this!

So as we reach the summer holidays, On behalf of the BSE, Senior Leadership Team and staff, we wish you a safe and relaxing holiday with your families and friends, rested and ready for the start of the new academic year.

Kind regards,
Ms. Emma Farid
Head of Primary

News from Year 1

News from Year 1

As the school year wraps up, we want to celebrate all the hard work and growth we've seen in our classrooms! This year has been filled with exciting learning moments, creative projects, and inspiring achievements.

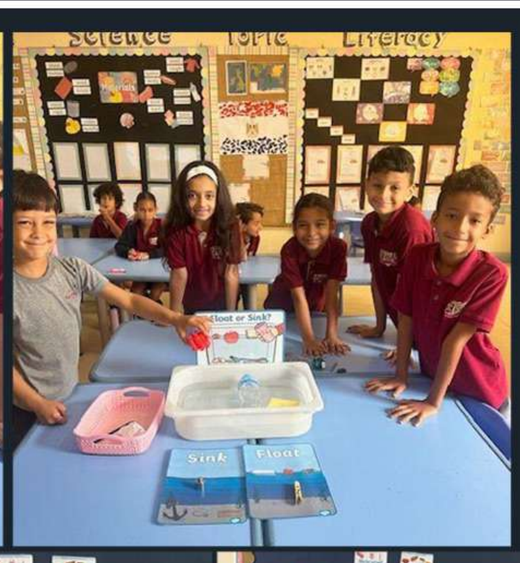

Science

In Science, Year 1 students have been exploring materials and their properties! To deepen their understanding, they conducted a fun experiment testing cotton, wood, metal, and plastic to see which materials sink or float. The children were excited to make their own predictions before placing each object in the water box, sparking curiosity and hands-on learning.

Science Project

To wrap up all they have learned in science this term, the children created fantastic projects about materials! They investigated what everyday objects are made of and explored the different ways we use materials like glass, wood, and fabric. Each project showcased their brilliant ideas and growing scientific thinking. The children had a great time getting creative, and we are proud of their hard work and enthusiasm!

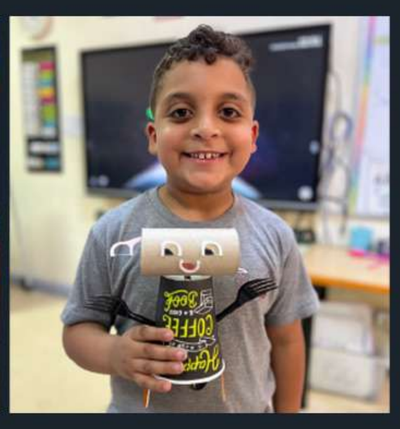

News from Year 1

Numeracy

In numeracy, the Year 1 students have been learning all about weighing objects! They explored using scales and chose items from around the classroom, starting with pencils, then books, pencil cases, and even the AC remote. The children enjoyed comparing weights and using terms like heavier and lighter to describe their findings.

Super Park Trip

Our recent trip to Super Park was a fantastic experience filled with fun and teamwork! We enjoyed playing together, strengthening our bonds, and working as a team to face exciting challenges. The day was packed with engaging games that brought out everyone's best spirit and cooperation. Moments like these remind us how much we grow when we support each other, making learning and play truly unforgettable!

News from Year 1

International Week

This term, Year 1 has been busy travelling around the globe. We explored different countries, learning about their landmarks, cultures, flags, traditional foods, and languages. To celebrate and consolidate all that we've learned, we ended with a vibrant International Week. The children took part in fun activities such as trying food from around the world, dressing up in traditional clothing, and sharing stories and songs from different cultures. It was a fantastic way to bring our learning to life and celebrate the diversity of our world!

News from Year 2

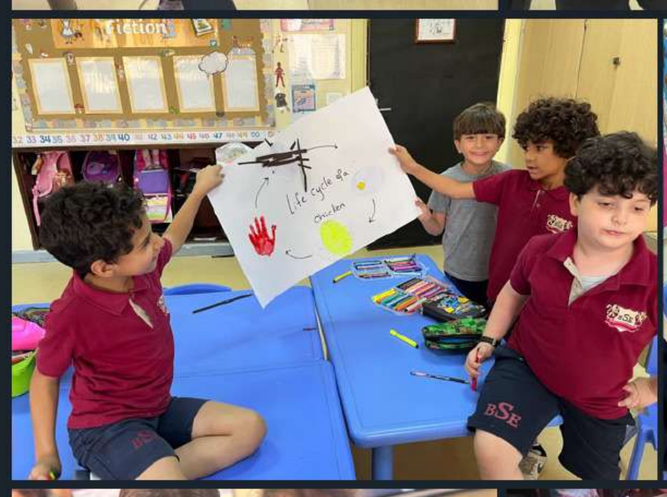

Learning in Focus

Science:

Year Two students have been buzzing with excitement as they explored the fascinating world of life cycles! Through a variety of engaging hands-on activities, they've gained an incredible understanding of how living things grow and change. From the detailed stages of human development to the transformation of a tiny egg into a chicken, the leap of a frog from tadpole to adult, and the magical metamorphosis of butterflies, learning has truly come to life. The children enthusiastically participated in creating several crafts, bringing each life cycle stage to vibrant reality. They also collaborated on exciting group projects, fostering teamwork and deeper comprehension. It's been a truly interactive and memorable learning journey for everyone!

Sports Day!

Our school sports day was a roaring success! We had an amazing time participating in a variety of fun activities. We danced to our favorite tunes at the lively dancing station, showed off our precision by throwing sandbags into brightly coloured circles, and practised our basketball skills. We challenged ourselves with a thrilling obstacle course and experienced the excitement of a relay race, carefully passing the torch. And, of course, we had a thrilling tug-of-war competition, pulling the rope with all our strength! It was a day of laughter, teamwork, and great memories.We all had a fantastic time!

News from Year 2

Year 2 Assemblies:

Year 2 students presented a series of exceptionally engaging assemblies, demonstrating their dedication and collaborative spirit. 2D embarked on a cosmic journey, exploring the solar system with informative and visually captivating presentations. 2C immersed the audience in the cultural richness of Egypt, sharing insights into its landmarks, cuisine, and festive traditions. 2B conducted a global tour, showcasing diverse cultures and iconic locations through dynamic storytelling and energetic dances. Finally, 2A presented an innovative adaptation of "The Jungle Book," highlighting various global habitats through captivating performances and musical numbers. The students' commitment to rehearsing and delivering these assemblies was evident, resulting in a memorable and enriching experience for all who attended.

Numeracy:

Year Two embarked on a fantastic journey into the world of measurement in numeracy! We explored both standard and non-standard units, understanding how we can measure things in different ways. In class, we loved working on hands-on activities, particularly when we used scales to compare weights, learning to confidently use the terms "heavier" and "lighter." Our exploration didn't stop there; we also delved into capacity, using litres and millilitres to accurately measure various liquids. It's been a term filled with practical learning and a growing understanding of how measurement is all around us!

News from Year 2

PSHE:

As part of our PSHE and social skills curriculum, Year 2 students have been learning all about table manners and the importance of showing respect and consideration during mealtimes. To help bring these lessons to life, we held a delightful afternoon tea party in class!

In preparation, the children learned how to properly set a table, including where to place the knife, fork, spoon, and napkin. They practised holding and using cutlery correctly, and we discussed why it's important not to talk with food in our mouths, to chew with our mouths closed, and to wait for everyone to be served before starting to eat.

It was a joyful and meaningful experience that allowed the children to apply their learning in a real-life context. We were so impressed by their enthusiasm and the respect they showed for one another throughout. Well done, Year 2!

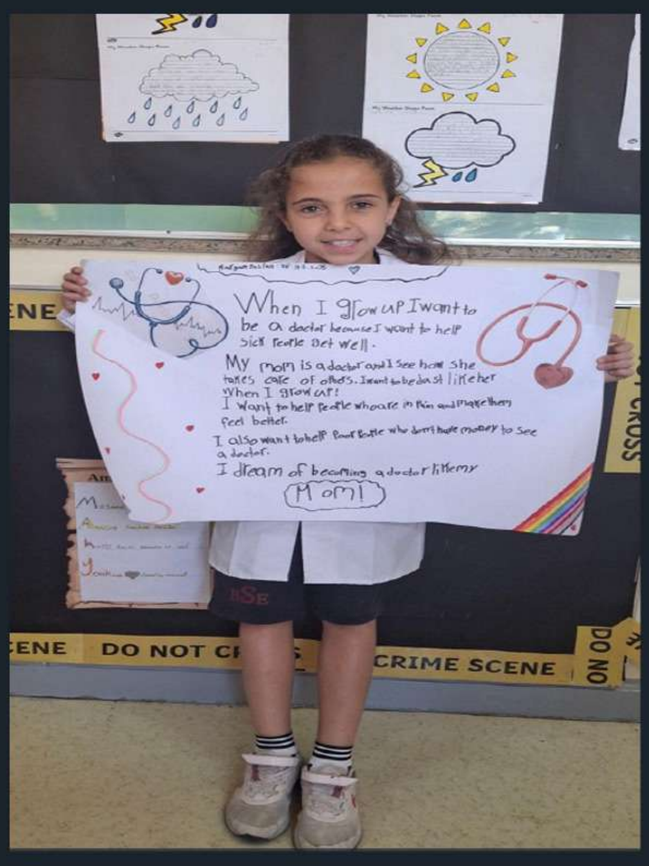

News from Year 3

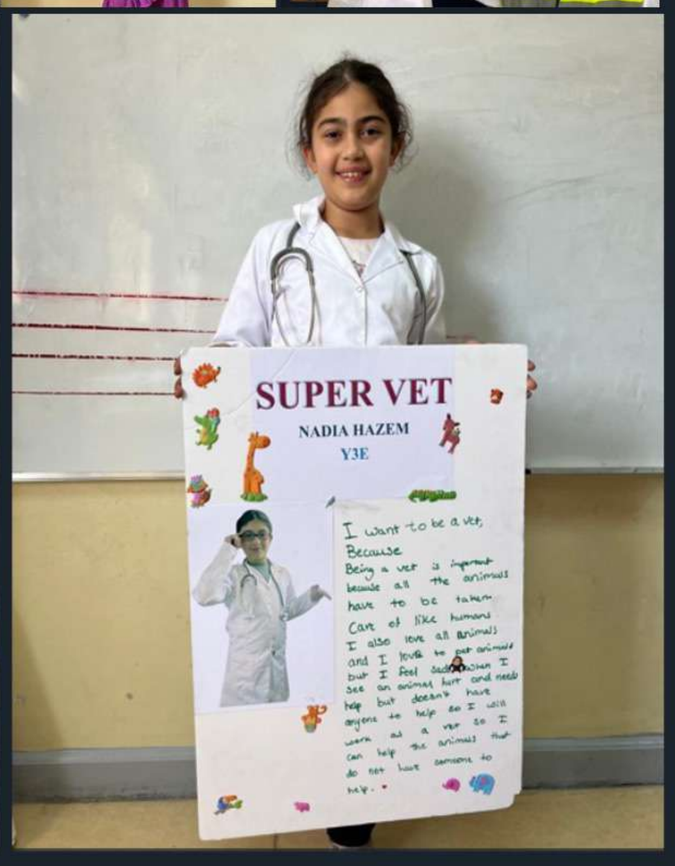

Career Day !

To conclude our Topic unit on earning a living, the children prepared presentations about the jobs or careers they hoped to pursue in the future. They spoke about their chosen professions, explaining what inspired them, as well as the skills and interests that influenced their decisions.

This activity encouraged them to reflect on their aspirations and helped them understand the link between work, personal interests, and long-term goals.

News from Year 3

Learning in Focus

Our final trip !

Our final trip for the year took place at IL Campo Resort, an eco-tourism destination situated in Giza. Year 3 pupils enjoyed a wide range of activities, including planting and treasure hunting.

They also learned about the value of sports and teamwork through fun team-building exercises designed for children.We experienced a beautiful day in nature, close to the River Nile, where we observed animals living in their natural habitat. It was a wonderful opportunity for the children to connect with the environment and develop a deeper appreciation for the great outdoors.

International Week!

International Week was an exciting event that gave students the chance to explore a variety of cultures and traditions, promoting understanding, respect, and appreciation for diversity. It also served as a celebration of the rich multicultural makeup of our school community, which includes many different nationalities.
Activities throughout the week included a spelling bee, 3D model creations, and cultural research projects. The week concluded with a vibrant “Around the World” parade and a dress-up day, where students proudly showcased traditional outfits from different countries.

News from Year 3

Celebrating the Pilgrimage Rituals

As part of our ongoing commitment to enriching cultural and religious understanding, we recently joined the rest of the school in celebrating the rituals of the holy pilgrimage. Our Arabic Department brought the experience to life by creating an impressive real-life replica of the key stages and ceremonies performed during Hajj.

The interactive model provided a unique and immersive opportunity for our Year 3 students to witness and engage with this beautiful tradition in a meaningful way. It was both educational and inspiring, leaving a lasting impression on all who participated.

We hope to continue this initiative annually, allowing future students to benefit from this enriching experience.

Exploring Science, Numeracy, and Topic in Year 3!

Year 3 students have been busy engaging in a variety of exciting learning activities across Science, Numeracy, and Topic lessons. As part of their Science unit, students explored different types of rocks, classifying them based on their type, texture, and colour. The hands-on experience sparked curiosity and encouraged collaborative learning.

In another creative cross-curricular activity, students investigated light and shadows in Science while exploring angles in Numeracy. They had a wonderful time chasing their shadows and discovering the angles formed by them—a fun and active way to deepen their understanding of both concepts.

The joy of learning was evident in every moment, and the students truly brought these lessons to life through observation, movement, and exploration.

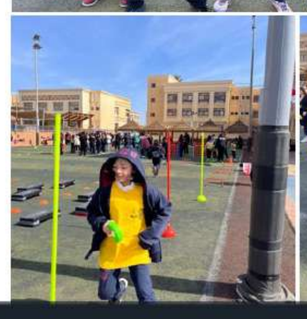

Sports Day Success: A Celebration of Team Spirit and Fun

Sports Day was a vibrant and energetic event filled with excitement, teamwork, and community spirit. Pupils enthusiastically participated in a variety of games and athletic activities, showcasing their skills and sportsmanship. The day was made even more special with the involvement of parents, who joined in several friendly competitions, adding to the fun and togetherness. Cheers echoed across the field as each house gave their best, but it was Balmoral that emerged victorious, claiming the trophy with pride.

News from Year 4

Celebrating the Pilgrimage Rituals

As part of our ongoing commitment to enriching cultural and religious understanding, we recently joined the rest of the school in celebrating the rituals of the holy pilgrimage. Our Arabic Department brought the experience to life by creating an impressive real-life replica of the key stages and ceremonies performed during Hajj.

The interactive model provided a unique and immersive opportunity for our Year 3 students to witness and engage with this beautiful tradition in a meaningful way. It was both educational and inspiring, leaving a lasting impression on all who participated.

We hope to continue this initiative annually, allowing future students to benefit from this enriching experience.

Special Persons Day: A Heartfelt Celebration

Special Persons Day was a touching and meaningful event that celebrated the important people in our pupils' lives. To mark the occasion, students took the time to create heartfelt cards for their special person, expressing love, gratitude, and appreciation through their thoughtful messages and creative designs. The activity not only allowed students to reflect on the value of meaningful relationships but also brought smiles and joy to those who received these personal and beautifully made cards.

International Week: A Journey Around the World

International Week was a vibrant celebration of global cultures and diversity. Each class was assigned a different country to explore, giving pupils the opportunity to learn about its traditions, language, history, and customs. The week culminated in a colourful dress-up day and parade, where pupils proudly represented their assigned countries in traditional attire. The excitement continued with a delicious dish party, where students shared food from around the world, turning the school into a joyful global feast. It was a wonderful experience that fostered curiosity, respect, and a deeper appreciation for cultures beyond our own.

Learning in Focus

News from Year 4

Trip to Beit El Wadi: A Day of Fun and Friendship

The trip to Bet El Wadi was a fun-filled and memorable day for our pupils. They took part in a variety of team-building activities that encouraged cooperation, problem-solving, and communication in a lively outdoor setting. After an active morning, pupils enjoyed a well-earned lunch before cooling off with a refreshing swim in the pool. The day ended on a sweet note as everyone gathered to roast marshmallows around the fire, sharing laughter and stories. It was a fantastic experience that strengthened friendships and created lasting memories.

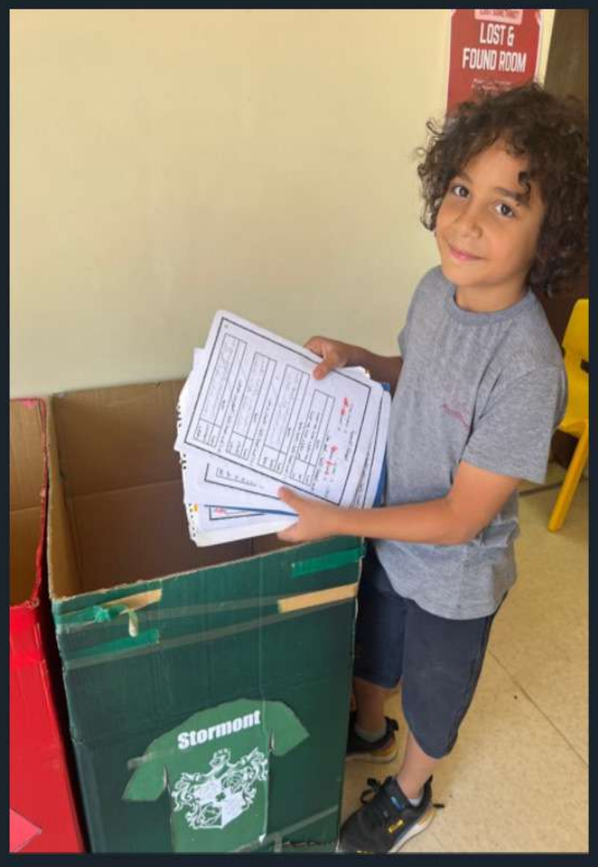

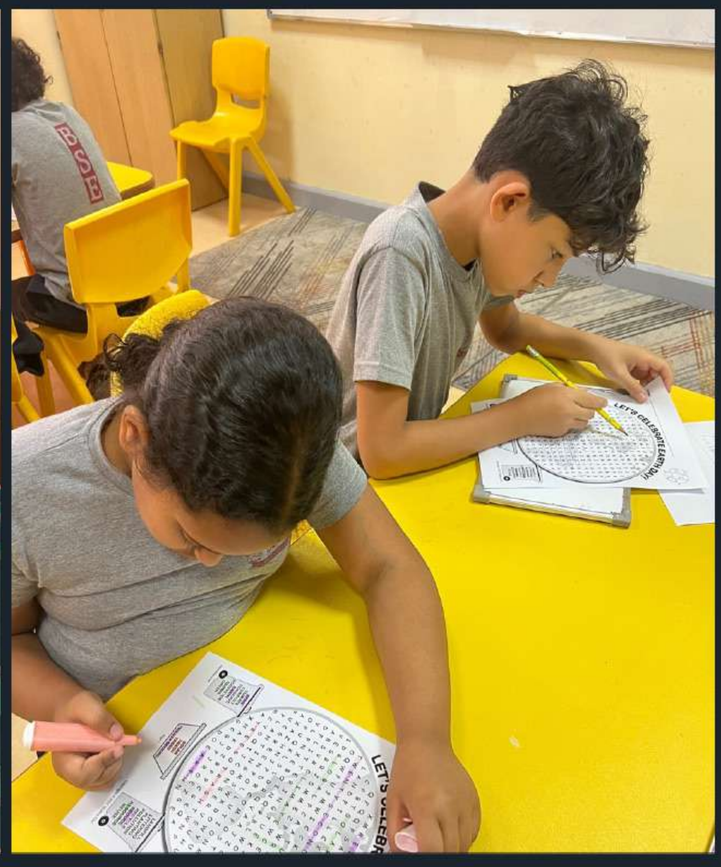

Earth Week: Growing Environmental Awareness

Earth Week was a wonderful opportunity for our pupils to learn about the importance of caring for our planet. Throughout the week, they took part in a range of activities designed to raise awareness about environmental issues, such as recycling, reducing waste, conserving energy, and protecting nature. Pupils engaged in discussions, created posters, and completed hands-on projects that encouraged them to think about how their everyday choices impact the world around them. The week inspired a sense of responsibility and reminded us all of the small steps we can take to help protect the environment for future generations.

News from Year 5

Crafting the Past: Mosaic Masterpieces from Ancient Greece

Pupils have been diving into history in a creative way during our topic lessons on Ancient Greece. As part of their learning, they took part in a hands-on art activity, designing and making mosaic Greek vases. Using carefully cut coloured paper tiles, each child recreated the intricate patterns and decorative styles found on traditional Greek pottery. This engaging project helped pupils explore the artistic legacy of the ancient world while strengthening their fine motor skills and attention to detail. It was also a great opportunity to connect history with art, bringing the past to life in a tangible and enjoyable way. The classroom was full of focus, excitement and pride as each unique creation took shape, a true celebration of learning through making masterpieces.

Year 5 Shine at the BSE House Games

Year 5 had an exciting and action-packed day at the BSE House Games, where pupils enthusiastically took part in a range of athletic challenges and team-based activities. From relay races and obstacle courses to ball games and cooperative team tasks, the children demonstrated outstanding effort, resilience and school spirit. Each event brought opportunities for pupils to support their teammates, cheer for their houses and showcase their individual talents.

The atmosphere was full of energy and positivity, with pupils embracing the friendly competition and celebrating each other's successes, regardless of the outcome. Staff were especially proud of the way Year 5 conducted themselves with fairness, encouragement and determination shining through in every activity. A huge congratulations goes to Balmoral House, who emerged as the overall winners after a fantastic performance across all events.

It was a brilliant day that not only promoted physical activity but also strengthened friendships and house pride. Well done to all involved for making it such a memorable occasion!

News from Year 5

KS2 Ramadan Iftar Celebration

Our KS2 Ramadan Iftar was a truly special evening filled with joy, unity and reflection. Year 5 pupils joined their peers and teachers to break fast and mark this important time of year. Held on the senior school football pitch, the event featured a mesmerising Tannoura show and exciting team-building games that brought everyone together in laughter and fun. The atmosphere was warm and lively, and the delicious food brought smiles all around. From heartfelt conversations to the spirit of togetherness, it was an unforgettable experience that showcased the strength of our school community. A huge thank you to all staff who supported the event and the organisers who helped make it such a success! Pupils enjoyed sharing what Ramadan means to them and many proudly took part in helping to host. It was a perfect example of the values we share and celebrate throughout the year.

Year 5's Time-Travel Adventure to the Citadel!

This was an unforgettable adventure during our trip to the Citadel of Salah El Deen! The moment we stepped through the grand gates, it felt like we were travelling back in time. We explored towering walls, peeked into ancient rooms and even stood where mighty rulers once did. The views of the city from the top were absolutely breathtaking and everyone loved learning more about Old Cairo and the wonders of historic Egypt. A highlight of the day was visiting the Mosque of Muhammad Aly, its grand domes, sparkling chandeliers and peaceful courtyard left us all in awe. We took our shoes off and stepped inside to admire the beautiful architecture and calm atmosphere. It was a day packed with fun and discovery!

News from Year 6

This term was a busy and enriching period filled with a variety of educational activities that supported our children's mental development. In Literacy, students engaged deeply with stories that conveyed important moral lessons, helping them understand values and ethical principles through reading and discussion. They explored different narratives, analysing the morals behind each story to enhance their comprehension and critical thinking skills.

In their work on Mathematics, students focused on the complexities of currency exchange and devaluation, examining how changes in currency value can impact purchasing power. This practical and real-world topic encouraged them to understand economic concepts and develop their analytical skills as they explored the effects of inflation and devaluation on everyday transactions.

The topic on crime and punishment provided students with a historical perspective on laws and their evolution over time. They learned about various legal systems across different eras, gaining insight into how laws have been applied throughout history. The students explored the reasons behind these laws and their societal impacts, recognising how some laws from the past continue to influence modern legal frameworks and societal norms today.

In Science, the children delved into the study of electric circuits. They experimented with constructing different types of circuits to understand how they work, exploring ways to improve electric current flow. This hands-on approach helped them grasp fundamental concepts about electricity, circuit design, and the factors that can enhance or hinder electrical efficiency. They also learned about how to troubleshoot and optimise circuits, fostering problem-solving skills and a deeper understanding of scientific principles.

Overall, this term was packed with engaging activities that not only expanded the children's knowledge across various subjects but also promoted critical thinking, practical understanding, and moral awareness. The combination of literacy, mathematics, history, and science provided a well-rounded educational experience, nurturing their intellectual growth and curiosity about the world around them.

Balaclava

Our students collaborated in groups to reimagine a story they studied during their fiction unit titled "Fantastic, Funny, and Frightening." The activity involved rewriting the original story by altering certain events, enhancing the conflict, and developing both the problem and the resolution in a more engaging way. This process encouraged them to creatively expand the story's elements and add new twists that made the narrative more exciting and captivating. Additionally, they worked on crafting a fresh moral or lesson that fit their revised version, fostering critical thinking about the story's underlying message.

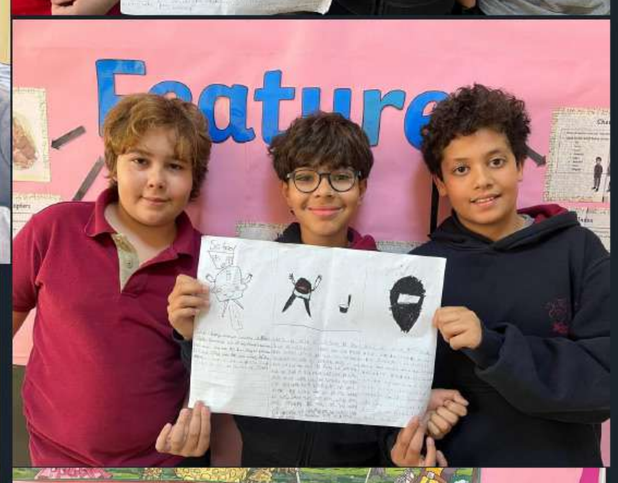

This exercise also provided an excellent opportunity for students to improve their descriptive writing skills. As they revised their stories, they focused on creating vivid and detailed images of the setting and characters. This emphasis on imagery helped them learn how to paint clearer pictures with words, making their stories more immersive for readers. By experimenting with descriptive language, they enhanced their ability to evoke emotions and build strong mental images. Overall, this activity not only strengthened their storytelling and rewriting skills but also deepened their understanding of how vivid descriptions and well-developed characters can make a story more engaging and meaningful. It was a valuable experience that encouraged creativity, critical thinking, and the development of their imagery skills, all while allowing them to put their unique spin on familiar tales.

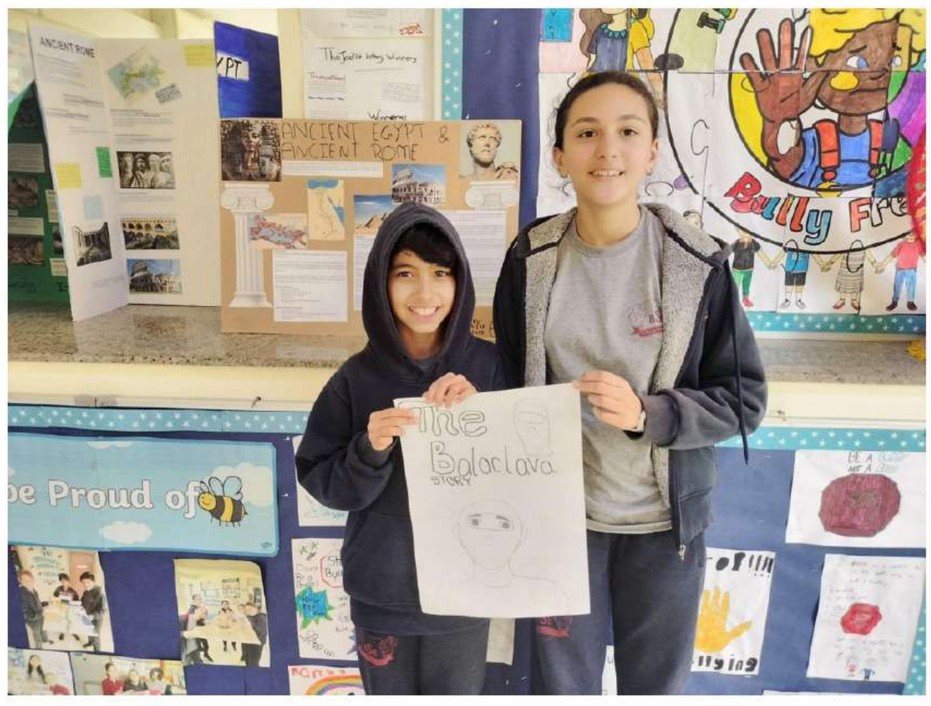

Learning in Focus

News from Year 6

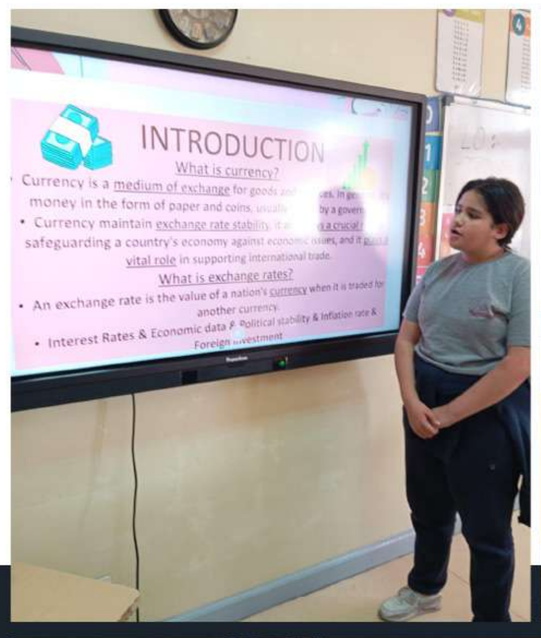

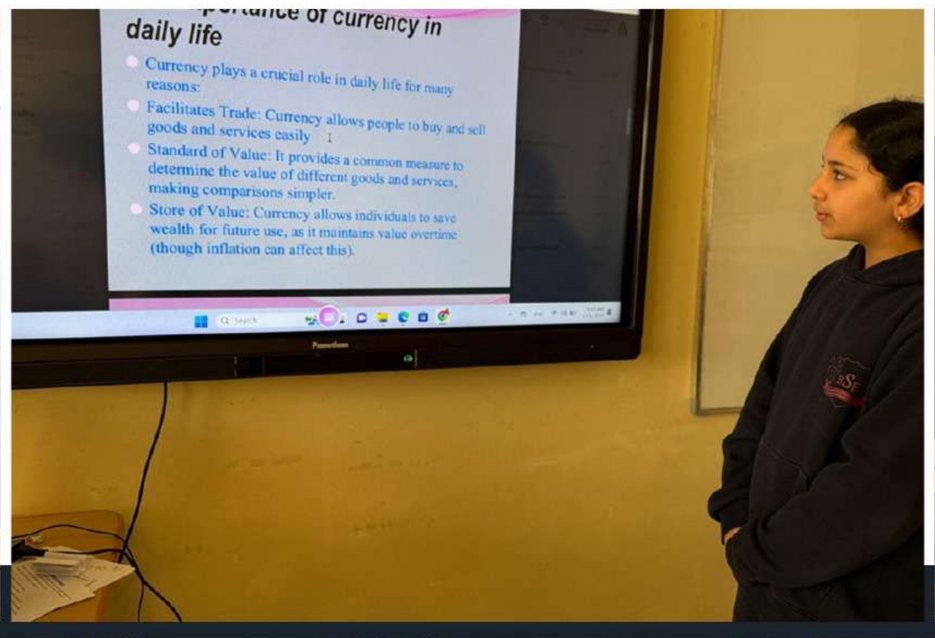

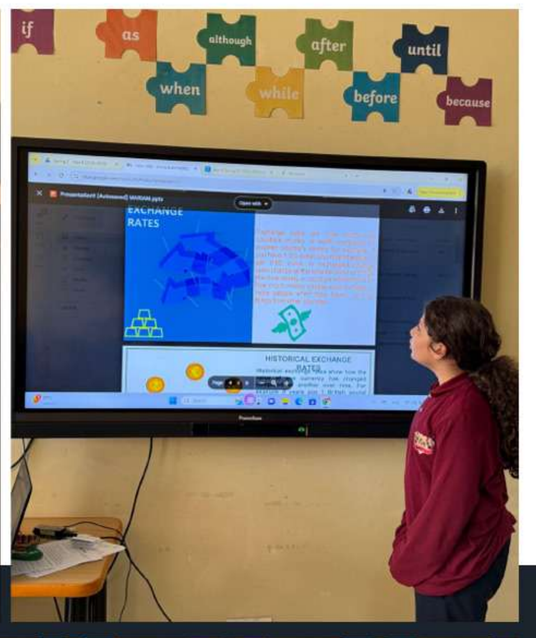

Currency Exchange

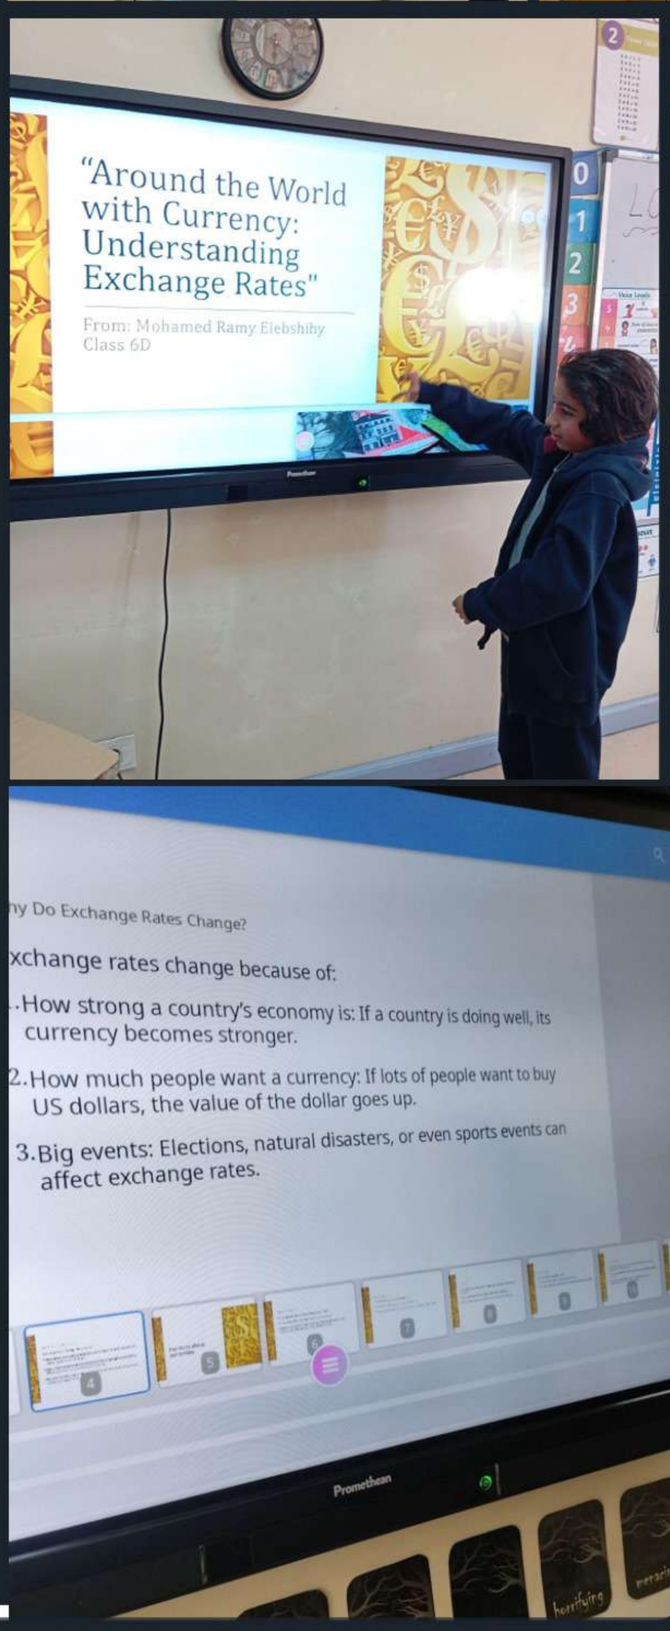

Our mathematicians dedicated their efforts to exploring various aspects of currencies and their influence on global economies. They conducted extensive research into the fluctuating values of different currencies, examining how these changes can impact national financial stability. By analysing historical data and economic models, they gained insights into how currency values affect the purchasing power of individuals and businesses within different countries. Their studies highlighted the significance of currency strength in determining the affordability of goods and services, thus influencing the overall standard of living.

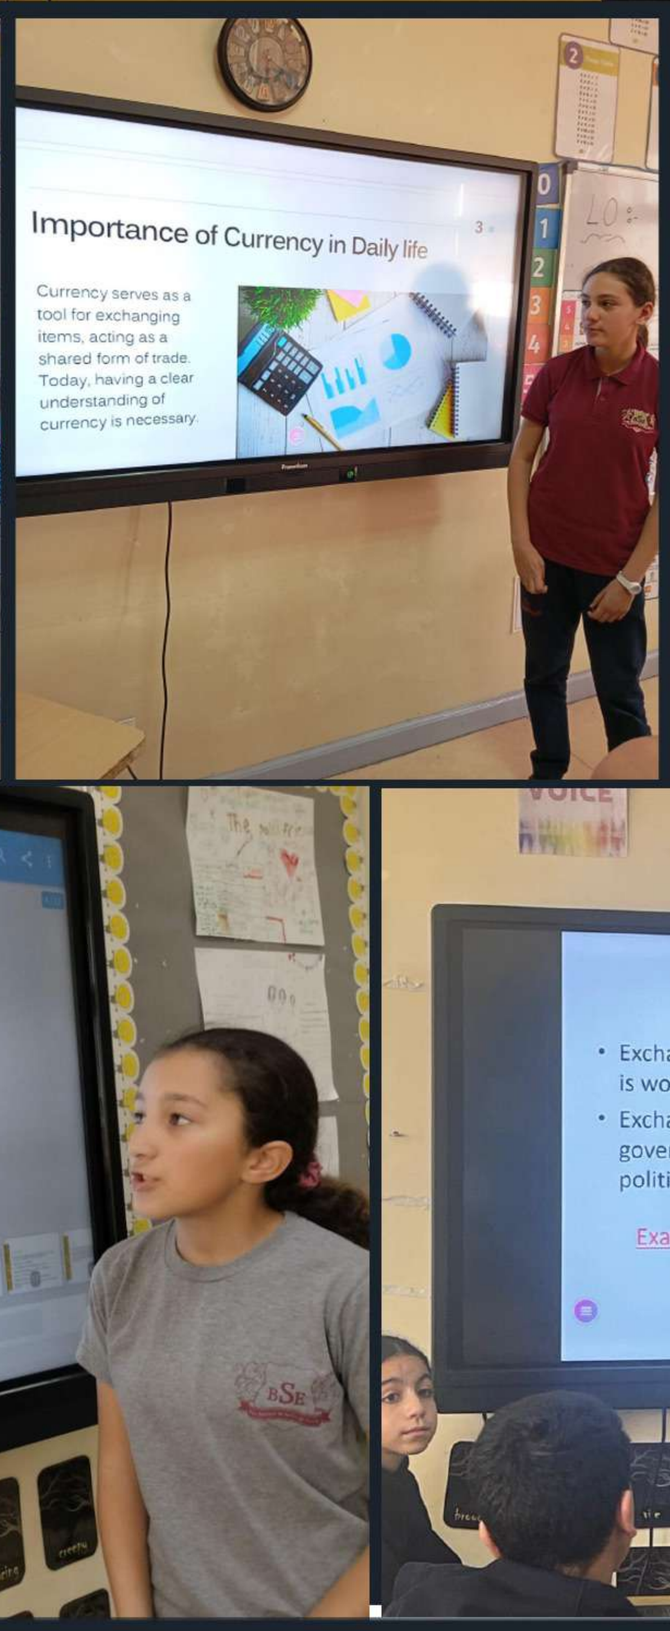

Furthermore, they delved into the consequences of currency devaluation, understanding how deliberate or unintended reductions in a currency's value can impact economic growth, inflation rates, and international trade. They explored scenarios where devaluation might stimulate exports but also examine potential downsides such as increased inflation and decreased consumer confidence.

News from Year 6

Learning in Focus

Crime and Punishment

During this term, our students delved into the history of crime and punishment, exploring how methods and laws have evolved over various eras. They studied different periods in history, gaining insight into how societies addressed criminal behaviour and the development of justice systems. A key focus was understanding that some laws from the past still influence our legal practices today. As part of their learning, the children participated in an engaging activity where they learned to use fingerprint analysis as a tool for identifying suspects. They discovered how unique fingerprint patterns can serve as reliable evidence in solving crimes. The children practised collecting fingerprint samples, analysing the different ridge patterns, and comparing them to identify potential matches. This hands-on activity helped them understand the scientific principles behind fingerprinting and its importance in modern forensic investigations. Overall, the children gained a comprehensive understanding of the progression of crime and punishment throughout history, as well as practical skills in forensic analysis. The experience highlighted the enduring relevance of certain laws and investigative techniques, fostering their curiosity about the criminal justice system and the role of science in solving crimes.

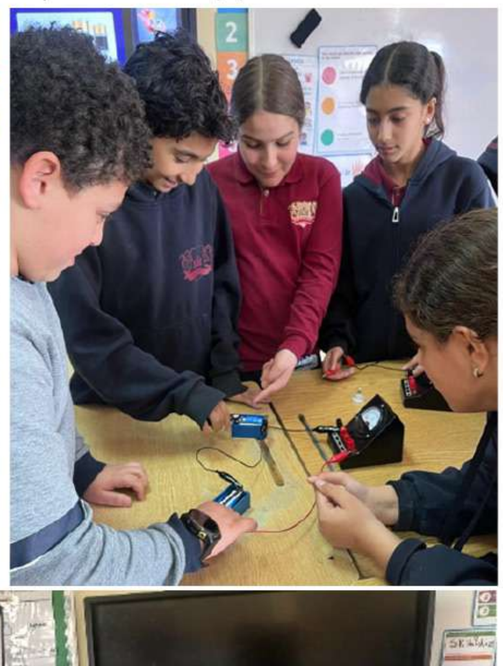

Electric Circuit

Our scientists studied the fundamentals of electric circuits, exploring various configurations to understand under which circumstances a bulb would turn on or remain off. They examined different setups, such as simple series and parallel connections, to see how the flow of electricity affects the illumination of the bulb. Through these experiments, they gained insights into how circuit components interact and what conditions are necessary for a bulb to light up. Additionally, they learned about the voltmeter, a vital instrument used to measure the electrical potential difference across components in a circuit. By using the voltmeter, they could accurately determine the voltage across the bulb or other parts of the circuit, helping them understand how voltage influences current flow and brightness. Their investigations provided a clearer picture of how electrical circuits operate and the importance of proper connections for the safe and effective functioning of electrical devices. Overall, their research enhanced their understanding of electrical principles, including the behaviour of circuits in different scenarios and the role of measurement tools like the voltmeter in analysing electrical systems. This knowledge is essential for designing and troubleshooting electrical circuits in practical applications.

News from Year 6

Sokhna Trip

The Year 6 trip was an exciting and enjoyable experience filled with a variety of fun activities. Participants had the opportunity to dance freely, showcasing their moves and enjoying the rhythm together. There were also lively competitions that brought out everyone's competitive spirit and teamwork, making the day even more thrilling. Prizes were awarded to those who excelled in different events, adding an element of excitement and motivation for all involved. Additionally, students took part in swimming sessions, allowing them to cool off and have fun in the water. The highlight of the trip was the colorful fights, where everyone eagerly joined in, throwing vibrant powders and splashes, creating a lively and memorable atmosphere. Overall, the trip was a fantastic mix of entertainment and camaraderie, leaving everyone with great memories.

News from the Art Department

Welcome To Summer term newsletter!
Ks 1 Art:

Year 1

This term in Year 1, our young artists have been on a fantastic journey of creative exploration in their art lessons! Our art lessons have been a vibrant journey of discovery, focusing on key elements like pattern, colour, and texture.
We began the term with a heartwarming exploration of patterns and colour! Inspired by Valentine's Day, the children designed and created their own Patterned Hearts. They discovered how repeating simple elements can lead to captivating designs and experimented with a vibrant array of colours. It was a wonderful way to understand repetition and express their individual creativity.

Year 2

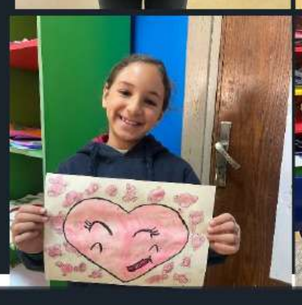

This term in Year 2, our young artists have embarked on a vibrant and exciting journey through a variety of artistic techniques and inspirations! We've explored texture, colour, and form, allowing their creativity to flourish in wonderful ways.

We started the term with a touch of elegance, drawing inspiration from the stunning work of Louis Comfort Tiffany. For a special Valentine's project, the children created their own Tiffany-Inspired "Stained Glass" Hearts. They experimented with layering colours and using a range of materials like textured paints, tissue paper, and glitter to mimic the look and feel of textured glass. The black outlines they added truly brought their vibrant heart designs to life!

Year 3

This term in Year 3 has been a vibrant exploration of diverse artistic styles and techniques! Our young artists have embraced new ways of seeing and creating, resulting in a wonderful collection of imaginative artwork.

We began the term with an energetic dive into the world of Yayoi Kusama! Inspired by her iconic polka dots, the children created Kusama-Inspired Hearts for Valentine's Day. They experimented with the power of the dot, using different sizes, colours, and arrangements to express emotions and create visually captivating heart designs.

Learning in Focus

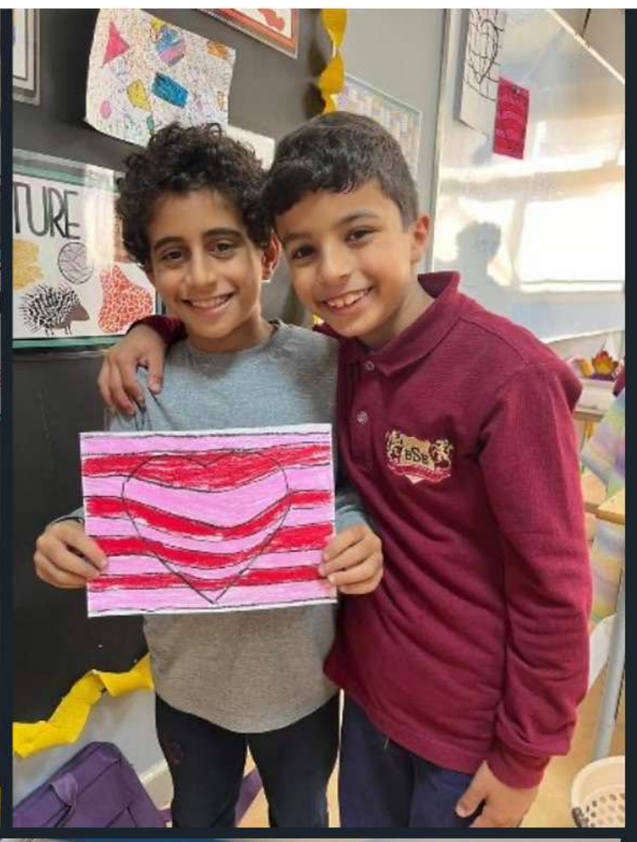

News from the Art Department

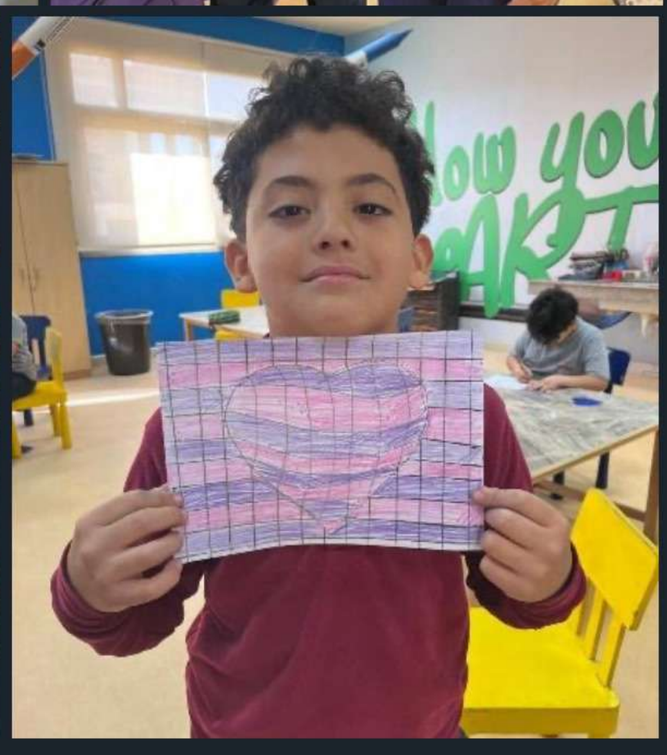

Year 4

This term in Year 4 has been a fascinating exploration of artistic techniques and visual concepts! Our young artists have delved into the world of illusions, patterns, and personal expression, creating a diverse and engaging collection of artwork.

We began the term with a mind-bending exploration of optical art! For a special Valentine's project, the children created Optical Hearts that seemed to pop off the page. They learned how carefully placed geometric patterns and contrasting colours can trick our eyes into seeing the illusion of three dimensions. The results were a dynamic and visually engaging array of heart artworks!

ASA Year 3&4

Our After School Art Club has been a vibrant explosion of creativity this week, as our talented Year 3 and 4 students brought flowers to life in a truly unique way! We explored the art of creating dimension and movement in our artwork, resulting in stunning billowing flower creations.

The challenge was to make our flowers appear to leap off the page, and the students rose to the occasion with incredible ingenuity! They experimented with a variety of techniques to achieve this 3D effect.

Learning in Focus

News from the Art Department

Learning in Focus

Art Week

During this term, our KS1 students enjoyed a colourful and creative Art Week, centered around the theme “Flowers in Bloom.” The children were excited to design and decorate their very own flower-themed coasters, using a variety of materials including paints, pastels, and natural textures.

This hands-on project gave the children the opportunity to explore colour mixing and blending, experiment with patterns and textures, and express their ideas through creative design. It was a wonderful way for them to build confidence and enjoy the artistic process.

Each coaster was unique, and it was lovely to see the pride students took in their work. Many shared stories about their favorite flowers, gardens, and colours, making their creations even more special.

Year 5

This term, Year 5 students had a blast exploring Arabesque patterns and Islamic architecture. They started by sketching beautiful mosque silhouettes and then designed their own repeating patterns. To finish their pieces, they painted dreamy watercolor sunset skies, inspired by the colors of iftar. The results? Absolutely stunning.

During International Week, they took a creative trip to Mexico! They learned how art plays a big role in festivals and made colorful papel picado banners using simple shapes and clever folding and cutting. The classroom looked like a mini fiesta!

And let’s not forget Art Week—they were so excited to draw on wood! Designing spring-themed coasters was something new and totally fun. They couldn't wait to take them home and use them with pride!

Year 6

focused on two rich topics. First, they studied the Hamsa hand—its cultural significance and artistic evolution into a modern symbol. Then, they were introduced to Fauvism, a bold movement led by Henri Matisse. Inspired by The Cat with the Red Fish, they created colorful, expressive works that embraced Fauvism’s wild and emotional style.

International Week: A Celebration of Mexican Culture

During International Week, Year 5 and Year 6 took a creative journey to Mexico. They learned how art plays a vibrant role in Mexican festivals, especially in carnival decoration. Using folding and cutting techniques, they created beautiful Mexican papel picado banners with simple shapes and patterns—a colorful celebration of culture and creativity.

News from the Music Department

KS 1 Music :

For Year 1:
students learned new singing and vocal skills that helped them sing correctly through various songs in preparation for the production.

Year 1 students shined in the production, captivating the audience with their singing and dancing to Moana songs.

Year 2

For Year 2 students learned new singing and vocal skills that helped them sing correctly through various songs in preparation for the production. They enjoyed singing together, fostering teamwork, and explored the meanings of "chorus" and "solo."

Year 2

For Year 2 students learned new singing and vocal skills that helped them sing correctly through various songs in preparation for the production. They enjoyed singing together, fostering teamwork, and explored the meanings of "chorus" and "solo."

News from the Music Department

Learning in Focus

Year 3

During this term, our Year 3 students enjoyed learning new expressions and concepts in music, such as tempo, melody, and harmony. They also practiced playing together in a band, following the same tempo, which encouraged teamwork. Additionally, they learned a new song for International Week and developed their vocal warm-ups and singing skills.

Year 4

Music Activities for Learning
In this term, our focus is on making music learning engaging and enjoyable through a variety of games and activities. Here's a glimpse of what we're doing:

1. Matching the Rhythm
This activity helps students understand different rhythms by matching clapping patterns or using percussion instruments. It enhances their ability to recognize and replicate rhythmic sequences.

2. Training the Musical Ear
We are sharpening our listening skills by identifying different musical notes and instruments. This activity improves our ability to distinguish between pitches and sounds, which is crucial for musical development.

3. Following the Beat
Students practice maintaining a steady beat using drums or other percussion instruments.
This helps in developing a sense of timing and rhythm, which is essential for any musician.

4. Practicing the Song for International Week
We are preparing a special song to be performed during the International Week. This not only helps in learning the nuances of singing but also promotes cultural appreciation and teamwork.
By incorporating these fun and interactive activities, students are able to deepen their understanding of music in a lively and memorable way.

Year 5

Music Activities for Learning
In this term, we are taking our music learning to the next level with exciting new challenges and experiences. Here's what we have planned:

1. Finalizing Songs for the Production
We are practicing and perfecting the songs for our upcoming production. This involves refining our vocal techniques and ensuring each part comes together harmoniously. Students will have the opportunity to take on solo parts, which helps build confidence and stage presence.

2. Experiencing the Recording Process
As part of a new experience, students will explore the world of recording. They will learn how to use microphones effectively, understand the basics of sound engineering, and become comfortable with recording equipment. This hands-on activity provides insight into the technical aspects of music production.

3. Music Games for Fun and Learning
To keep the energy high and learning enjoyable, we will engage in a variety of music games. These games are designed to reinforce musical concepts like rhythm, melody, and harmony while allowing students to express their creativity and have fun. By immersing students in these diverse activities, we aim to enrich their musical journey and foster a deeper appreciation for the art of music.

News from the Music Department

Learning in Focus

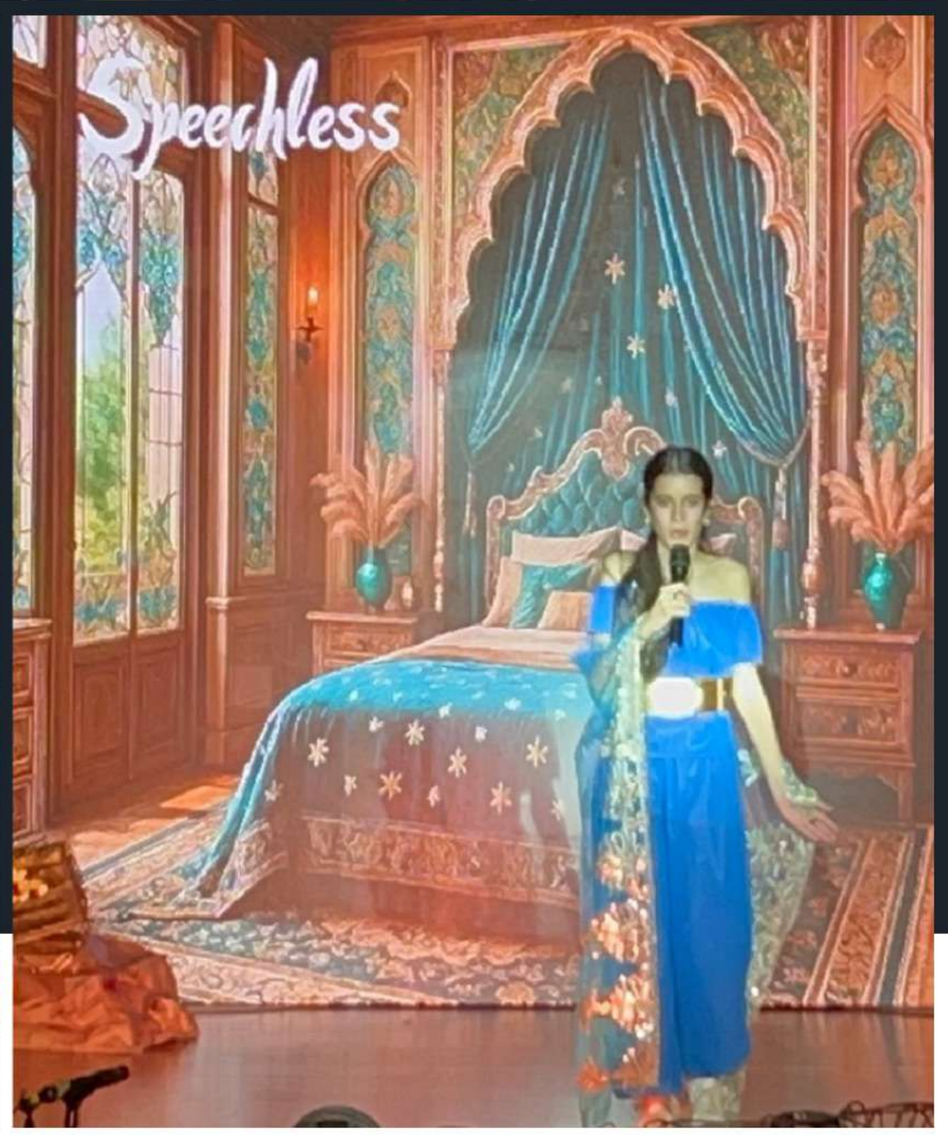

Year 6

Music Activities for Learning

As our students approach the end of their primary school journey, we are focusing on celebrating their achievements and preparing for the exciting transition ahead. This term, our music activities are designed to bring out their creativity, showcase their talents, and ensure they have a memorable experience. Here's what we have planned:

1. Preparing for the Graduation Party

We are busy getting ready for the graduation party, where students will showcase their musical talents. This involves selecting and rehearsing songs that highlight their skills and creativity. The performance will be a culmination of their musical learning and an opportunity to celebrate their hard work.

2. Exploring Hidden Talents

This term, we are dedicated to exploring and nurturing each student's unique musical talents. Whether it's singing, playing an instrument, or composing, students are encouraged to experiment and discover new areas of interest. We provide personalized guidance to help them refine their skills and gain confidence in their abilities.

3. Having Fun with Music Activities and Games

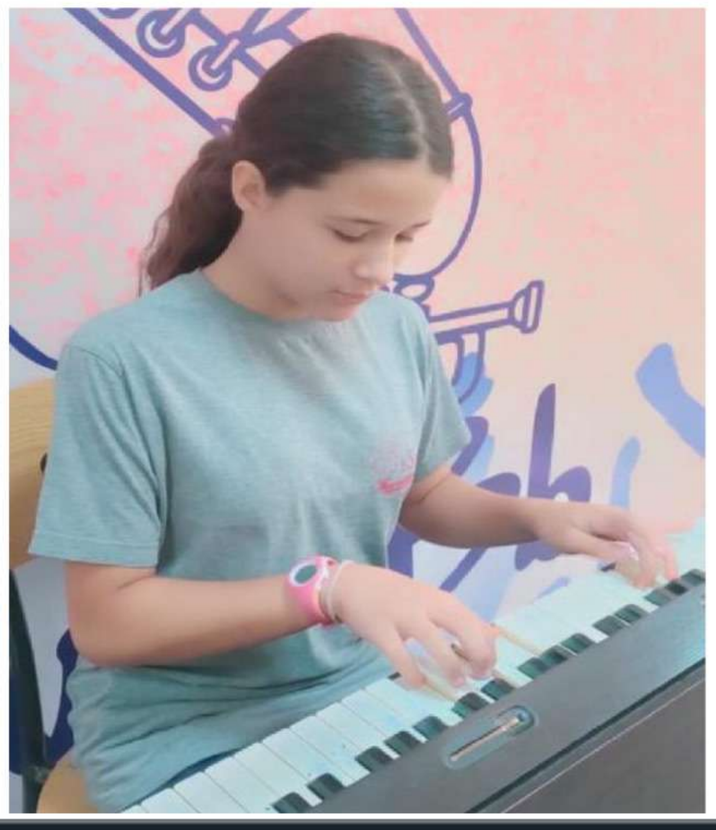

To keep the atmosphere lively and engaging, we incorporate a variety of music activities and games. These activities are designed to reinforce musical concepts while promoting teamwork and creativity. From rhythm challenges to melody creation, students will enjoy learning in a fun and interactive environment.

By focusing on these activities, we aim to provide a fulfilling and enjoyable musical experience that will leave lasting memories as our students prepare to embark on their next adventure.

News from the Music Department

Message from the Drama Department

THE DRAMA NEWS LETTER FOR K STAGE 1, THE SPRING TERM.
Welcome to Our Term 3 Drama Newsletter!

Dear Parents and Guardians,
As the third term draws to a close, I'm thrilled to share the exciting journey our young performers in Years 1, 2, and 3 have taken in their drama sessions. This term has been filled with imagination, expression, and teamwork as we explored storytelling through movement, voice, and character development.

From playful improvisations in Year 1 to creative role-play in Year 2 and early performance skills in Year 3, each group has brought energy and enthusiasm to the drama room. It's been a joy to watch their confidence grow, their ideas flourish, and their collaboration shine.

In this newsletter, you'll find highlights from our sessions, behind-the-scenes moments, and a glimpse of the creative activities that have nurtured not only performance skills but also empathy, communication, and joy.

One of the highlights of our drama sessions this term has been creating characters and imagining exciting situations together. Through guided improvisation and role-play, students were encouraged to invent their own characters, explore how they might behave in different scenarios, and respond to unexpected challenges. These activities have been incredibly valuable in developing their imagination, encouraging quick thinking, and promoting creative problem-solving. Most importantly, they learned the power of working together—building stories as a team, listening to each other's ideas, and supporting one another on stage. Here are some photos capturing these beautiful moments—I truly enjoyed recording the joy, focus, and creativity that filled the room.

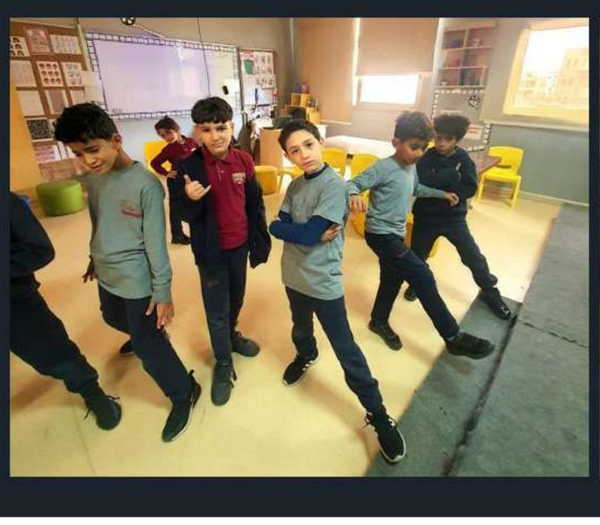

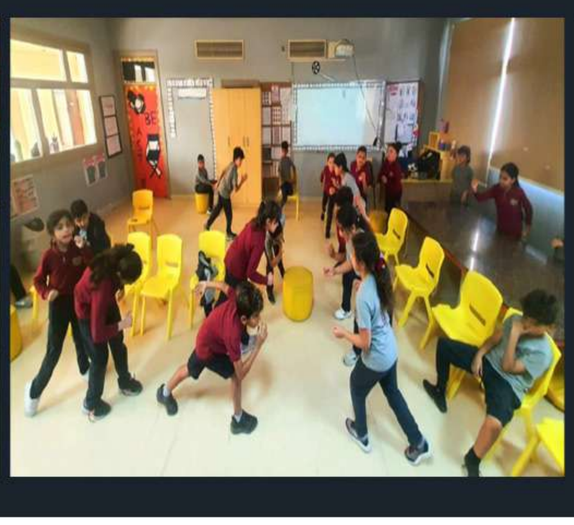

Throughout this term, our drama sessions have focused on exploring how environment—the "where"—influences performance and character choices. Across several lessons, students drew slips of paper with different settings such as a jungle, a classroom, a space station, or a birthday party, and used these environments to inspire their acting. As the sessions progressed, we added a fun and imaginative challenge: students were asked to act as if they already had the props with them—miming objects and responding to invisible surroundings. This encouraged them to rely even more on body language, facial expressions, and creative thinking to bring their scenes to life. Simple cues, like a birthday party hat, helped spark ideas, but the magic came from their ability to create entire worlds using only their imagination. These activities not only sharpened improvisation and problem-solving skills but also strengthened teamwork and confidence. Below, you'll find some joyful snapshots capturing the energy, focus, and creativity that filled our drama space!

News from the Drama Department

This term, I also introduced students to the skeleton of scriptwriting—a structured way to organize their thoughts and bring their stories to life. As a drama teacher, I guided them through the key elements of a script, including setting the scene, identifying the characters, deciding on the location and time, and understanding what is happening and why. Through clear steps and practical tips, students learned how to shape their ideas into a meaningful storyline, with a beginning, middle, and end. We explored how every script needs a purpose and how each character plays a role in moving the story forward. These foundational tools not only helped students with storytelling but also boosted their confidence in performing and collaborating creatively. It was inspiring to watch them turn their imagination into structured, dramatic writing!

It has truly been a delightful and rewarding term working with our beloved students. Each session has been filled with laughter, creativity, and meaningful growth. As drama teachers, we strive not only to nurture performance skills but also to support the development of each child's unique personality. Through engaging activities and collaborative projects, we have worked to channel their energy into experiences that are both enjoyable and enriching. Our goal is always to help students build confidence, improve communication, strengthen empathy, and discover the power of self-expression. We are incredibly proud of their progress this term and look forward to more inspiring moments ahead.
This term has been a vibrant and creative journey for our students in the Drama Department. Through weeks of rehearsals, line memorization, and character building, the students have grown in confidence, communication, and performance skills.

To support the learning process, I designed personalized line cards to help each child feel secure and supported during rehearsals. These simple tools played a vital role in helping them remember lines, understand timing, and stay engaged.

And finally, the big day arrived! I couldn't be prouder of how our young performers took to the stage with confidence, creativity, and heart. Their hard work and dedication truly shone.

It has been an honor to guide and witness their growth this term. Thank you to all who supported our young stars on their theatrical adventure.

News from the Drama Department

Learning in Focus

Year 4

A big focus this term was on understanding how costume choices support storytelling. Whether it was a flowing cloak or a quirky accessory, each costume helped students embody their roles more confidently.

Year 5

Each student showed dedication in developing their stage presence and immersing themselves fully in character, no matter the role.

Voice work was another key focus—students practiced speaking with clarity, confidence, and control so that every line delivered could be easily heard and understood. As their confidence grew, so did their ability to remain in character from start to finish, showing impressive dedication and creativity in every rehearsal.

News from the Drama Department

Year 6

Year 6 had a blast learning dramatic terms through fun and engaging activities. Now they're putting their knowledge into action as they prepare for their unforgettable leavers' assembly.

Message from the French Department

Bonjour chers parents!

Welcome to the French Department Newsletter! ☀️ Summer has arrived, filling our days with sunshine, energy, and creativity! In this edition, discover the latest department updates, student successes, and exciting French projects and activities happening across the Primary School this term. Happy reading, and enjoy the summer spirit! 🌻📚✨

🌟 Our Super Duper Year 1 & 2 Stars! 🌟

Our amazing Year 1 & 2 children had a fantastic time celebrating the holy month of Ramadan! They got creative by designing and colouring their beautiful Ramadan lanterns and even learned how to say "HAPPY RAMADAN" in French – "JOYEUX RAMADAN"! 🎨✨🌙

🌟 Year 1's Fantastic French Adventures! 🌟

Learning New Vocabulary and Presenting Amazing Projects
Our super Year 1 children have been having a great time learning about family members in French! They've been actively engaged in fun and interactive activities on the smart board, identifying and practicing family-related vocabulary. We are so proud to share that they can now confidently name each member of their family in French!

In addition, they have learned to ask "Qui est-ce?" (meaning "Who is it?") and answer it with confidence by saying "C'est mon père/ma mère" ("It is my father/my mother," etc.). Their enthusiasm for learning a new language is truly inspiring!
To showcase their learning, the children created wonderful projects by designing and labeling their very own family trees in French. Bravo, Year 1! 👏🌟

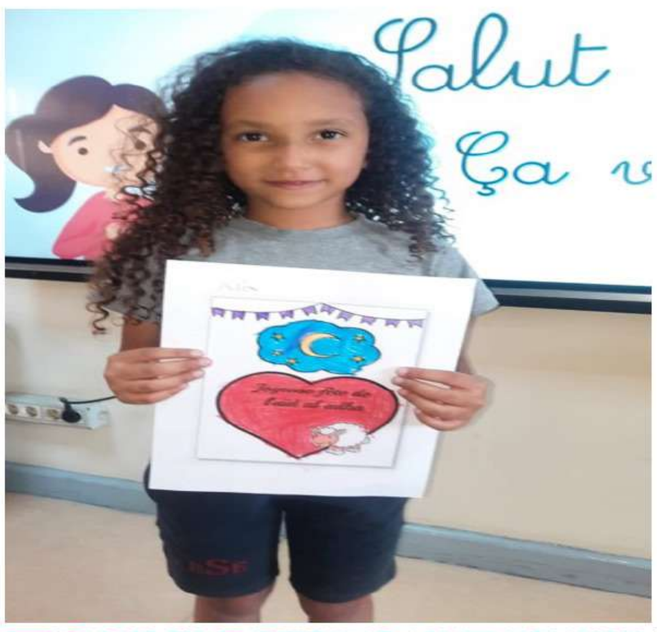

Furthermore, our fantastic Year 1 children have been exploring the wonderful world of French cuisine. They have not only learned to identify and name various canteen foods in French but have also mastered expressing their preferences when it comes to eating and drinking. From stating what they like or don't like to eat, to describing their breakfast choices, our pupils have truly impressed us with their language skills and enthusiasm for learning!

News from the French Department

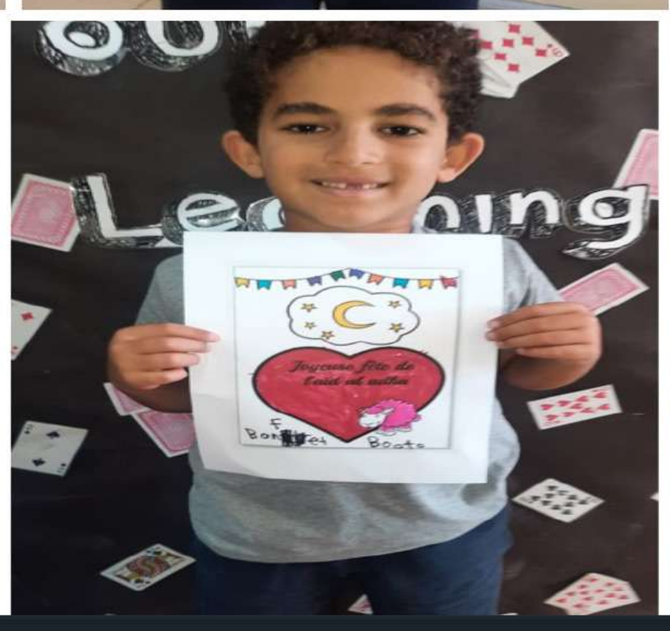

To end the summer term on a joyful note, Year 1 students celebrated Aid El Adha in French class by colouring their own festive greeting cards and learning to say “Joyeuse Aid El Adha” – a cheerful way to wish Happy Eid in French!✨🕌

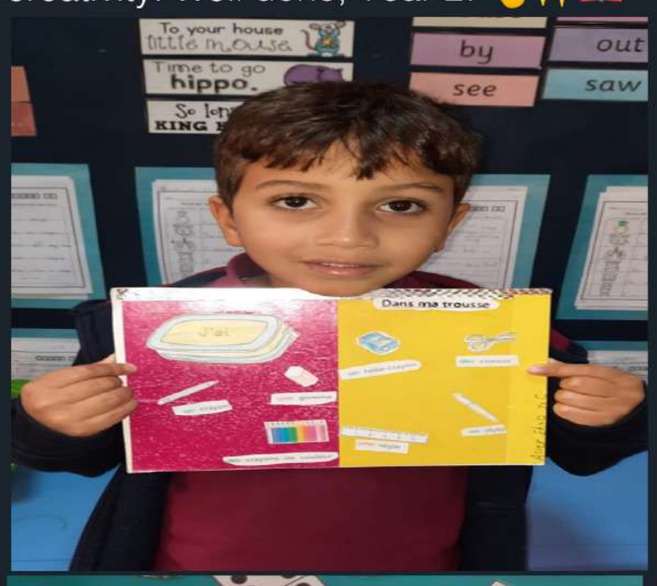

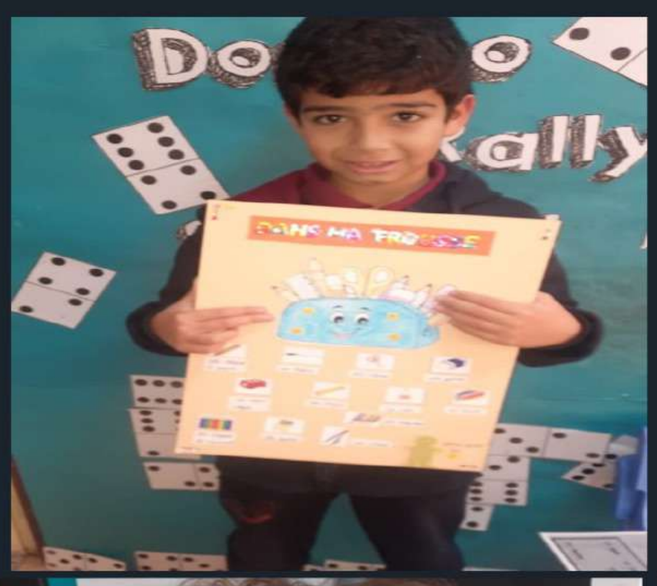

📚✏️ Year 2’s Fantastic French Learning!

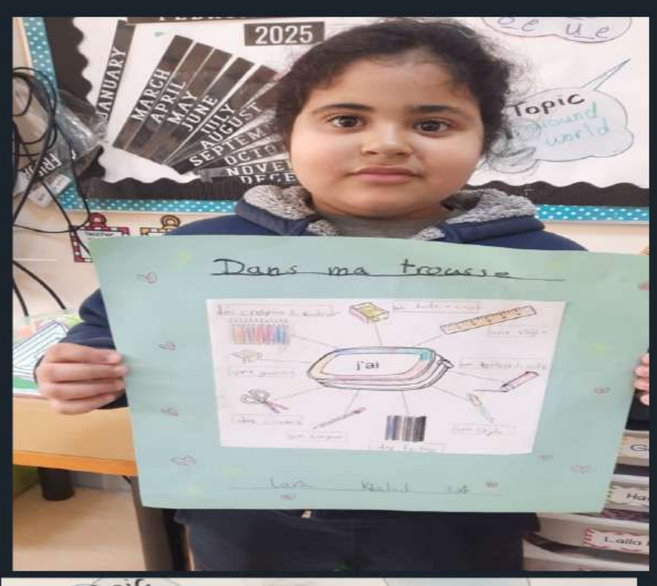

In French class, our amazing Year 2 children have been busy learning all about school supplies! They’ve been practicing their reading and speaking skills by talking about the items they have and don’t have.

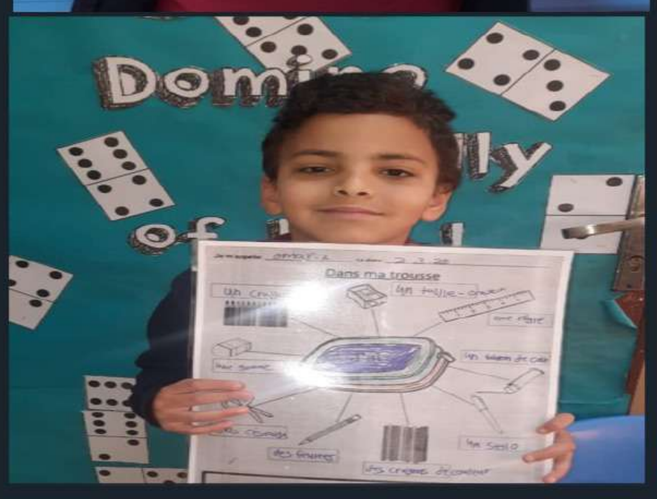

They have also learned how to use the indefinite articles "un – une – des" to identify the gender of each school supply. To showcase their learning, they created wonderful projects, labeling each item in French with great enthusiasm and creativity. Well done, Year 2! 👏✨📖

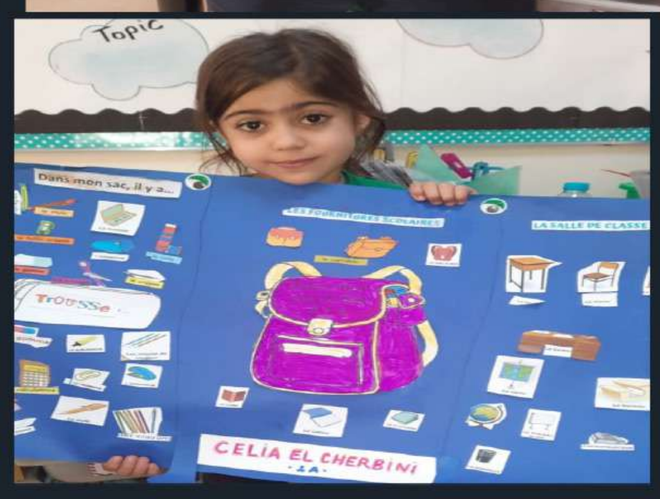

They have also learned how to use the indefinite articles "un – une – des" to identify the gender of each school supply. To showcase their learning, they created wonderful projects, labeling each item in French with great enthusiasm and creativity. Well done, Year 2! 👏✨📖

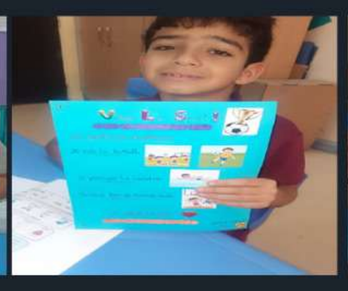

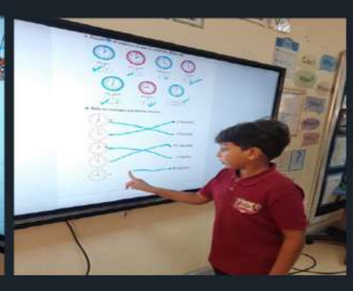

News from the French Department

Furthermore, Learning the French words for sports has been a fun and engaging activity for our year 2 students. They have enjoyed discovering that many words sound or look similar to English. The children have been enthusiastic about discussing different sports in French, sharing their favourite sports, and talking about activities they enjoy doing. They have even completed amazing projects related to sports.

In addition to learning about sports in French, our students have been working hard on telling time accurately. They have also successfully identified and named their school subjects, as well as discussed their timetables.

✨ Eid Celebrations with a French Twist!

Our Year 2 students got into the spirit of Aïd El Adha by creating colourful greeting cards and learning to say “Joyeuse Aïd El Adha!” 🕌 Now they can wish Happy Eid the French way — with big smiles and even bigger creativity!

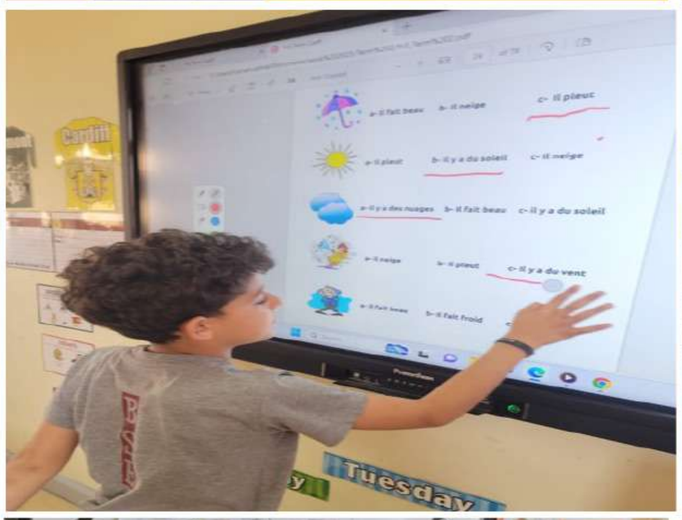

🌦️🌸 Year 3’s Wonderful Weather & Seasons Adventure!

This term, our fantastic Year 3 students have been exploring the four seasons and their corresponding months in French. They have also been busy learning and identifying weather vocabulary, practicing how to respond to the question "Quel temps fait-il?" (What’s the weather like?).

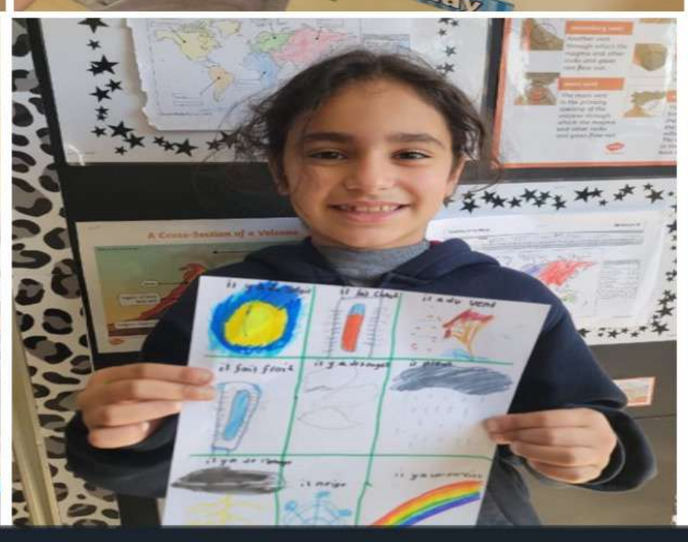

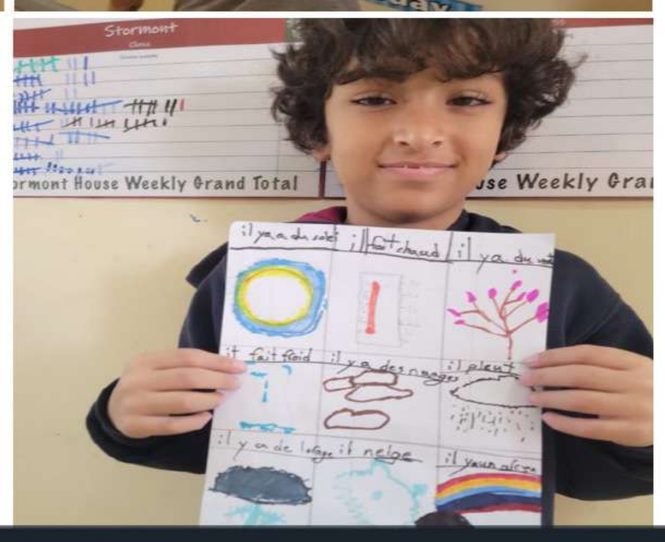

Through a variety of fun and interactive activities on the smart board, they’ve enhanced both their language skills and cultural awareness. To top it off, they impressed us with their amazing projects, creatively showcasing the seasons and their weather conditions in French. Bravo, Year 3! 👏🌍✨

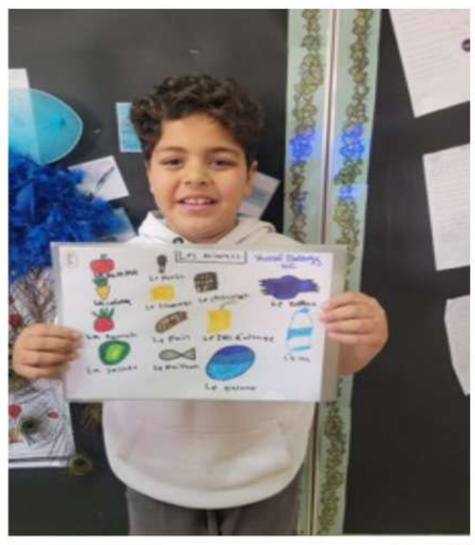

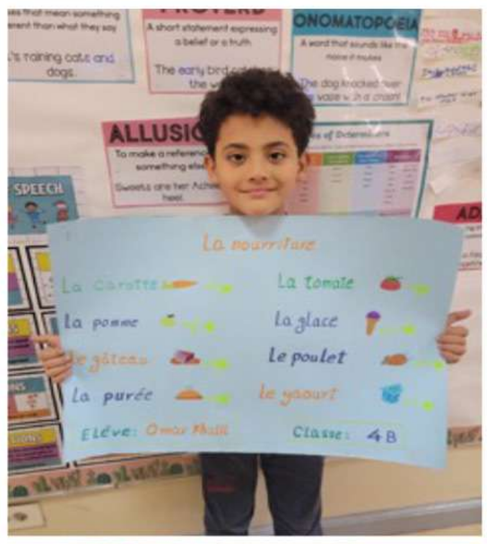

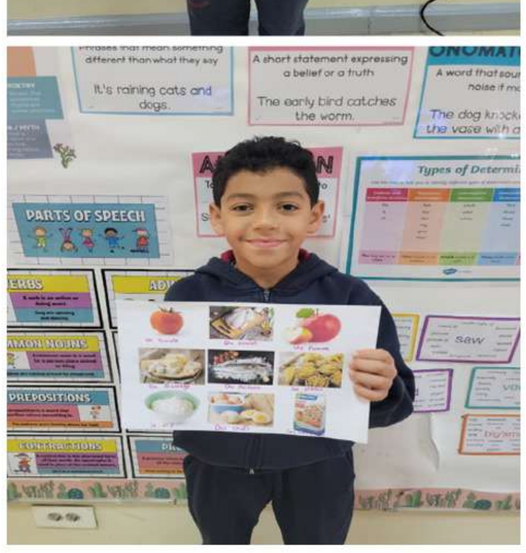

News from the French Department

🍎🥐 Year 4's Tasty French Adventure!

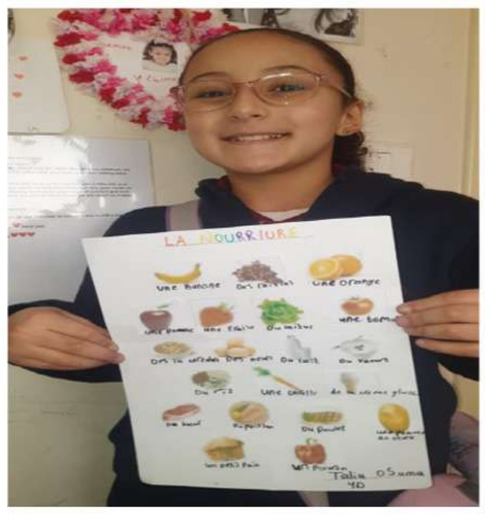

This term, our fantastic Year 4 children have been diving into the world of food in French! They've been learning to identify and name different foods, as well as express their likes and dislikes through fun and interactive activities on the smart board.
To showcase their learning, they created amazing projects, labeling the foods they love and those they're not so keen on – all in French! Their enthusiasm and creativity have truly impressed us. Bravo, Year 4! 👋🍇🥖✨

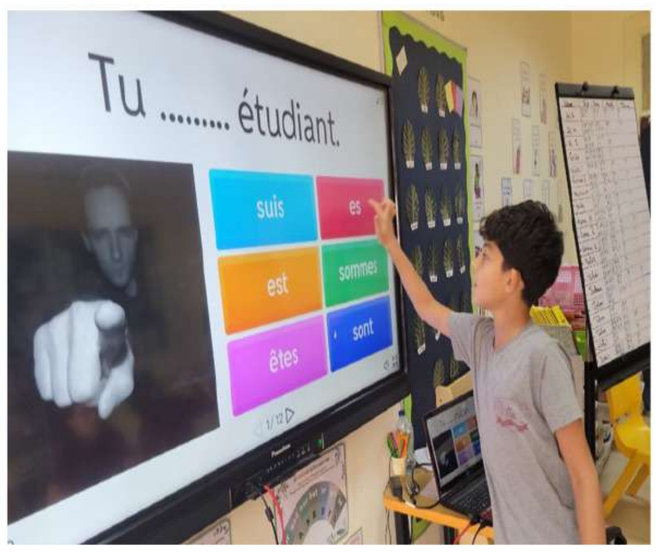

Moreover, they enjoyed learning about the verb "être" (to be) in the present tense and how to use it correctly in sentences. They discovered that "être" can be used with a noun, a nationality, or an adjective – and had fun practising through engaging activities and examples! 📚✨

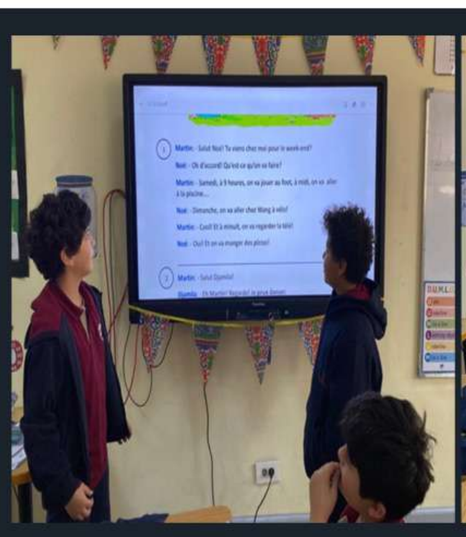

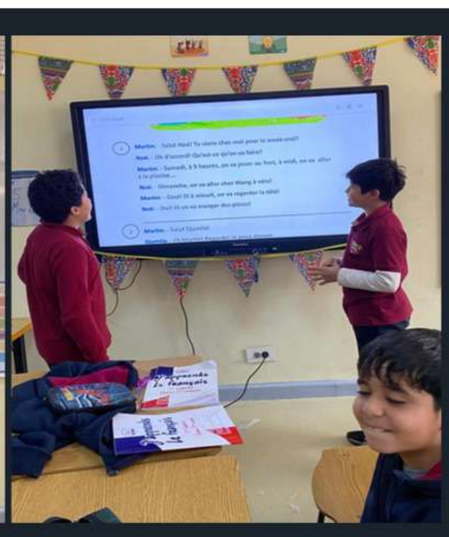

🏅 Year 5's French Adventure: ⚽🏀 Talking About Plans & Sports!

This term, our enthusiastic Year 5 students embarked on their new unit, "Le week-end prochain" (Next Weekend), where they learned how to accept and decline invitations for weekend activities through lively role-plays. They also mastered "Le futur proche" (the near future tense) using aller + infinitive, allowing them to confidently talk about their upcoming plans in French.

⚽ Talking About Sports & Hobbies

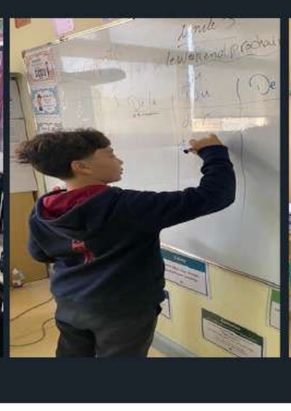

Furthermore, our talented Year 5 students had a fantastic time discussing the sports they enjoy in their free time. They practiced speaking and writing about their favourite sports, sharing details about when and where they play—building both their vocabulary and confidence in French!

Additionally, they learned how to talk about the sports they practice using the grammatical structure "faire de", understanding how to correctly change the preposition "de" to "du," "de la," or "de l'" based on the gender of the sport that follows. This key grammar rule helped refine their sentence-building skills and boosted their confidence in using French accurately.

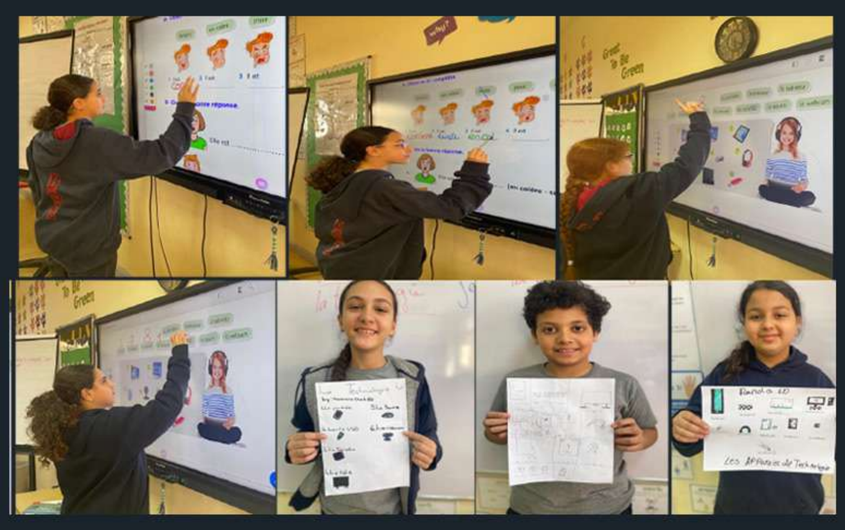

✨ Bravo, Year 5! Your enthusiasm and progress in French are truly inspiring! 👏

News from the French Department

😊🎭 Expressing Emotions & Exploring Technology – Year 6's French Adventure!
Being able to express thoughts and emotions is an important part of communication, and our brilliant Year 6 students have been doing just that—in French!

This term, they have been learning how to describe their moods and feelings, from joy and excitement to sadness and boredom. They were especially enthusiastic about sharing how they feel using new vocabulary and expressions.

🗨️ Mastering Conversations
Year 6 also explored how to ask and answer questions using "Pourquoi?" (Why?) and "Parce que" (Because), strengthening their conversational skills. Additionally, they mastered the present tense of the verbs "Vouloir" (to want) and "Pouvoir" (can) through engaging smartboard activities.

💻 Diving into the World of Technology
Our creative students had a fantastic time discovering the names of different technological devices in French. Through engaging online games and interactive activities, they also practiced describing what they can do with smartphones and computers—bringing language learning to life!

✨ Bravo, Year 6! Your passion for French shines through every step of the way! 👏

📢 Parent-Teacher Conference Highlights – Thursday, 27th February

Our recent Parent-Teacher Conferences were a wonderful opportunity to connect, celebrate student progress, and discuss future learning goals. Teachers and parents engaged in meaningful conversations about each child's achievements and development, fostering a strong partnership in their educational journey.
We appreciate all the parents who attended and contributed to this valuable exchange. Thank you for your continued support in making our students' learning experience even more enriching! 💬📚✨

French Extension Sessions for Gifted & Talented Pupils - Key stage 1 & Key stage 2
This term, our Gifted & Talented pupils in Key Stage 1 and Key Stage 2 took part in exclusive French Extension Sessions, diving deeper into the language through fun and enriching activities. A fantastic opportunity to stretch their skills and explore French beyond the classroom! ✨

We are proud of their enthusiasm and progress, and we look forward to continuing to nurture their talents in future terms.

✨ International Week at BSE | A Celebration of Cultures Through French and Beyond! ✨🌍

From 4th to 8th May, our Primary students came together to celebrate the rich cultural diversity of our school community during International Week 2025. Organised with care and creativity by the French Team since early April, this exciting event involved students from Year 1 to Year 6, each exploring a different country and celebrating what makes our world beautifully diverse.

Across the Primary School, pupils took part in:
🎨 Flag colouring and country-themed art
🕺 Traditional dances and songs
📍 Landmark identification challenges
📚 Cultural research projects in French
🏛️ 3D model creations of iconic monuments using recycled materials
⚽ House-based Football Tournament
🐝 House-based International Spelling Bee
🎭 Themed dress-up, Parade of Nations & the unforgettable International Breakfast Party

On Thursday, 8th May, the school was alive with colour as students and staff wore national colours and shared delicious international breakfast dishes. The Parade of Nations and the heartwarming "Stronger as One" performance by Years 1–6 added a powerful message of unity and respect.

Bravo to our talented students for their enthusiasm, teamwork, and cultural curiosity—and a heartfelt merci to everyone who contributed to making this celebration a truly global success! 🌎💙

Primary School International Week Highlights
🌍 Celebrating Diversity!

The French Department proudly took part in the vibrant Parade of Countries, showcasing the beauty of French-speaking cultures and celebrating the spirit of unity, language, and global citizenship at BSE. Vive la francophonie ! 💙🤍❤️

Learning in Focus

News from the French Department

Learning in Focus

🌍🐝 International Spelling Bee Success!

Our brilliant Key Stage 1 and Key Stage 2 students truly shone during the International House-Based Spelling Bee Competition, impressing us all with their linguistic talents in French, English, and a variety of international languages.

🎉 Congratulations to Balmoral House for securing the win!

To all the other Houses – your hard work, enthusiasm, and team spirit were truly inspiring. We are incredibly proud of every single participant! 💙💛❤️💚

🌟 3D Monuments of the World – Creativity and Sustainability in Action!

🌍🏛️ Our talented students created amazing 3D model projects of iconic monuments from around the world using recycled materials! Each model was accompanied by a short paragraph in French, describing the monument's country, year of construction, and its symbolic meaning. A creative and eco-friendly way to combine language learning, culture, and sustainability!

A French Voyage Begins: Year 6 Transition Week Highlights 🚀
A Confident Start to French in Year 7

As part of Transition Week, our Year 6 students were warmly welcomed into the world of French at the Secondary School. These special sessions gave students a taste of what to expect in Year 7 French through a variety of fun and interactive activities.
From exploring new vocabulary and classroom phrases to practising simple dialogues and role-plays, students were fully immersed in engaging language tasks designed to boost their confidence and curiosity.

It was a wonderful opportunity for them to experience the dynamic learning environment of Secondary French and to get excited about the language journey that awaits them next year! Bravo à tous ! 👏📚

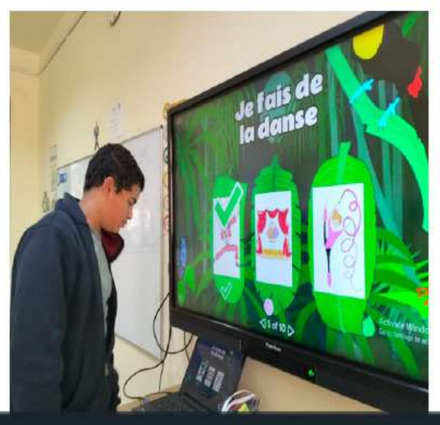

🌸 Secondary School Newsletter – A Season of Growth & Achievement! 🌸

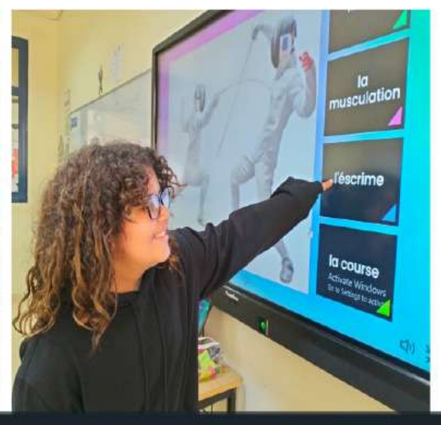

Bonjour chers parents!
As we wrap up a fantastic academic year, this edition celebrates student achievements, engaging projects, and memorable moments from the French classrooms. Thank you for your continued support—enjoy the read and have a wonderful summer!
☀️📚✨

⚽🎨 Year 7's Fantastic French Learning!
This term, our Year 7 students had a fantastic time discussing their favourite hobbies and the sports they play or don't play in their free time. They also learned how to express their opinions about the sports they practice and talked about the activities they enjoy on weekends.
Additionally, they mastered the skill of writing a structured paragraph about what they like or don't like to do, using the correct grammatical structure "Faire du / de la / de l' " + a sports activity.

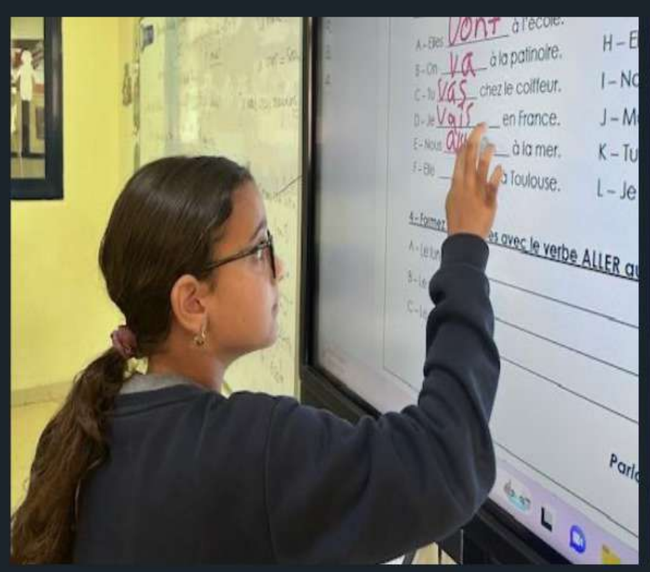

News from the French Department

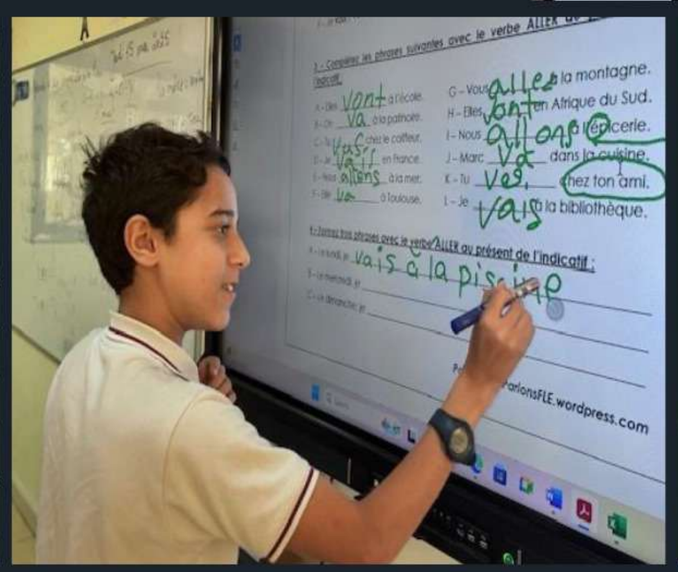

Learning in Focus

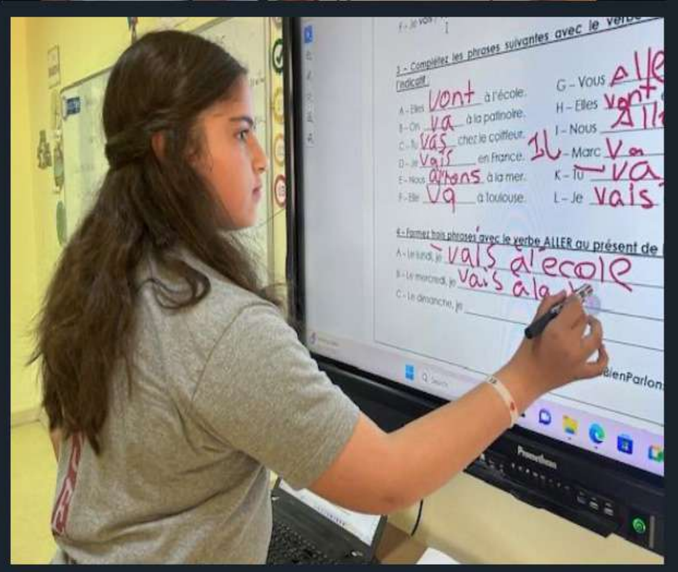

They also learned how to say where they go using the verb aller (to go) in the present tense, combined with les articles contractés (e.g., au parc, à la piscine, à l'école), which helped them expand their vocabulary and build more complex sentences.

We are delighted to see their language skills flourishing and their confidence growing in expressing themselves in French. Their hard work and dedication have truly been commendable. Bravo, Year 7! 👏✨

🎬📺 Year 8's Exciting French Film & TV Journey!

Our brilliant Year 8 students have been having a fantastic time in French class, learning about different types of TV programs and expressing their opinions with confidence. They have been discussing their likes and dislikes and effectively communicating their preferences in French.

Additionally, they explored the world of cinema, learning to name various film genres in French. To showcase their creativity, they amazed us with stunning posters for their very own imaginary films!

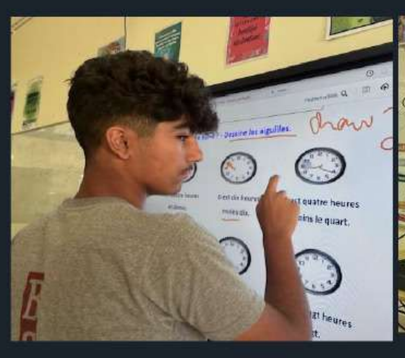

This term, they also learned how to use the futur proche to talk about upcoming plans, how to ask and tell the time in French, and how to organise a meeting or an outing with friends. They successfully identified and named different places in town and learned to use the verb aller in the present tense, along with the correct prepositions (à, au, à la, à l', aux) to say where they go. Their enthusiasm and growing confidence have truly impressed us. Bravo, Year 8! 👏

✨ Year 9's French Journey: Expressing Opinions, Descriptions & Creativity! ✨

This half term, our Year 9 students have been on an exciting journey, expanding their French skills in dynamic and creative ways! They have been discussing their school subjects, exploring the value of languages, and confidently expressing their opinions—both positive and negative—about the subjects they study. This has not only boosted their fluency but also deepened their appreciation for the variety of subjects offered at school.

📝 Mastering Writing Skills

Our students have been refining their writing by crafting well-structured 80-90 word paragraphs describing their school. They have impressed us with their ability to use prepositions of place accurately, demonstrating strong attention to detail and growing confidence in written French.

🏫 Bringing Language to Life

Creativity took center stage as Year 9 produced an incredible 3D model of their school, labeling each area in French! This hands-on project made learning more interactive and helped them visualize vocabulary in a real-world context.

🎭 Describing People with Confidence

From height and appearance to hair and eye colour, students have mastered the art of describing people in French. But they didn't stop there! They have also learned how to describe personality traits, allowing them to talk about their friends, family, and even celebrities with confidence and flair.

News from the French Department

Learning in Focus

With these newfound skills, Year 9 is well on its way to becoming confident and expressive French speakers. Bravo à tous! 👏✨🎉

📢 Parent-Teacher Conference Highlights – Thursday, 27th February

Our recent Parent-Teacher Conferences were a wonderful opportunity to connect, celebrate student progress, and discuss future learning goals. Teachers and parents engaged in meaningful conversations about each child's achievements and development, fostering a strong partnership in their educational journey.

We appreciate all the parents who attended and contributed to this valuable exchange. Thank you for your continued support in making our students' learning experience even more enriching! 💬📚✨

✨ International Week at BSE | A Celebration of Cultures Through French and Beyond! ✨🌍
From 4th to 8th May, our Key Stage 3 students came together to celebrate the rich cultural diversity of our school community during International Week 2025. Organised with care and creativity by the French Team since early April, this exciting event involved students from Year 7 to Year 9, each exploring a different country and celebrating what makes our world beautifully diverse.

Our KS3 students showcased exceptional creativity and global understanding through:

🌐 A thrilling International Quiz

🐝 A trilingual House Spelling Bee (French – English – Other Languages)

🏛️ Eco-friendly 3D model projects during French and Humanities lessons

⚽ Football tournaments representing various countries

🥐 Themed Dress-Up Day & International Breakfast Party

🌍🐝 International Spelling Bee Success!

Our brilliant Key Stage 3 students truly shone during the International House-Based Spelling Bee Competition, showcasing their impressive linguistic talents in French, English, and a range of international languages.

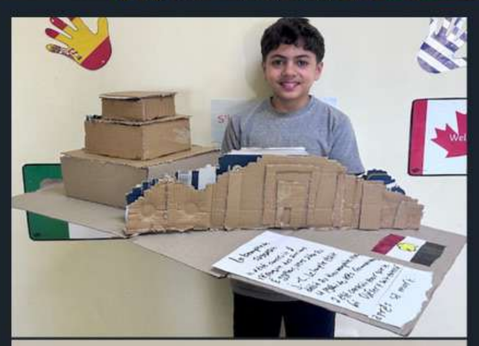

🎉 Congratulations to Balmoral House for securing the win!

To all the other Houses – your dedication, enthusiasm, and team spirit were truly inspiring. We are immensely proud of every single participant! 💙💛❤️💚

🌟 3D Monuments of the World – A Celebration of Creativity and Sustainability!

🌍🏛️ Our talented students crafted incredible 3D models of iconic monuments from around the globe using recycled materials! Each project was paired with a short paragraph in French, highlighting the monument's country, year of construction, and symbolic significance. A brilliant, eco-friendly initiative that beautifully combined language learning, cultural awareness, and sustainability!

News from the French Department

Celebrating Success in KS3 !

We are thrilled to share that the academic progress, hard work, and dedication of our KS3 students have been celebrated in a special recognition event this term. Each student received a certificate to honor their outstanding achievements. Congratulations to all our young learners for their remarkable efforts and commitment to excellence!

📚 Key Stage 4 – Striving for Excellence!

We are incredibly proud of our Key Stage 4 students for their dedication and hard work as they have been preparing for their Spring French Speaking Mock and upcoming End of Year exams.
This term, they have been actively participating in Speaking Practice Sessions to refine their pronunciation and fluency, as well as revision sessions to strengthen their skills in listening, reading, and writing. Their commitment to improving and achieving their best is truly inspiring.
We celebrate their resilience, determination, and positive attitudes, which make our school community proud. Keep up the great work, and best of luck in your exams! 🌟📖👏

🌟 Merci et à bientôt ! 🌟

As we bring this academic year to a close, we celebrate the remarkable progress, creativity, and enthusiasm our students have demonstrated on their French learning journey. From lively discussions and innovative projects to impressive writing and speaking achievements, their dedication has truly stood out.
A heartfelt thank you to our incredible students for their hard work, and to our passionate French teachers for their unwavering commitment to inspiring a love of language and culture.

Wishing everyone a restful, joyful summer break. Stay curious, keep practicing, and remember—"Une nouvelle langue, c'est une nouvelle vie !" ✨

À très bientôt pour de nouvelles aventures linguistiques !
The French Team

Merci Beaucoup

News from the PE Department

Sports Day Results!

Our annual Sports Days took place in February and showed a fantastic display of energy, teamwork, and school spirit! Students gave their all in every race, game, and event, showing great sportsmanship and determination. From the opening parades to the final trophy ceremonies, each day was filled with excitement, cheering, and unforgettable moments. Parents were invited to join in with the students in all the games and activities that took place, with all the participants putting in a monumental effort to win points for their Houses.

We'd like to thank the Class Teachers, House Captains, Dancers, our Dance Coach - Ms Shaimaa, our Dj's - Mr Ahmed and Ms Heba, our Drummers, Student Helpers, the Maintenance Staff, all the Parents who participated and supported, and finally our wonderful BSE Students who were all superstars on the day! We're already looking forward to another amazing event in 2026!

YEAR GROUP	WINNERS
Pre-F & F1	Cardiff
F2	Cardiff
Year 1	Balmoral
Year 2	Cardiff
Year 3	Cardiff
Year 4	Balmoral
Year 5	Balmoral
Year 6	Balmoral
Year 7	Stormont
Year 8	Balmoral

The winners for each Year Group are shown in the table.

BSE Football Camp

Over 30 students signed up for the Inaugural BSE Football Camp in Hurghada this year. Students and PE Staff made the trip to the Red Sea for 4 nights and 3 days of dedicated football coaching, with plenty of time for some fun-filled activities in between.

The Football Camp was led by the BSE PE department and included coaches from the Academy at Senzo Club & Stadium in Hurghada. The primary focus was of course on football - this involved training sessions, skill development and game improvement - plus the opportunity to play evening matches against the local Senzo Academy teams.

The students also got to spend their spare time relaxing at the hotel pool and participating in team bonding activities with all their peers.

Overall, it was a fantastic trip for all the students who took the opportunity to sign up. We hope to see many more new faces there next year!

News from the PE Department

Tournaments & Fixtures

The past few months have kept our Sports Calendar bustling with activity, as students eagerly competed in a variety of tournaments across different sports, including football, basketball, swimming and tennis. Our athletes have demonstrated incredible dedication, skill, and teamwork this year, and all their hard work and enthusiasm have truly made this season one to remember!

Junior NBA Tournament

BSE were delighted to receive an invitation to participate in the Junior NBA Basketball Tournament in Cairo. This prestigious 'invite only' event is an indication of how much progress our school and sports teams have made over the past few years and we were honoured to accept by entering both boys and girls teams into the tournament. The boys team won 1st place in the Cairo West Section, and 2nd place in the West v East Final. An amazing achievement for all the players! Congratulations to all and a special mention to our talented Basketball Coaches - Coach Mahmoud and Coach Salma. Go Bears!

CISSA U14 Boys & Girls Football

Our U14 boys and girls football teams made the short journey over to BISC to compete in the CISSA Football Tournament last month. All the players performed admirably on the day with both the boys and girls teams finishing a respectable 4th place. Big thank you to Coaches Bebo, Ahmed and Zizo for accompanying and coaching the students for the event.

BSME U11 Girls Football

The BSME U11 Girls Football Tournament was hosted by BISC this year and it was certainly a tournament to remember for our students. Eight schools from across the East and West of Cairo took part, with BSE being drawn in Group A alongside BISM, BISC and TBS. The girls played magnificently to win all 3 of their group games 3-0, 5-0 and 2-1 to qualify for the semi final against EBIS. They then played fantastically to win 4-0 in the semi final to progress to the final against El Alsson. The final was a tense affair with both teams failing to score in normal time and extra time which resulted in the game going to a penalty shootout. Unfortunately, BSE lost 3-2 in the penalty shootout but still finished bravely in 2nd place. An amazing effort by all our BSE U11 Girls on the day, and a special thanks to Coach Gary & Coach Sherif for accompanying and coaching the players on the day.

Learning in Focus

CISSA U16 Boys & Girls Basketball

El Alsson were the hosts for this year's CISSA U16 Basketball tournament. BSE had to take a young squad to this year's event due to many of our regular U16 players being unavailable. Despite their youth, both the boys and girls teams competed admirably on the day against their much older counterparts and managed to gain some valuable experience playing against some tough opponents.

CISSA U10/12 Girls Football

BSE proudly hosted the CISSA U10/12 Girls Football Tournament at the state-of-the-art ZED FC Sports Club, bringing together young athletes from schools across the West of Cairo for a spirited day of competition. The event showcased impressive skill and teamwork from all participating teams, with players demonstrating passion, sportsmanship, and dedication on the field. Both BSE's girls teams performed fantastically on the day - a very young U12 team secured 4th place against their older competitors while our U10 girls finished an impressive 2nd place despite playing some tough opponents along the the way. A big thank you to ZED Sports Club for hosting us and also a big thank you to all the parents and students who came along to support our players. Congratulations to all the girls who took part, as well as Coach Gary & Coach Mohamed for training and coaching the teams.

News from the PE Department

CISSA U10/12 Boys Football

On the same day as BSE were hosting the U10/12 Girls Football Tournament at ZED Sports Club, our U10/12 Boys were also competing in the CISSA Football Tournament at BISC. Big thank you to Coach Sherif, Coach Ahmed and Coach Mostafa for accompanying and coaching the boys on the day. It was another event filled with skill, technique and passion, with both boys teams giving their all in every match and earning hard fought 4th place positions in their respective groups. Big congratulations to all the players and a special thank you to all the parents who came along to support the teams.

CISSA U14 Girls Basketball

AIS-West were the hosts of this year's CISSA U14 Girls Basketball Tournament which was held in May. It was a day to remember for the BSE girls as they triumphed spectacularly, winning 1st place! Competing fiercely against strong opponents like BISC and El Alsson, BSE's girls showcased exceptional skill, teamwork, and determination throughout the tournament. Their hard work and dedication paid off as they dominated all their matches on the court, earning well-deserved recognition as champions! Congratulations to all the players for this magnificent achievement and another big thank you to our Basketball Coaches - Coach Salma & Coach Mahmoud.

Tennis Exhibition Invitational

BSE's Year 3 students were delighted to be invited to participate in a special tennis exhibition hosted by Ethos International School, offering a unique opportunity to develop their skills and engage with young players from other schools. The day featured expert-led training sessions delivered by elite tennis coaches from across Egypt, who provided valuable tips and encouragement to help the students improve their technique and confidence. In addition to the coaching, the students enjoyed some friendly matches against students from other schools to help promote teamwork and sportsmanship. It was an enriching experience for all the students involved and BSE hopes to be invited to many more Tennis related events in the future. Big thank you to Coach Ahmed & Coach Zizo for accompanying the students on the day.

Cairo Swim League

BSE were invited to compete in the second Cairo Swim League event of the year, following a dominant performance in the first meet, where the team secured a convincing victory. This latest event saw strong participation from BSE's U11, U13, U15, and U17 teams, all of whom demonstrated exceptional skill, determination, and team spirit across a range of challenging races. Our talented swimmers once again put on a strong performance, building on their previous success and aiming to maintain their leading position in the league. We now must wait patiently on BISC, the host school for the announcement of the final results, but are extremely confident that the Sharks will come out on top once again! Massive thank you to all our dedicated swimming coaches - Coach Mostafa, Coach Baher, Coach Karim, Coach Randa, Coach Zizo, Coach Abdelrahman and Coach Mohamed.

News from the SEN Department

As we wrap up another wonderful school year, it's hard to believe how quickly time has flown! It feels like just yesterday we were welcoming students back in September, and now here we are—celebrating their growth, resilience, and all the joyful moments that filled our classrooms and corridors.

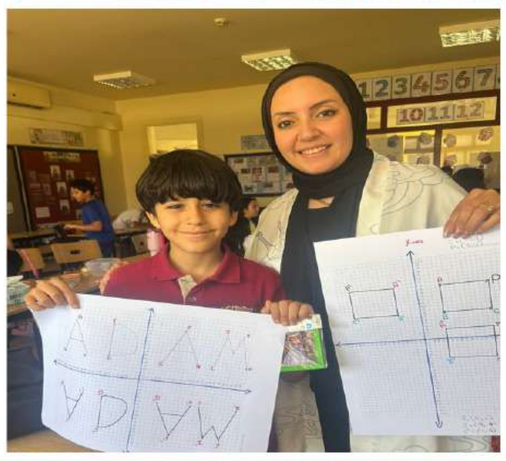

As we head into summer, we wish you sunshine, laughter, popsicles, and lots of well-earned relaxation. That said… while summer is the perfect time for some fun in the sun, don't forget to keep those brilliant brains active. This month's Special Education Newsletter includes fun, light-hearted learning activities to help keep academic skills fresh without interrupting the summer vibes. Think puzzles in PJs, reading under a tree, or counting seashells at the beach—it all counts!

Thank you for your continued partnership and support. We can't wait to see all the smiling faces again in the fall! Have a safe, happy, and magical summer!

Celebrating Growth: A Heartfelt Thank You to Our Students, Staff, and Families

This term has been filled with meaningful progress and personal victories for our students, each moving forward in their own unique way. From academic milestones to social and emotional growth, we are proud of every achievement—big and small. These successes would not have been possible without the unwavering commitment of our incredible support teachers, who work tirelessly to nurture, guide, and empower each student. Their dedication, creativity, and patience truly make a difference every day. We also extend our heartfelt thanks to our parents and caregivers, whose ongoing support, collaboration, and trust form the backbone of our students' success. Together, we celebrate a term of hard work, resilience, and shared accomplishments.

Learn, Play, Grow: Curriculum-Friendly Summer Resources
Keep your child's mind active this summer with these fun and supportive learning tools. The following websites and apps offer engaging activities for maintaining and building academic skills—some designed especially with SEN students

- BBC Bitesize *https://www.bbc.co.uk/bitesize*
Covers Key Stages 1–4 with lessons, videos, and quizzes across all subjects—perfect for revision and skill-building.

- Oak NationalAcademy *https://www.thenational.academy/*
Offers full lessons in line with the English National Curriculum, including subjects like English, maths, science, and foundation subjects.

- Classroom Secrets *https://classroomsecrets.co.uk/resources/home*
Offers free home learning packs aligned with the UK curriculum, including differentiated materials for varying abilities.

-White Rose Maths *https://whiteroseeducation.com/parent-resources*
Provides structured maths resources and video lessons tailored to the UK curriculum, ideal for home learning.

- ICT Games *https://ictgames.com/*
UK-curriculum based literacy and numeracy games designed with accessibility and simplicity in mind—ideal for KS1 and lower KS2, including SEN learners.

- Phonics Play *https://www.phonicsplay.co.uk/*
Fun phonics games aligned with Letters and Sounds, helping children develop early reading skills through interactive play. Includes games suitable for children with dyslexia.

FAM-I is offering a summer camp specially designed for our SEN children, focusing on character building, skill development, and meaningful engagement. The program includes a variety of fun, supportive activities tailored to meet individual needs and encourage growth in a nurturing environment.For more details or to register, please contact them directly at:

News from the SEN Department

Learning in Focus

These resources provide a balance of structure and fun, helping students stay engaged while reinforcing key learning areas in a relaxed, summer-friendly way.

News From Learning Support Department : Preventing the “Summer Slide”

As the academic year draws to a close, we want to celebrate your child’s growth and thank you for your partnership throughout the term. The summer holidays are a much needed break, but it’s also a time when some students can experience a dip in skills, commonly known as the “summer slide.”

The good news is that keeping young minds engaged doesn’t need to feel like schoolwork. With a few simple and enjoyable activities, your child can continue to practise their literacy, numeracy, and thinking skills in a relaxed, low-pressure way.

Literacy: Make Reading a Natural Part of the Day

- Let your child choose what they enjoy; from chapter books and comics to recipe books or sports articles.

- Set up a family reading time, even just 15 minutes a day.

- Encourage a reading challenge or book journal with little rewards or stickers.

- Try audiobooks during car journeys or quiet time to help with vocabulary and listening comprehension.

Numeracy: Practise Through Real Life

= Get your child involved in measuring ingredients, working

out prices in shops, or counting change.

- Play number-based games like Uno, Monopoly, or puzzles that involve logic and strategy.

- Use child-friendly educational apps to revisit key maths facts and mental arithmetic skills.

Critical Thinking: Encourage Curiosity and Creativity

- Ask open-ended questions such as, “What do you think would happen if…?” or “How could we do this differently?”

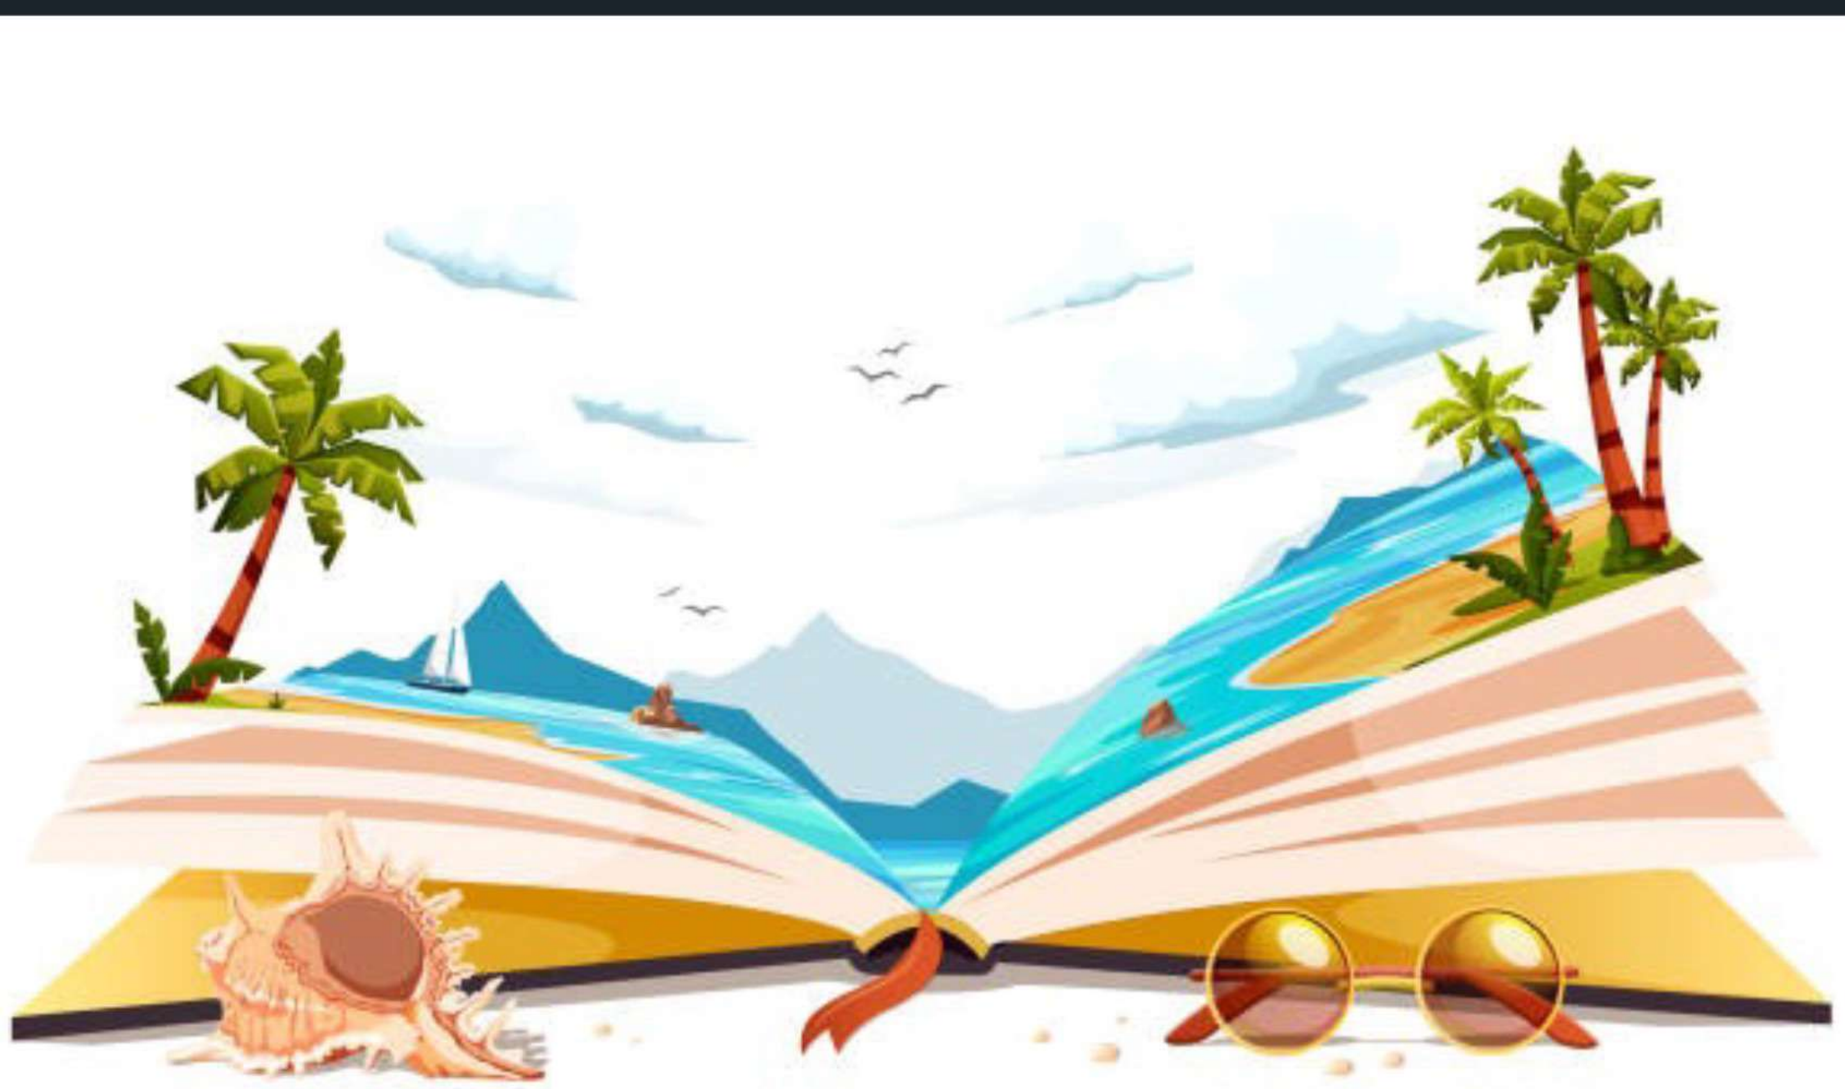

- Set up simple problem-solving tasks at home; such as building a bridge from paper and tape or designing a game.

- Watch child-friendly documentaries or educational videos together, and talk about what you’ve learnt.

Keep It Light and Playful

Summer learning should feel fun, not formal. The goal isn’t to replicate school, but to nurture curiosity and confidence. Follow your child’s interests, celebrate effort, and make space for laughter and exploration.

Thank you for your continued support throughout the year. We are incredibly proud of the progress our students have made and look forward to welcoming them back after the summer; rested, refreshed, and ready for new challenges.
Wishing you a restful and joyful holiday,
The Learning Support Department.

News from the KS3 Department

A Message from the Head of Key Stage 3

As we close out another memorable year at Key Stage 3, I am filled with pride and gratitude for the journey our students, staff, and wider community have taken together. This year has been full of enriching experiences, academic milestones, and joyful moments that have shaped the growth of our students both in and beyond the classroom.

We also celebrated International Week, beautifully hosted by the French Department. The school came alive with cultural colour during our International Dress-Up and Breakfast Day, where students shared dishes inspired by France, Egypt, Italy, China, and India, and dressed in the colours of their form group's assigned country. A particular highlight was our International Spelling Bee, where students showcased their multilingual talents by spelling words in French, English, and other languages.

Later in the term, incoming Year 7 students joined Transition Week, giving Year 6s a three-day experience of Senior School life. The week included an introductory assembly, sample lessons, team-building activities, and a preview of next year's topics. We look forward to welcoming them officially in September.

One of the true highlights of Term 3 was our end-of-year residential trips to different destinations; Ras Sudr, Ain Sokhna and Hurghada. These trips offered not just fun and relaxation, but opportunities to deepen friendships and build lasting memories.

As always, we ended the term on a high note with our End-of-Year Celebration Ceremony, where students were recognised across all subject areas.

Congratulations to all our deserving awardees!

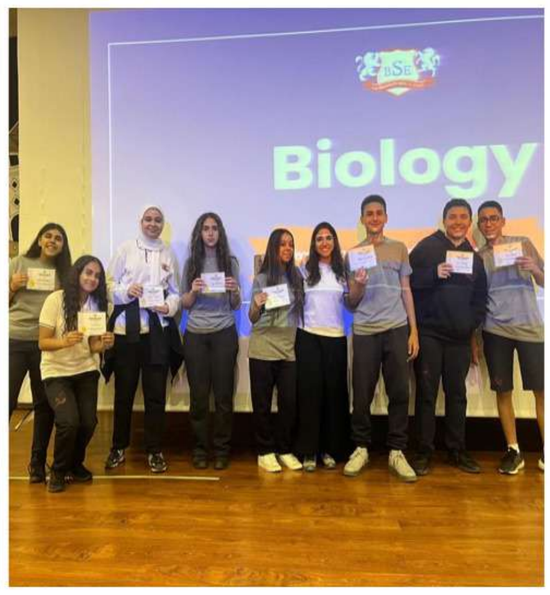

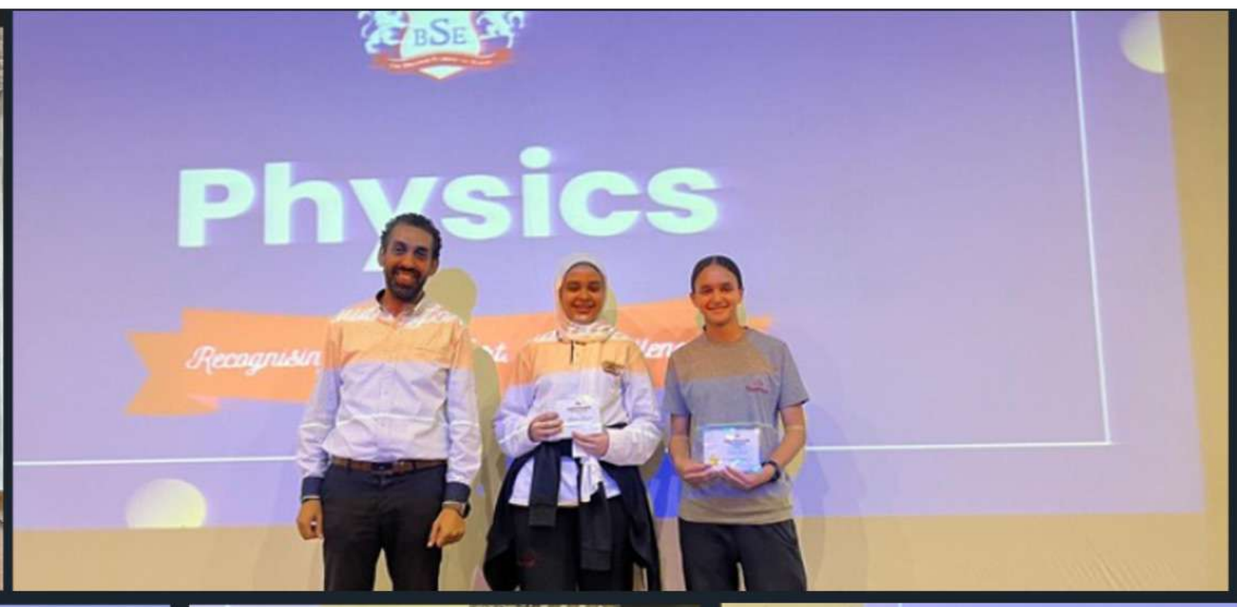

News from KS3 Department

Finally, a sincere well done to all of our students for their dedication during the End-of-Year Assessments. Your resilience, focus, and growth throughout the year have been remarkable.

Wishing all of our students and families a restful, safe, and joyful summer break. Thank you for your continued support and partnership in making this such a successful and fulfilling year for KS3.

Warm regards,

Lina Azmy
Head of Key Stage 3

News from the English Department

Year 7:

During the summer semester, Year 7 students explored fictional writing with a focus on creativity, narrative structure, and character development.

They worked through the Collins English book, where they practiced various writing techniques to enhance their storytelling skills. This included building imaginative plots, crafting vivid characters, and using descriptive language to bring their ideas to life. These activities helped them become more confident and expressive writers.

In literature, students studied Romeo and Juliet by William Shakespeare. Through this timeless play, they examined major themes such as love, fate, and conflict. They also analyzed Shakespearean language, gaining insight into how dialogue, dramatic tension, and poetic devices contribute to the story's emotional impact.

By engaging in fictional writing and analyzing a classic text, students developed both their creative and critical thinking skills. It was a productive and enriching semester that laid a strong foundation for future learning.

Year 8:

During the summer semester, Year 8 students focused on developing their persuasive writing skills while also engaging with classic literature through Shakespeare's Macbeth (Acts 1 and 2).

Students explored the art of persuasive writing by learning how to construct strong arguments, use rhetorical techniques, and support their viewpoints with clear evidence. They practiced writing with purpose and clarity, aiming to convince their readers through logical structure and persuasive language.

Alongside their writing work, students studied Macbeth, focusing on Acts 1 and 2. Through close reading and analysis, they examined Shakespeare's language, explored major themes such as ambition and power, and discussed character motivations and development. This helped them better understand the complexities of Shakespearean drama and its relevance today.

Combining persuasive writing with literary analysis allowed students to strengthen both their critical thinking and written communication skills, making it a well-rounded and enriching semester.

News from the English Department

Year 9:

As we bid farewell to this wonderful educational journey, our year 9 students have had the chance to shed light on one of the important language skills - speaking. Together, we practiced conversations through class discussions as well as through pair and group work. We also emphasized the different ways formal and semi formal language can be used for essay and summary writing with reports, articles and summaries.

Of course, we cannot neglect the value of our themes for the term, for this term our focus was primarily on travel, tourism and sustainability. Through these themes, we learned about sustainable travel practices and the importance of preserving heritage, culture and monuments as well as the impact of individuals on historic sites and on nature.

Finally, it was essential to expose students to exam practice akin to that which will be used for their IGCSE assessments as well as comparing the different examination boards in order for our students to make informed decisions moving forward.

Message from the Mathematics Department

As we wrap up Term 3, the Mathematics Department is proud to celebrate a term filled with exploration, collaboration, and meaningful learning across all year groups. Here's a look at what our students have been up to:

Year 7 – Building Strong Foundations & Celebrating Maths

Our Year 7 students engaged deeply with core mathematical concepts including ratios, area and perimeter of 2D shapes, and volume and surface area of prisms. They also sharpened their data skills through probability, and calculating averages and range from data sets. Their enthusiasm was evident in every session.

To celebrate World Maths Day, Year 7 took part in a collaborative challenge solving deep-thinking problems that encouraged reasoning, strategy sharing, and creative thinking—truly capturing the joy and global spirit of mathematics.
We also introduced an interactive Real-Life Word Problems Activity that combined percentages, ratios, and algebra in a practical, exciting way. Students solved a series of problems to unlock a secret code, making learning both fun and relevant.

Year 8 – Learning Through Movement & Collaboration

Year 8 participated in a dynamic station-based learning activity. Working in small groups, they rotated through stations that focused on topics like algebra, geometry, and problem-solving. The room was filled with discussion and teamwork as students collaborated, built confidence, and supported one another in real time.

Year 9 – Preparing for Success

This term, our Year 9 students tackled a range of significant mathematical topics, including:
- Coordinate Geometry: mastering gradients, midpoints, and the equations of straight lines

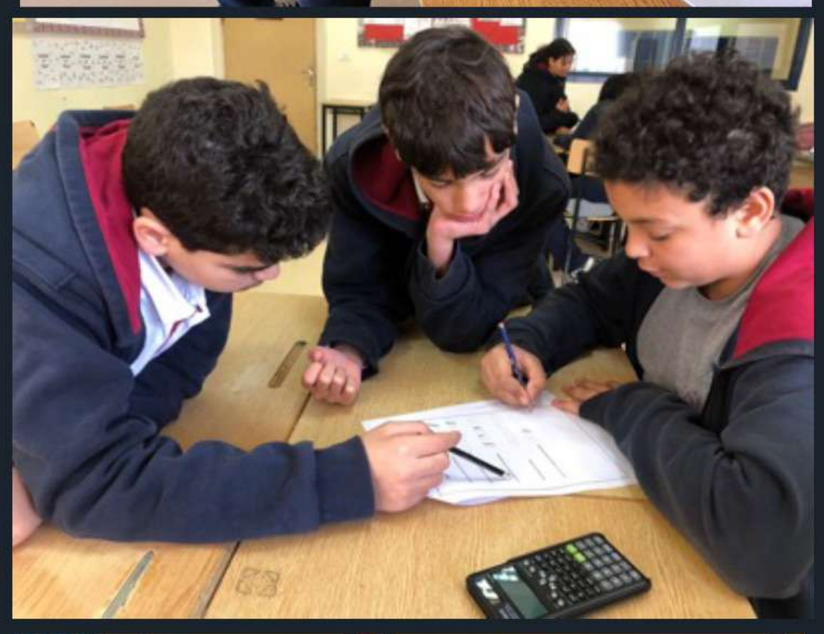

- Quadratic Graphs: sketching, solving, and interpreting quadratic equations in various forms

- Probability: applying probability calculations to real-world contexts

A key focus this term has been building exam readiness. Students practised exam-style questions to strengthen their ability to apply concepts under pressure. In preparation for the upcoming assessments, they've taken part in targeted revision sessions and received a comprehensive revision pack to support their independent study at home.
We are proud of the effort and growth our students have demonstrated this term and look forward to seeing their continued progress as they head into the exams.

Learning in Focus

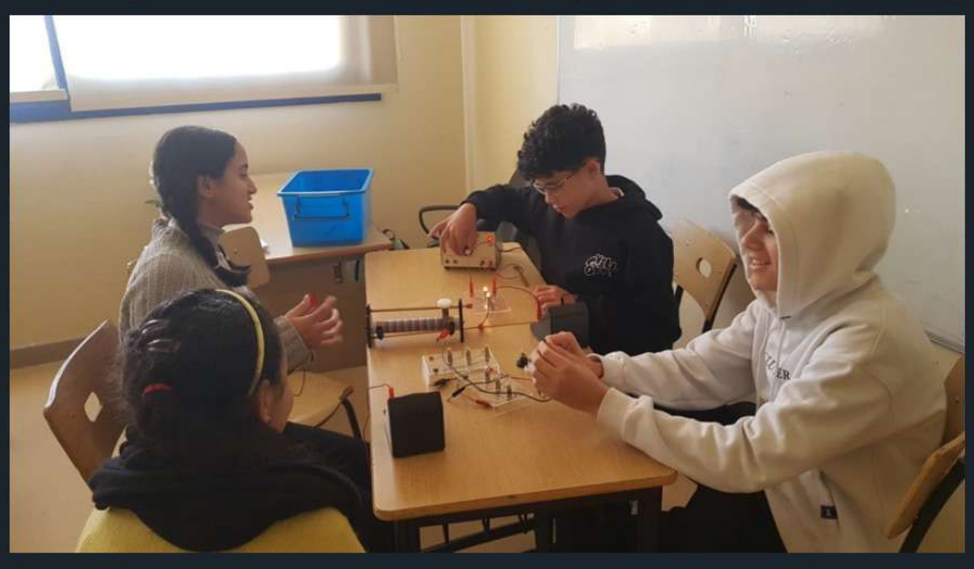

News from the Science Department

We are thrilled to announce that one of our talented Year 9 students, Carla Raouf, has proudly reached the semi-final round of the prestigious Science Stars competition, organized by the British Council in collaboration with the German University in Cairo. This achievement is a testament to Carla's creativity, scientific thinking, and dedication to excellence. Please join us in congratulating Carla on this remarkable accomplishment—we are incredibly proud of her and look forward to seeing her shine even more in the next stages!

As we wrap up the academic year, we would like to take a moment to congratulate all our students for their outstanding effort and enthusiasm in Science. We are especially proud of their dedication and active participation in practical lessons, where they engaged in a wide range of hands-on activities, particularly in Physics. From exploring forces and motion to investigating electricity and energy, our students demonstrated curiosity, teamwork, and a genuine passion for learning. Well done on a fantastic year—we are incredibly proud of each and every one of you!

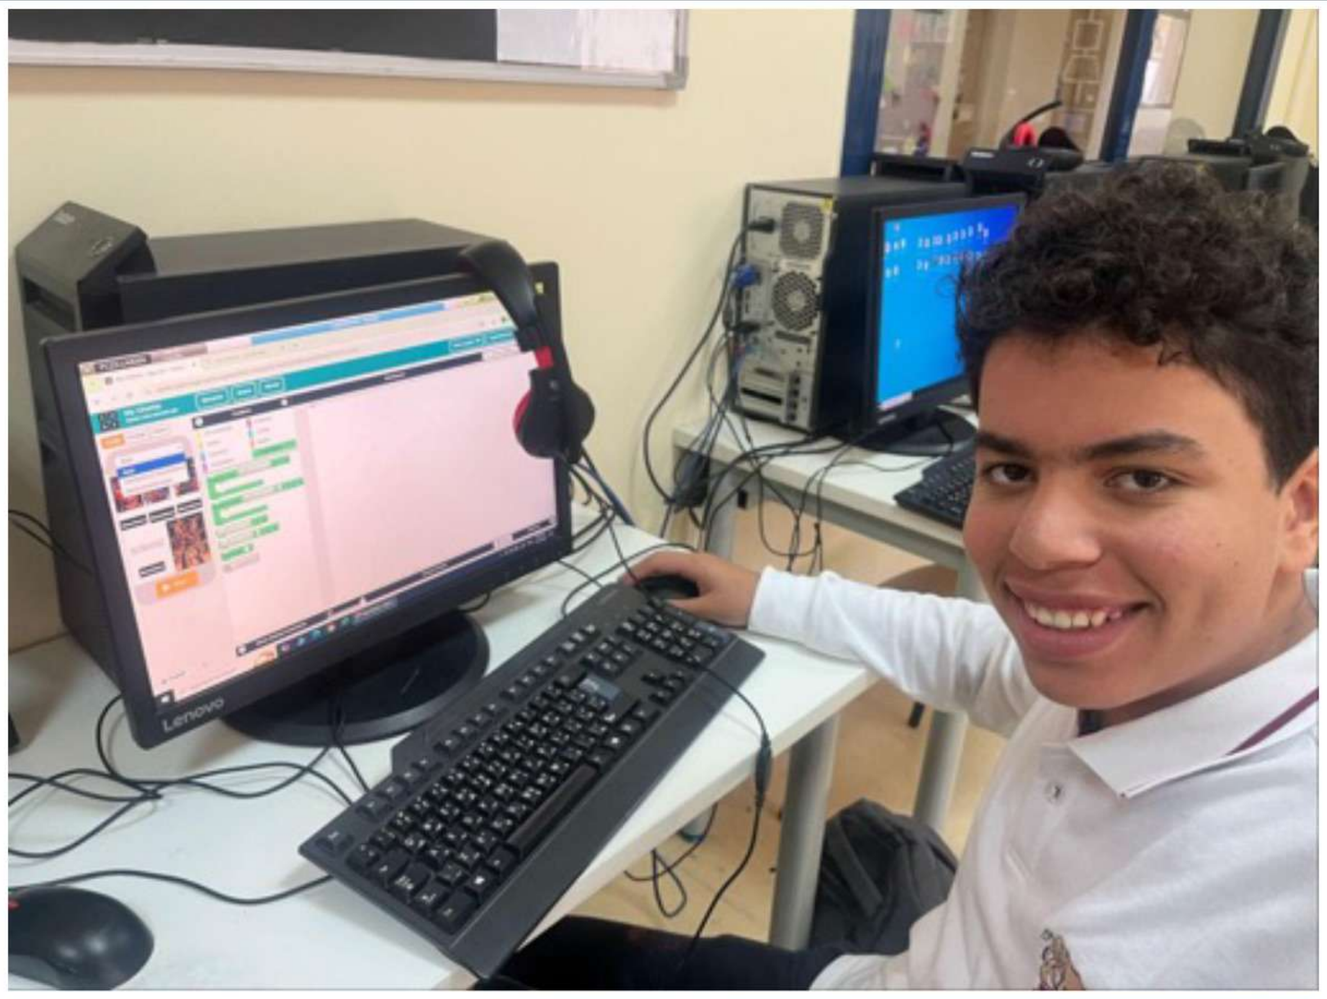

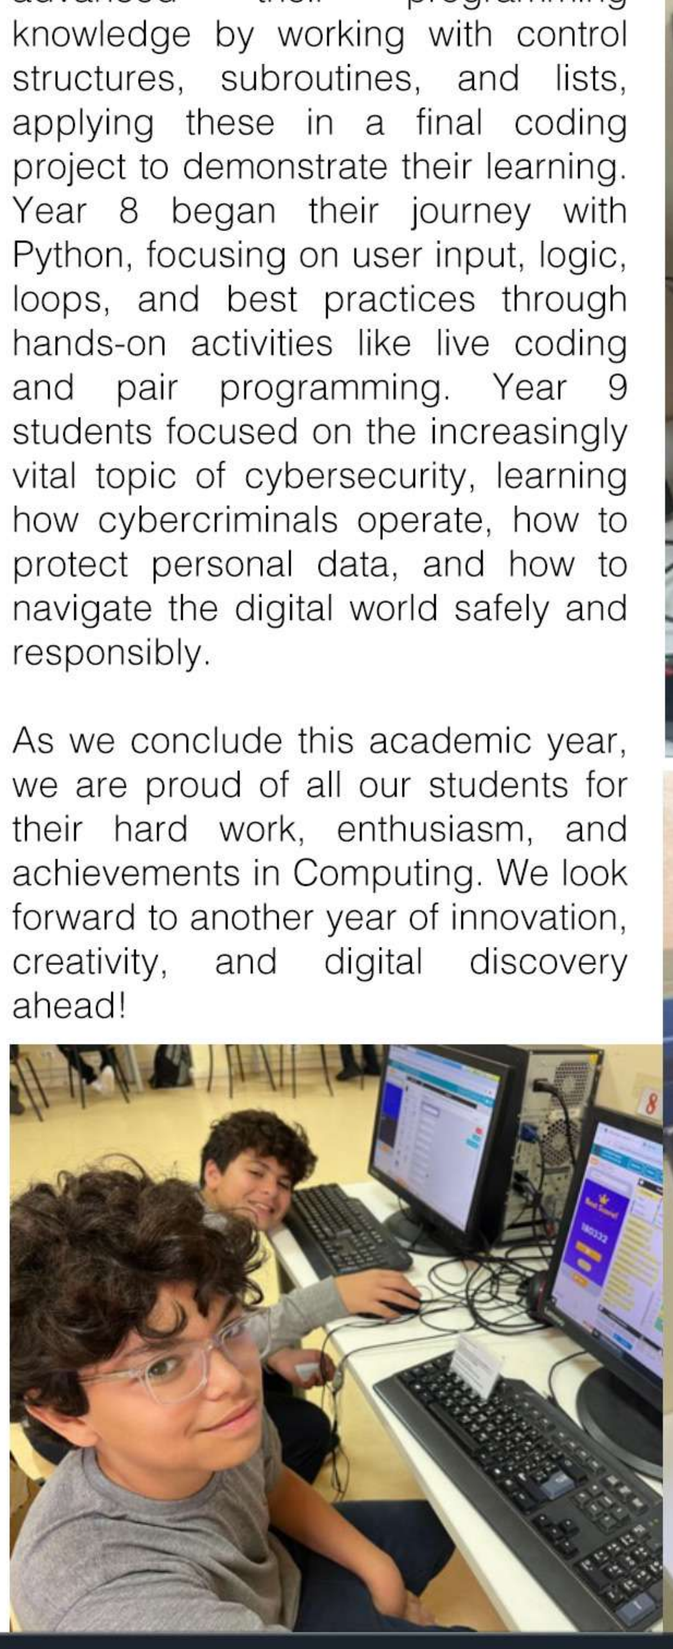

News from the ICT & Computing Department

In Key Stage 3, students continued developing their digital expertise through age-appropriate, real-world applications. Year 7 students advanced their programming knowledge by working with control structures, subroutines, and lists, applying these in a final coding project to demonstrate their learning. Year 8 began their journey with Python, focusing on user input, logic, loops, and best practices through hands-on activities like live coding and pair programming. Year 9 students focused on the increasingly vital topic of cybersecurity, learning how cybercriminals operate, how to protect personal data, and how to navigate the digital world safely and responsibly.

As we conclude this academic year, we are proud of all our students for their hard work, enthusiasm, and achievements in Computing. We look forward to another year of innovation, creativity, and digital discovery ahead!

News from the Art & Design Department

Welcome to Art Week!

Art Week is an annual event dedicated to celebrating creativity and artistic expression. This week-long event includes workshops and interactive sessions designed to engage students in the world of art.

A Colorful Journey Through the Summer Term in the Art Room

Wow—what a term it's been! From celebrating Ramadan through art, to showcasing incredible talent at Hayah's 11th Annual Art Competition, to diving into different cultures and creating on wood during Art Week… our students have truly outdone themselves. Let's take a look at what each year group got up to!

The spring term marked a true level-up for our young artists. Excitement buzzed in every classroom as students eagerly asked, "What are we creating next?" But something even bigger was on the horizon—Hayah's 11th Annual Art Competition Exhibition.

When the day finally arrived, our students were thrilled to see their artwork proudly displayed alongside other talented young artists from across Egypt. The art trip was a beautiful blend of creativity, inspiration, and even a little sporty fun. Seeing their own work hanging on gallery walls filled them with a deep sense of pride.

One of the most powerful moments was watching students stop, stare, and analyze artwork around them. They discussed techniques, shared opinions, and began to see how each artist's unique vision is brought to life. They also gained insight into how art is judged, and how bold thinking and personal expression make a piece stand out.

A huge congratulations to **Abdulla Badawy** for winning **first place** in the painting category among all participating schools in Egypt! We are immensely proud of him and every student who participated—you are all shining stars.

Back in the classroom, the spirit of success brought new energy and depth to our art lessons. Students were more motivated than ever, buzzing with excitement and ready to take on new challenges. They embraced both tradition and innovation, exploring more themes, experimenting with new techniques, and pushing the boundaries of their creativity. Whether they were diving into cultural patterns, bold art movements, or hands-on crafts, their enthusiasm filled the room and turned every lesson into a celebration of artistic growth.

Year 7: Art week Assembly

We participated with the students in defining the importance of studying fine art and why it is taught in schools to develop mental, psychological and fine motor skills through practicing art, as it helps them achieve success in other academic subjects.

Learning in Focus

News from the Art & Design Department

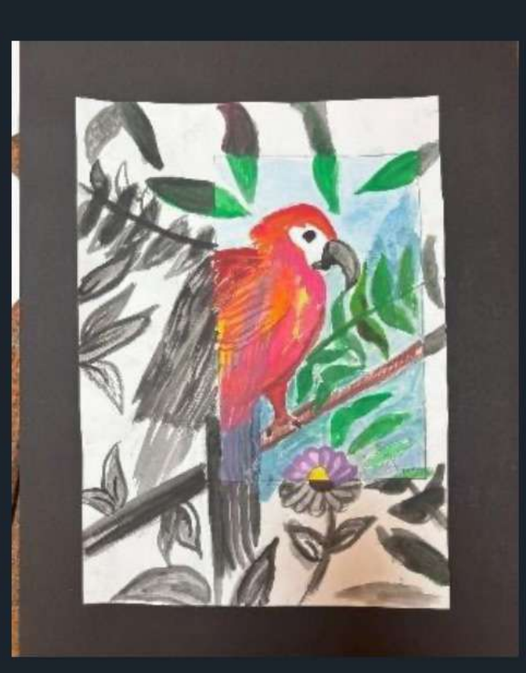

Year 7 academic class:

Patterns, Dots & Borders
Year 7 had a term full of contrast—literally and figuratively! They began by exploring Arabic geometric patterns and learning how math and art come together in beautiful harmony.

Then, we dove under the sea with Pointillism! Using only dots of color, students created underwater scenes teeming with fish, coral, and shimmering light. Their patience and precision paid off with stunning results.

Later, they took on the challenge of negative space in a project we called “Beyond the Border.” They created colorful images that stretched beyond a central “frame,” blending into a black- and-white outer space. The contrast was powerful—and the creativity? Off the charts!

Year 8: Movement, Music & Mastery

This term, Year 8 connected deeply with spirituality and culture through art. Inspired by Sufi dance and the whirling dervishes, students listened to traditional music and translated the movement into flowing lines and brushstrokes. It was emotional, expressive, and filled with soul.

They also circled back to a key skill: shading. This time, they applied it to still-life drawings of traditional Turkish coffee sets. The attention to detail was impressive, and each drawing told a quiet, thoughtful story.

Year 9: Art Week

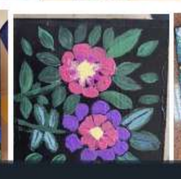

We hit up the art week by hosting the visual artist and actor, Dr. Ahmed Farid, who is a professor at the Faculty of Fine Arts, Alexandria University, holds a doctorate in the philosophy of visual arts, and is a cultural ambassador at the United Nations.

He spoke to the students with an open heart about the importance of art as a professional field and how to achieve success in public and private life and the coordination between them as a source of inspiration for the students and a role model to follow.

Classroom Activities:

Here came the time for the artistic activities, where the students made and drew on wooden coasters, so that the students could realize the functional value of art and enjoy using them as a memento of Art Week in 2024-2025.

News from the Art & Design Department

Yearr 9 academic class: Landscape One point perspective

A one-point perspective landscape drawing aims to create the illusion of depth and space on a two-dimensional surface by using a single vanishing point on the horizon line. Objectives typically include understanding and applying the principles of one-point perspective to create a convincing landscape scene.

Painting flowers using the color weal theories:

And here we are painting flowers to capture their beauty and intricate details through artistic expression. This involves understanding flower anatomy, color theory, and various painting techniques to create a visually appealing and meaningful representation.

News from the Humanities Department

Year 7

This term, our Year 7 students have been exploring the world of fast fashion - a system where clothes are made quickly and cheaply, often at the cost of workers' rights and the environment. Through engaging lessons, they learned about the negatives of overconsumption and the importance of sustainable fashion. To demonstrate their understanding, students created powerful video projects highlighting how we can make more responsible choices as global citizens. Their creativity and awareness were truly inspiring!

Year 8

Year 8 students have been learning about climate change and its global impact, linking their studies to the Sustainable Development Goal: Climate Action. They explored the causes and consequences of climate change and reflected on our responsibilities as individuals and communities to protect the environment. As part of their learning, students put amazing effort into informative projects that showcased their creativity.

Student Reflections:

The Exempted Programme
Building Skills Beyond the Classroom

Grow, Learn, Lead

Learning in Focus

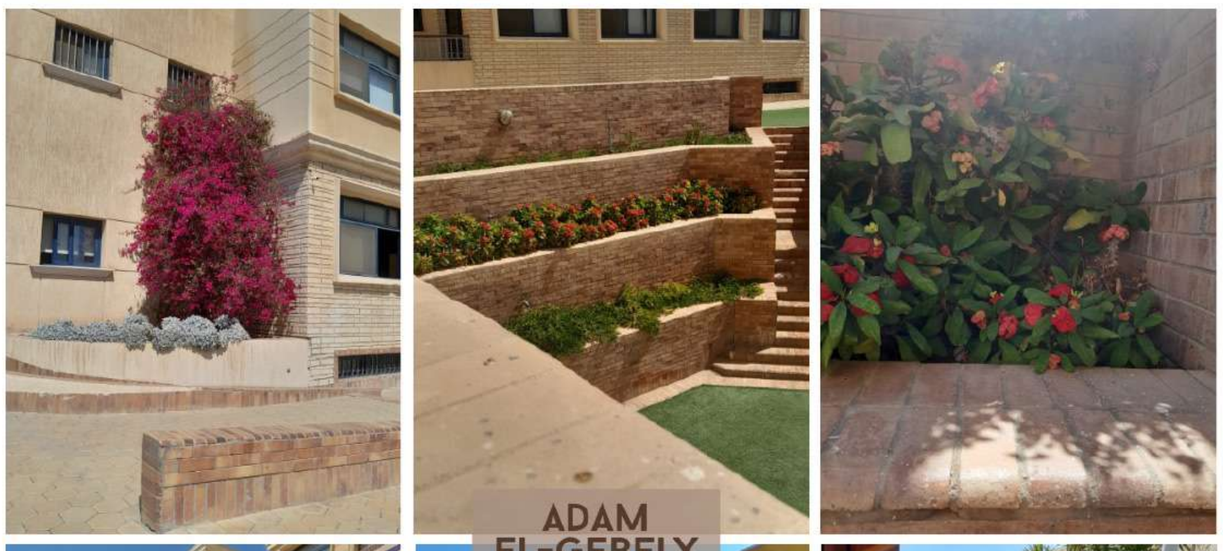

In Term 1, we helped in EYFS. We supported the children and their teachers in different lessons like PE, Art, and even during break time. Helping the younger students also helped me develop some important skills — especially patience.

n Term 2, we spent more time in the Senior School Library. This helped me learn new things, complete my classwork and homework during school time, and gave me more free time at home.

Later in Term 2, we started a photography project, which I really enjoyed. All of us exempted students had fun with it, and now I've learned how to use a camera properly — which is a skill I didn't have before.

Youssef El Gebely (8E)

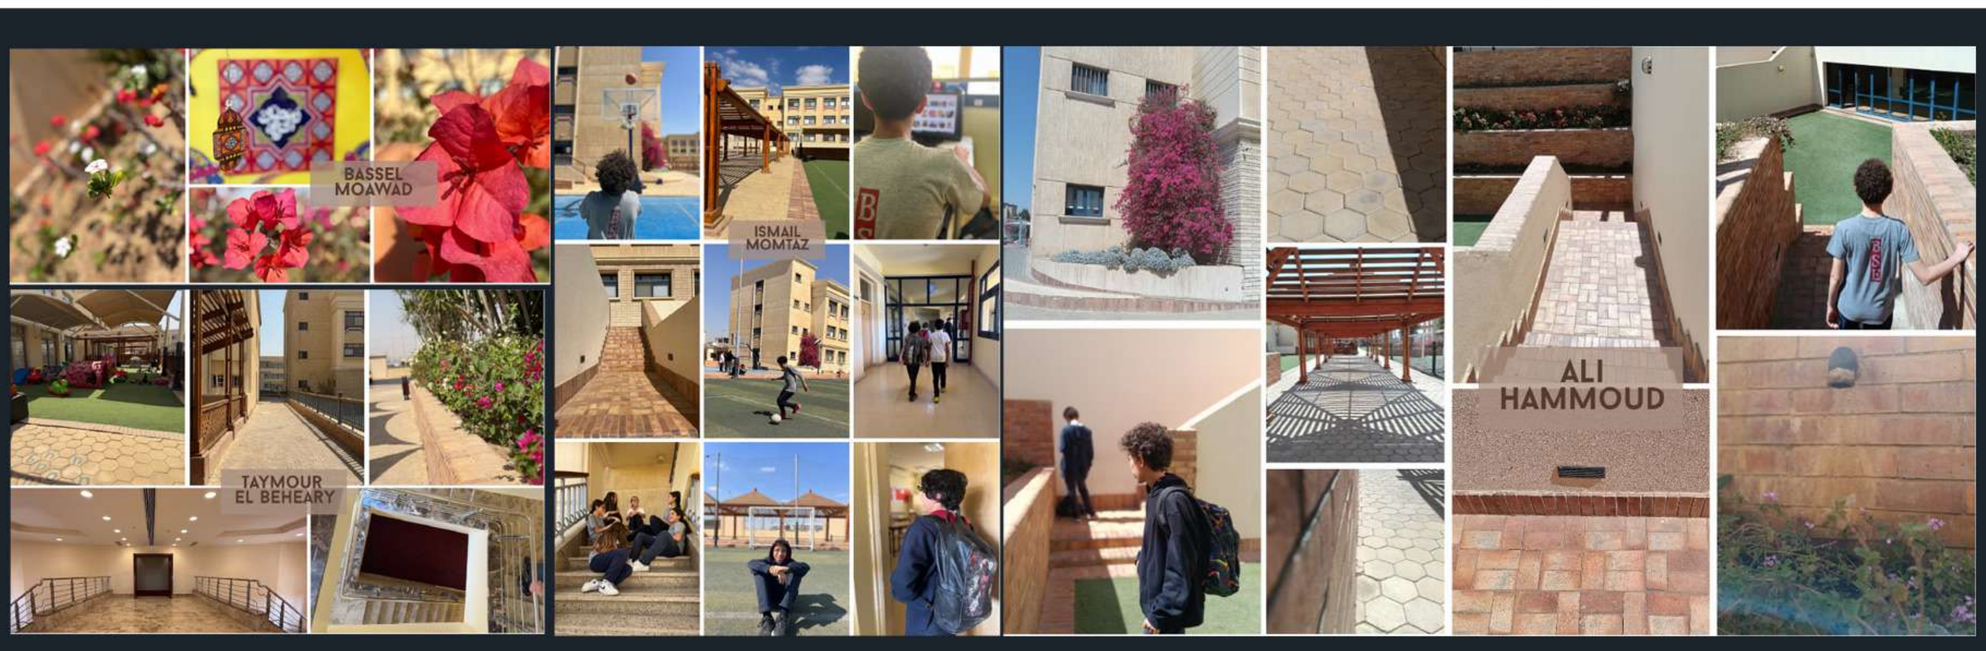

This year, I helped in EYFS with lessons like Maths, Music, PE, and French. I really enjoyed helping the younger kids and working with my friends in the classroom. It was fun seeing how excited the children were to learn and how they looked up to us.

I also spent time in the Senior School Library, which gave me a quiet space to focus on my studies. It was helpful having my friends there too in case I needed support with any schoolwork.
Later in the year, we started a Photography Project. I took photos of students interacting with each other around school, which I found creative and interesting. I liked being able to take my time and think about how to capture good pictures. It was even more fun doing it with my friends.

One thing I learned through this programme is creativity and patience. It helped me express myself in new ways and gave me the chance to try something different.

Adam El Gebely (8E)

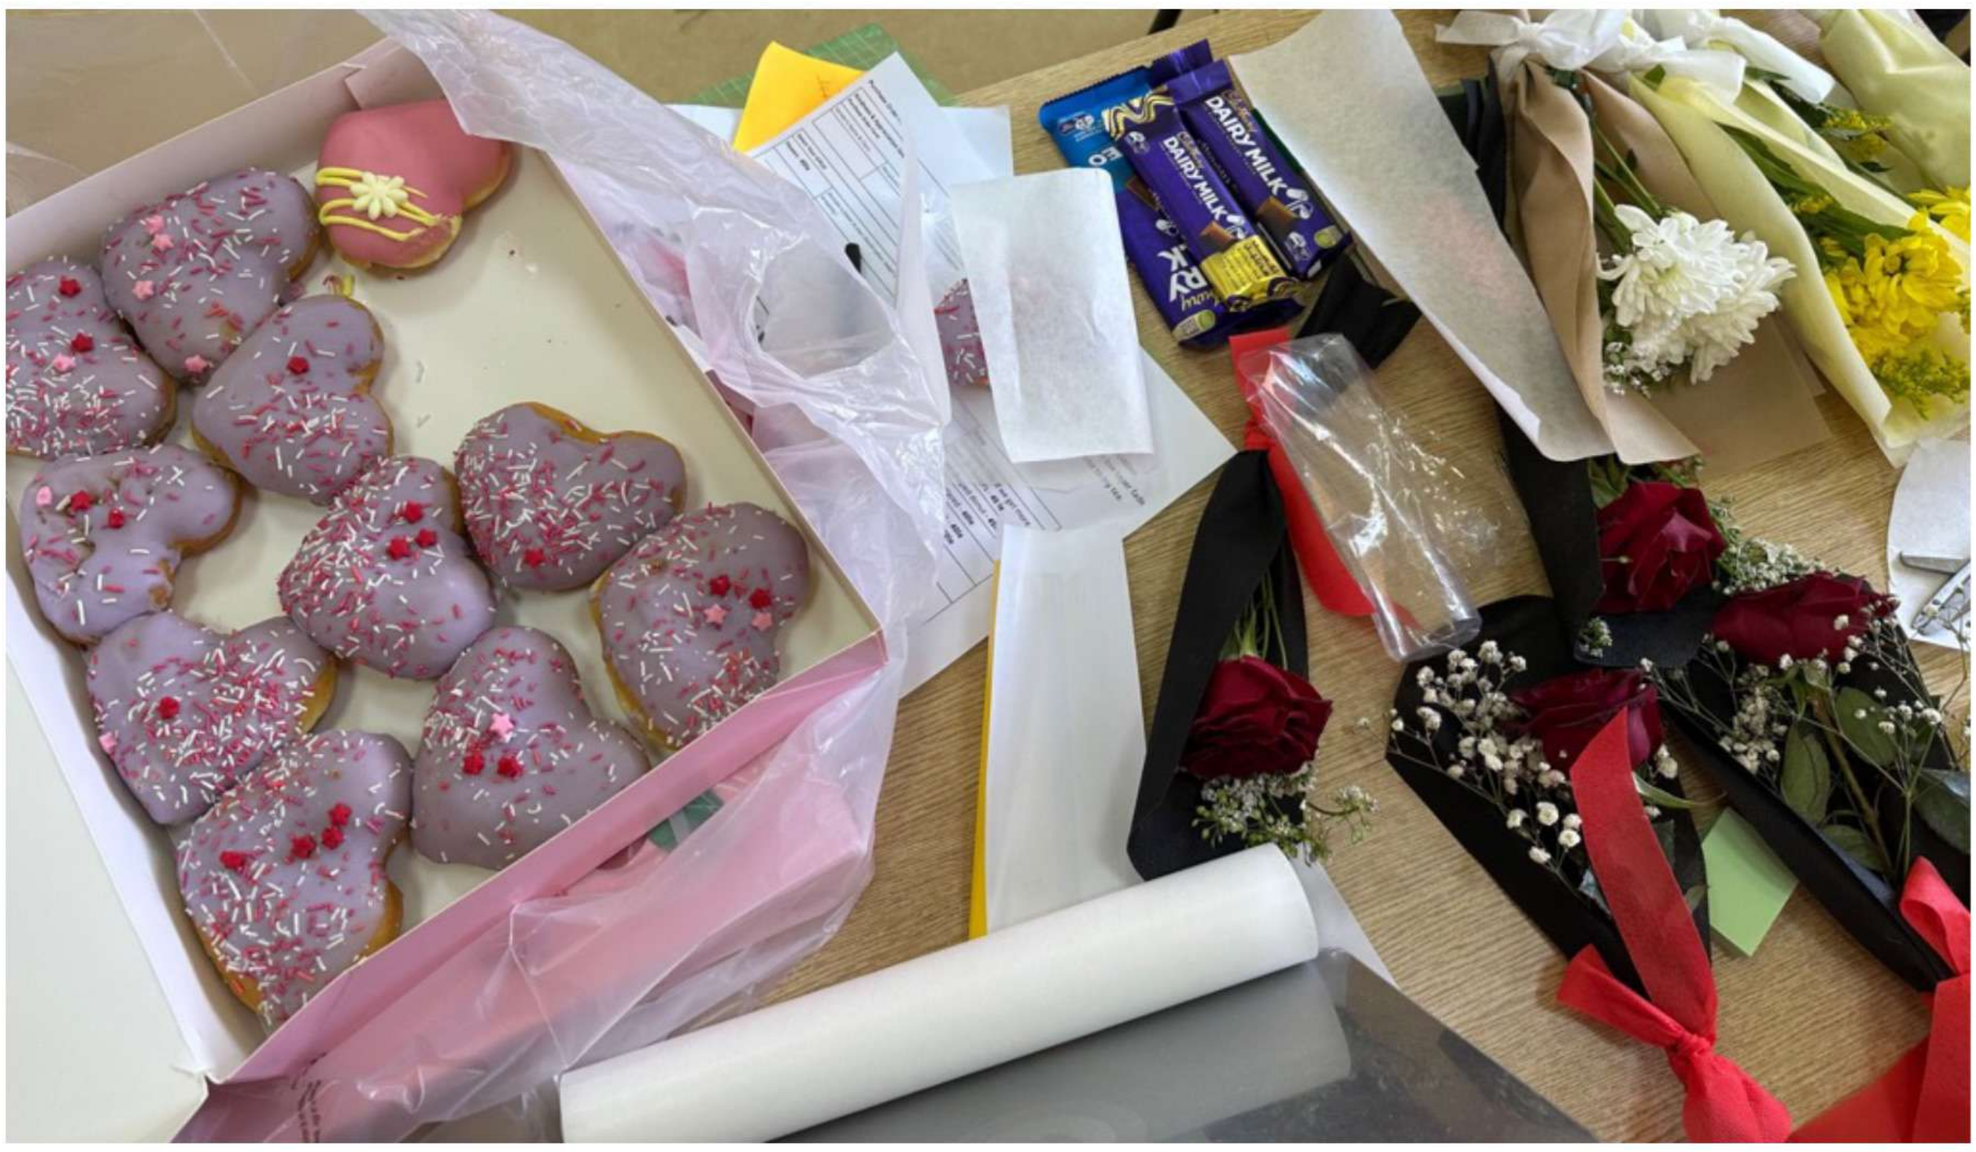

The Exempted Program is an excellent opportunity where we get to help younger students and take photos around the school. Through these activities, we develop important skills like communication, creativity, patience, and teamwork.

Ali Amjad Hammoud (8E)

Where every small idea becomes a meaningful impact.

Learning in Focus

Kindness & Appreciation Flower Sale

On Thursday, the 13th of February, Ms. Katherine, along with student council members Youssef Ahmed El Gohary (7E), Mariam Nassar (9E), and me—supported by Farida Shady (7E) and Farida El Bannan (7F), who joined after helping with Sports Day—organised a last-minute flower sale in celebration of kindness, appreciation, and Valentine's Day. What seemed like a simple event on the surface actually took a great deal of planning, decision-making, and teamwork behind the scenes. We were determined to create something that felt thoughtful and uplifting for everyone involved.

We bought flowers, chocolates, and donuts and wrote kind notes to go along with them. From choosing what to sell to preparing everything in time, each step required coordination and effort. Even though the idea came together quickly, everyone contributed to making it feel intentional and meaningful.

One of the biggest challenges was figuring out how to price everything. We aimed to keep the prices fair so that as many people as possible could take part, but we also had to make sure we wouldn't end up with barely any profit. After some back-and-forth, we found a reasonable balance. Fortunately, our sales skyrocketed, and the event turned out to be a massive success. We had loads of fun working on the flower sale, and we learned so much from the process. It was more than just a fundraiser; it was a chance to grow, connect, and make people smile.

Kindness & Appreciation Flower Sale & Sports Day

I had the opportunity to help out with both the Flower Sale and Sports Day—and it was such a fun and rewarding experience!

Supporting the younger students, leading by example, and encouraging them throughout the day made me feel proud. I've been part of the school football team for a long time, so I know how amazing it feels to win. Helping the younger students reach their goals in each game—and celebrating their victories—was incredibly special. Seeing their smiles made me happy too.

One of the most important things I learnt was how valuable it is to recognise effort, not just winning. Even when some students didn't win, I reminded them that giving their best effort still mattered. They left with a sense of pride, knowing they'd done their best—and they were also happy to celebrate the success of others.

As someone older, I felt a real sense of responsibility to take care of the younger students and support them as much as I could. Being a Sports Day leader helped me understand the importance of that role, and I genuinely enjoyed it.

A big challenge was helping students stay positive if they didn't win. I made sure they were still having fun, enjoying the activities, and cheering each other on. It wasn't just about the competition—it was about the memories we were making, and those will stay with all of us.

I also helped with the Kindness & Appreciation Flower Sale, which was exciting in a different way. Managing both events at once was a little challenging, but I really wanted to contribute to both. It was a responsibility I took seriously—especially because we were selling flowers and messages that meant something special to the students who were buying them for family and friends.

The bundle idea, which I suggested, turned out to be a huge success. People loved the sweet and funny message cards we included with the flowers. It added a personal touch and encouraged students to buy more and spread kindness to others.

At the end of the day, I was so proud to receive an email from the school thanking me for my efforts. That really meant a lot—and my parents were proud too, which made me even happier.

Although we had to prepare everything last minute, the event came together really well. We spread the word before the day, which gave everyone time to bring money and plan what they wanted to buy. We ended up making a great profit, selling completely out, and bringing happiness to so many people.

News from Ignite

Ignite at BSE: A Night to Remember

The first ever Ignite BSE event was a spectacular success and a true celebration of voice, talent and collaboration. The evening featured a dynamic lineup of speakers including beloved public figures such as actor Hazem Ehab, radio host Marwan Kadry and food blogger Marcos Atef.

Our own student speakers delivered powerful, moving talks including Mourad Orensa, Tia El Sammak and Farah Tamer. The stage also came alive with beautiful performances by pianist Ali Mostafa, a show-stopping dance crew led by Karma and Kenzy Waleed, and a heartfelt song by student singer Joury Islam. One of the most memorable moments of the night came from parent singer Noha Farrag, whose performance added warmth and soul to the event.

We also welcomed a wide range of speakers and performers from outside the school. From professionals to talented students from other schools, our stage reflected a truly inclusive and diverse community.

Behind the scenes, students played a vital role in bringing Ignite to life. From ushering and decorating to photography and IT support, their hard work made the night seamless and memorable. All student contributors were recognized with certificates in appreciation of their dedication and effort.

The event was attended by over 400 guests and made even more special by the presence of our generous sponsors whose giveaways and treats added an extra spark to the celebration.

Ignite BSE was led and hosted by Jumana Al Ghazali and Nour Wanas and marked the beginning of what will become a proud tradition. With the passion and involvement of our students, this is only the beginning of many more unforgettable Ignite events to come.

Message from Head of Key Stage 4

As the academic year draws to a close, it is a time for reflection on the incredible journey we've shared. This past period has been particularly vibrant and filled with memorable events and significant milestones. We've come together and celebrated many occasions, including our wonderful Ramadan Iftar, the enriching Year 11 Dahab's trip, and the adventurous Year 10 Sharm El Sheikh trip. Our students also gained invaluable insights during the Work Experience Week, and we commend them all for diligently completing their IGCSE final examinations and the MOE examinations.

These experiences, both inside and outside the classroom, have undoubtedly contributed to the growth and development of our students. It has been a privilege to witness their hard work, resilience, and camaraderie throughout the year.

As our students prepare for their next stage, whether it be advancing to the next academic year or embarking on new horizons, I wish each and every one of them the very best in their coming endeavors. May their futures be filled with continued learning, success, and happiness.
Sincerely,

Sarah Magdy

Year 11's Unforgettable Trip to Dahab

Year 11 students embarked on a truly unforgettable trip to Dahab this past term—a journey filled with adventure, laughter, and incredible memories.

Surrounded by stunning scenery, students took part in exciting activities that made the most of Dahab's natural beauty. From breathtaking views to once-in-a-lifetime experiences, it was a magical trip that brought the group closer together and created memories to last forever.

A trip to remember, indeed!

🌙 Iftar Gathering – A Special Ramadan Celebration

During the holy month of Ramadan, our students came together to share a beautiful Iftar gathering. It was a heartwarming occasion filled with a sense of community, reflection, and togetherness.

The evening was marked by joyful conversations, shared meals, and a warm atmosphere that brought students closer as they created lasting memories with friends and peers.

It's always heartwarming to see our school community come together to celebrate such meaningful traditions.

News from Key Stage 4

💼 Year 11 Work Experience – Exploring the World of Work

This term, Year 11 students had the incredible opportunity to take part in their work experience programs, gaining hands-on experience across a wide range of professional fields.

From digital marketing, video production, and business and finance, to animation studios, digital agencies, and the food industry and world of hospitality, students explored a variety of career paths and industries. They honed valuable skills like presentation techniques, learned the importance of teamwork and professionalism, and got a real taste of what it's like to work in dynamic environments.

For our aspiring doctors, internships at hospitals and medical institutes provided a first-hand look into the world of medicine, offering invaluable insights into their future profession.

This experience has not only broadened their horizons but also helped many students reflect on their potential future careers.

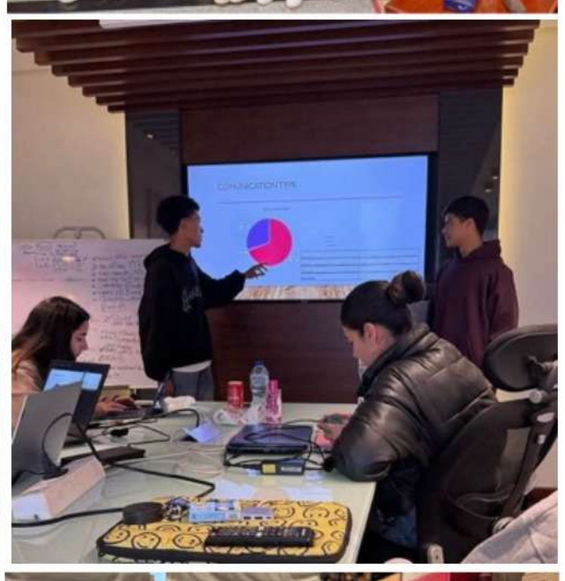

Year 10's Amazing Trip to Sharm El Sheikh

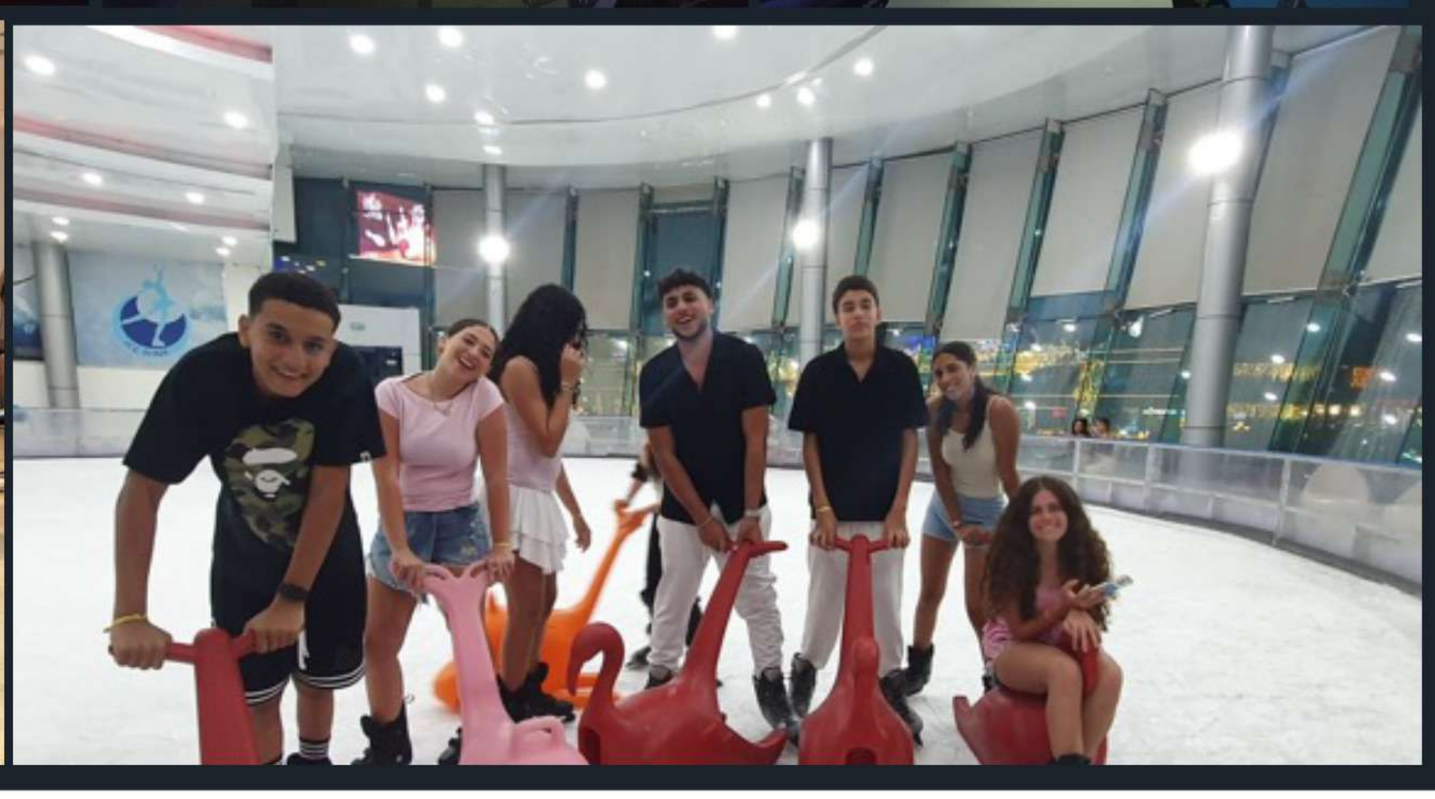

Our Year 10 students recently embarked on an exciting and memorable trip to Sharm El Sheikh, offering a perfect blend of adventure and relaxation. Highlights included exploring the natural beauty of Ras Mohamed, enjoying a refreshing day out on a yacht with various water activities, and engaging in some friendly competition at the bowling alley. They also had a thrilling time with skiing, creating unforgettable moments. This trip was a fantastic opportunity and reward for students to unwind, bond, and make lasting memories as they celebrated the end of a busy academic year.

News from Key Stage 4

✅ Mock Exams Successfully Concluded – Key Stage 4 & 5

The successful completion of the Key Stage 4 and 5 Mock Examinations. Students diligently applied their knowledge and skills across a range of subjects, providing valuable insights into their current progress and areas for future focus. We commend all students for their hard work and commitment during this important assessment period.

📝 Final Examinations – Key Stage 4 & 5

A significant milestone for many of our students has been the successful completion of their IGCSE final examinations. This period demanded immense dedication, perseverance, and focus, and we are incredibly proud of how our students approached this challenging time. We now eagerly anticipate their results and look forward to celebrating their hard-earned achievements.

Good luck to all our students!
