

BSE Primary School Dress for Success Policy

At the BSE, we aim for pupils to always be dressed for success at school. All children should be encouraged to wear clean, ironed uniforms or fresh clothes each day, this is not an essential requirement but a recommended suggestion to ensure best practices.

Please be aware of the following expectations:

- The red polo shirt with the BSE logo is available in the BSE Uniform Shop. Other t-shirts are not permitted.
- Leggings and skinny trousers are not acceptable for school.
- The uniform should fit the pupil properly, with proper length and size taken into consideration.
- Parents and guardians should consider purchasing more than one set of the BSE school uniform as there can be wear and tear as the year progresses.
- If uniform sizes are not available, the pupil is requested to provide a document from the BSE Uniform Shop stating so and to inform the office of what sizes you require so we can support you in following up with the shop.
- Only plain or white black shoes are allowed. Shoes should not be patterned. Studded shoes are strictly not allowed. If a student wears studded shoes, they will not be permitted to join in any PE activities for safety reasons.
- Boys and girls are not permitted to wear sandals, crocs, flip-flops or sandals with socks underneath, unless a medical note from an orthopaedic physician is provided.
- Girls are permitted to wear stud earrings only. Only one pair of earrings are allowed, with a single earring situated in each lobe (first hole). Any other piercings are not permitted in school.
- For safety reasons, other items of jewellery such as necklaces or bracelets should not be worn to school, with the exception of watches. Smart watches are not permitted.
- Nail varnish is not permitted. Students attending with coloured nail polish or gels may be asked to remove them or have a parent send nail-polish remover to school. If a parent is not available, the office may call a pharmacy and the pupil could pay for nail-polish remover.
- Trolley bags are not allowed, for safety reasons. We have noticed that they may cause injury to others.
- Girls are not permitted to wear eye or other make-up on campus. If a girl is wearing makeup, she will be asked to go to the bathroom to remove it. Repeated offences for make-up will lead to further disciplinary actions.
- Exotic hair colours are not permitted for both boys and girls. Excessive two-toned styles are not permitted.
- If a girls' hair exceeds mid-length, they are requested to tie their hair neatly.
- Boys are not permitted to show shaved patterns in their hair. Boys' hair should not extend beyond the ear length. If it exceeds, it should be tied.

Unfortunately, some pupils still choose to attend school out of uniform and this has a negative impact on other areas of school life. Please be informed that pupils who are not dressed in the BSE School Uniform will be sent home to change into the correct uniform.

Please be aware that if your child is unable to go home and change, they may complete their day's lessons in the isolated reflection room (IRT). Please be assured that they will be provided with all the same learning materials and activities as their peers and will be encouraged to make better choices in the future.
